Looking At Computer Programming:

Looking at Computer Programming Penny Holland,1984-01-01 Explains computers and computer programming and suggests activities to familiarize one with loops flowcharts and programming **The Art of Computer Programming** Donald E. Knuth,1998-04-24 The bible of all fundamental algorithms and the work that taught many of today s software developers most of what they know about computer programming Byte September 1995 I can t begin to tell you how many pleasurable hours of study and recreation they have afforded me I have pored over them in cars restaurants at work at home and even at a Little League game when my son wasn t in the line up Charles Long If you think you re a really good programmer read Knuth s Art of Computer Programming You should definitely send me a resume if you can read the whole thing Bill Gates It s always a pleasure when a problem is hard enough that you have to get the Knuths off the shelf I find that merely opening one has a very useful terrorizing effect on computers Jonathan Laventhol The first revision of this third volume is the most comprehensive survey of classical computer techniques for sorting and searching It extends the treatment of data structures in Volume 1 to consider both large and small databases and internal and external memories The book contains a selection of carefully checked computer methods with a quantitative analysis of their efficiency Outstanding features of the second edition include a revised section on optimum sorting and new discussions of the theory of permutations and of universal hashing Ebook PDF version produced by Mathematical Sciences Publishers MSP <http://msp.org>
