Enchanted Evenings Geoffrey Block, 2009-10-30 This second edition offers theater lovers an illuminating behind-the-scenes tour of some of America's best musicals Geoffrey Block provides a documentary history of each of the eighteen musicals he discusses He reveals how the American musical evolved from the 1920s to today both on stage and on screen and how librettist lyricist composer and director work together to shape pieces book cover

The Darkest Year William K. Klingaman, 2019-02-19 The acclaimed narrative history of the American home front during WWII from the attack on Pearl Harbor through 1942 For Americans on the home front the twelve months following the Japanese attack on Pearl Harbor comprised the darkest year of World War Two Despite government attempts to disguise the magnitude of American losses it was clear that the nation had suffered a nearly unbroken string of military setbacks in the Pacific by the autumn of 1942 government officials were openly acknowledging the possibility that the United States might lose the war Appeals for unity and declarations of support for the war effort made it appear as though the class hostilities and partisan animosities that had beset the United States for decades had suddenly disappeared Yet a deeply divided American society was splintering even further as conflicting interest groups sought to turn the wartime emergency to their own advantage Meanwhile blunders and repeated displays of incompetence by the Roosevelt administration added to the sense of anxiety and uncertainty that hung over the nation The Darkest Year focuses on Americans' state of mind not only through what they said but in the day-to-day details of their behavior William K Klingaman delves into the social and cultural changes wrought by war including shifts in family roles race relations economic pursuits popular entertainment education and the arts

Cinematic Fictions David Seed, 2012-01-01 The phrase cinematic fiction has now been generally accepted into critical discourse but is usually applied to post-war novels This book asks a simple question given their fascination with

the new medium of film did American novelists attempt to apply cinematic methods in their own writings From its very beginnings the cinema has played a special role in defining American culture Covering the period from the 1910s up to the Second World War Cinematic Fictions offers new insights into classics like The Great Gatsby and The Grapes of Wrath discussing major writers critical writings on film and active participation in film making Cinematic Fictions is also careful not to portray cinema as a single or stable entity Some novelists drew on silent film others looked to the Russian theorists for inspiration and yet others turned to continental film makers rather than to Hollywood Film itself was constantly evolving during the first decades of the twentieth century and the writers discussed here engaged in a kind of dialogue with the new medium selectively pursuing strategies of montage limited point of view and scenic composition towards their different ends Contrasting a diverse range of cinematic and literary movements this will be compulsory reading for scholars of American literature and film

The Unruly Life of Woody Allen Marion Meade, 2014-04-01 A psychologically nuanced tough minded portrait of the New York filmmaker and his relationships with Mia Farrow and Soon Yi Previn Publishers Weekly Writer director actor humorist Woody Allen stands as one of our era's most celebrated artists Starting in the 1950s Allen began crafting a larger than life neurotic persona that has since entertained and enlightened millions In his films widely thought to be autobiographical explorations of his own comic fears and fixations Allen carefully

controlled the public's view of him as a lovable scamp. But that all came crashing down the day Mia Farrow found a Polaroid on her mantle. What followed was a flurry of sensational headlines and legal battles. His relationship with Soon Yi Previn, thirty-four years his junior and the step-daughter of his longtime girlfriend, caused shockwaves in the public's perception of the director. Yet few biographers and journalists have explored what happened and why. In this, the first deep investigation of Allen's life and the events surrounding his split with Farrow, biographer Marion Meade tracks down dozens of friends, actors, neighbors, and film historians. They open up with insights and details rare in the world of wealth and celebrity. What results is a fascinating portrait of a flawed genius as adept at constructing his own image as he is at crafting films. Rereleased and updated, this is an unauthorized biography that neither Woody Allen's fans nor his detractors will be able to put down. The revised and updated edition was reviewed in the *Wall Street Journal* in 2013 by Carl Rollyson in a roundup of the five best Hollywood biographies.

Will Cuppy, American Satirist Wes D. Gehring, 2013-10-30 Back in the golden age of humor books, late 1920s to early 1950s, when wits of the pantheon like Robert Benchley, James Thurber, and S. J. Perelman were producing their signature works, there was another singular satirist who more than held his own with such fast company: Will Cuppy. 1884-1949. This factual funnyman's métier is dark comedy that flirts with nihilism. His agenda is baldly stated in such classic Cuppy book titles as *How to Be a Hermit* (1929), *How to Tell Your Friends from the Apes* (1931), and *The Decline and Fall of Practically Everybody* (1950). This biography doubles as a critical study of a satirist whose shish-kebabbing of humanity was often done through the veiled anthropomorphic use of animals. For a biographer, Will Cuppy represents a treasure trove of possibilities. He was a great humorist, and most of his best work is still in print, but until now he has never been the subject of a book-length study. His mesmerizingly complex and eccentric private life almost trumps the comic accomplishments of his public persona.

Enchanted Evenings Geoffrey Holden Block, 2004 Discusses the great Broadway hits, how they were conceived, written, and performed.

Modernism, 1910-1945 Jane Goldman, 2017-04-29 This essential guide explores and celebrates the rise and development of modernist and avant-garde literatures and theories in the period 1910-1945, from Imagism to the Apocalypse movement. Jane Goldman charts transitions in writing, reading, performing, and publishing practices and in international groupings and regroupings of writers and artists and interrogates the term Modernism, which labels the era. Goldman introduces students to the work of many canonical high-modernist writers such as Ezra Pound, T. S. Eliot, W. B. Yeats, James Joyce, and Virginia Woolf, and samples the work of other important modernist figures, including Nathanael West, John Rodker, Aldous Huxley, and the Harlem Renaissance poets.

A Man of Letters V. S. Pritchett, 2011-10-28 V. S. Pritchett is widely and justly regarded not only as one of the finest short-story writers of this century but as a critic and essayist of astonishing range, perception, and originality. Combining an unpretentious common sense with a rare genius for the illuminating insight into the familiar and the neglected alike, his criticism is all the more valuable in an age in which the study of literature has become increasingly arid and arcane, and unlike so many of his

academic counterparts V S Pritchett has always had a remarkable ability to epitomise a writer's work and convey his own enthusiasm for it within the compass of a short and eminently accessible essay First published in 1985 *A Man of Letters* brings together a selection of his finest and most representative work from the past forty years ranging from Smollett and Peacock to Evelyn Waugh and Cyril Connolly from Henry James and Nathanael West to Stendhal and Proust from Nabokov and Machado de Assis to Manzoni and Dostoevsky This wise and sparkling collection is in itself a lasting tribute to one of the greatest Men of Letters of our time

The Quote Verifier Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed Ralph Keyes's *The Quote Verifier* considers not only classic misquotes such as Nice guys finish last and Play it again Sam but more surprising ones such as Ain't I a woman and Golf is a good walk spoiled as well as the origins of popular sayings such as The opera ain't over till the fat lady sings No one washes a rented car and Make my day Keyes's in-depth research routinely confounds widespread assumptions about who said what where and when Organized in easy-to-access dictionary form *The Quote Verifier* also contains special sections highlighting commonly misquoted people and genres such as Yogi Berra and Oscar Wilde famous last words and misremembered movie lines An invaluable resource for not just those with a professional need to quote accurately but anyone at all who is interested in the roots of words and phrases *The Quote Verifier* is not only a fascinating piece of literary sleuthing but also a great read
