Longman Anthology British Literature Volume 2 Addison-Wesley Longman, Incorporated, 1998-07 *The Broadview Anthology of British Literature: Concise Volume B - Second Edition* Joseph Black, Leonard Conolly, Kate Flint, Isobel Grundy, Don LePan, Roy Liuzza, Jerome McGann, Anne Lake Prescott, Barry Qualls, Claire Waters, 2013-08-20

In all six of its volumes *The Broadview Anthology of British Literature* presents British literature in a truly distinctive light. Fully grounded in sound literary and historical scholarship, the anthology takes a fresh approach to many canonical authors and includes a wide selection of work by lesser known writers. The anthology also provides wide ranging coverage of the worldwide connections of British literature and it pays attention throughout to issues of race, gender, class and sexual orientation. It includes comprehensive introductions to each period providing in each case an overview of the historical and cultural as well as the literary background. It features accessible and engaging headnotes for all authors, extensive explanatory annotations and an unparalleled number of illustrations and contextual materials. Innovative, authoritative and comprehensive, *The Broadview Anthology of British Literature* has established itself as a leader in the field. The full anthology comprises six bound volumes together with an extensive website component; the latter has been edited, annotated and designed according to the same high standards as the bound book component of the anthology and is accessible by using the passcode obtained with the purchase of one or more of the bound volumes. The two volume *Broadview Anthology of British Literature Concise Edition* provides an attractive alternative to the full six volume anthology. Though much more compact, the Concise Edition nevertheless provides instructors with substantial choice, offering both a strong selection of canonical authors and a sampling of lesser known works. With an unparalleled number of illustrations and contextual materials, accessible and engaging introductions and full explanatory annotations, this edition of the acclaimed *Broadview Anthology* provides concise yet wide ranging coverage for British literature survey courses. Sylvia Townsend Warner, Stevie Smith, J. M. Coetzee, Eavan Boland and Zadie Smith are among those given full author entries for the first time. There are also new selections by a number of authors who were already included in the anthology among them Seamus Heaney, Margaret Atwood and Carol Ann Duffy. There are new contextual materials as well, including material on *The Natural*, *the Supernatural* and *the Sublime in the Age of Romanticism*, a section and material on *The New Art of Photography in The Victorian Era*. The new edition concludes with a new section offering a range of poetry, fiction and non-fiction prose under the heading *Literature, Politics and Cultural Identity in the Late Twentieth and Early Twenty-first Centuries*. The Concise edition will also now include a substantial website component providing for much greater flexibility. And an increasing number of works from the full six volume anthology or from its website component are being made available in stand-alone *Broadview Anthology of British Literature* editions. Tennyson's *In Memoriam*, for example, which was previously included in these pages, will now be available both as part of a stand-alone *Broadview Anthology of British Literature* edition of Tennyson's selected poetry and as part of the website component of the
