

The background of the cover features five Goldfinches in various stages of flight. One is in the top left, another in the top right, a third on the left side, and two in the bottom right. They have brown bodies, white faces with black stripes, and wings with prominent yellow patches. Scattered around the birds are several dandelion seeds, some fully formed and some just seeds on thin stems. A large, detailed dandelion seed head is positioned in the lower center, partially overlapping the title and authors' names.

Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. There are numerous websites and platforms where individuals can download Lost Words. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge.
