

The background image is a scenic landscape of a mountain valley. On the left, a dark, jagged rock formation rises steeply. The valley floor is visible in the distance, showing a river and some greenery. The sky is a soft, hazy orange, suggesting a sunrise or sunset. The quote is overlaid on the right side of the image, with the attribution 'Abraham Lincoln' in a small red box below it.

The world will little note, nor long remember  
what we say here, but it can never forget what  
they did here. It is for us the living, rather, to be  
dedicated here to the unfinished work which  
they who fought here so nobly advanced.
