Lost Mines And Treasures Of The Pnw:

Buried Treasures of the Pacific Northwest W. C. Jameson, 2006-01-30 Do Indians living today know the location of the supposedly cursed Lost Gold of Devil's Sink Did Sir Francis Drake bury millions of dollars worth of ancient Incan treasures Has anyone found the box of gold coins buried by a reputed giant in the Washington rain forest Is there a noble family's fortune buried near an old log cabin in the Cascades *Lost Mines and Treasures of the Pacific Northwest* R. E. Hult, 1973-07-01 NORTHWEST *Lost Mines and Treasures of the Pacific Northwest* Ruby El Hult, 1957 Where to look for lost gold mines and treasure in Oregon Washington and Idaho Lost Oregon Treasure Arthur H. Redman, 2024-01-22 Tales of Oregon's lost wealth isn't all gold mines and prospectors it's also stories of crime greed and occasionally murder From the Lost Blue Bucket Mine to a hidden cave in the Owyhee Breaks rumors of treasures just waiting to be found span the state A generous miner from Yreka California known only as Set'em Up spurred a decades long search for gold in Southern Oregon and the discovery of Crater Lake Six sacks of gold buried and lost by Benjamin Harrison added to the fervor There have been lucky finds too like Samuel L Simpson's discovery of the Lost Cabin Vault Join author Arthur H Redman as he maps out tales of buried treasure across the great state of Oregon Treasure Anthology; Stories of Lost Mines & Buried Treasures ... E. S. LeGaye, 1973 The Silver Madonna and Other Tales of America's Greatest Lost Treasures W.C. Jameson, 2013-07-12 The twenty four tales in this book are of the most famous lost treasures in America from a two foot statue reportedly made entirely of silver the Madonna and a cache of gold silver and jewelry that was rumored to also contain the first Bible in America to seventeen tons of gold its value equal to the treasury of a mid sized nation buried somewhere in northwestern New Mexico What makes these tales even more compelling is that none of these known to be lost treasures have been discovered although modern detecting technology has made them eminently discoverable **The Lost Canyon of Gold** W.C. Jameson, 2017-09-01 Join the Search for Lost Treasure First popularized by folklorist and author J Frank Dobie in his book Apache Gold and Yaqui Silver in 1928 the legend of the Lost Adams Diggings is one of the most mythologized tales of lost treasure on the continent In the 1860s Gold was taken from Adams canyon in enormous quantities with nuggets ranging from dust size to some as large as hen's eggs all being plucked from the bottom of a shallow stream This true story of the Lost Adams Diggings starts with the discovery of the rich deposit of gold in a remote mountain range and ends with the author's own story of search and discovery in the twentieth century *Lost Mines and Buried Treasures of the West* Thomas Probert, 1977 This large easy to use volume lists the works of more than eleven hundred different authors covering thousands of stories of lost mines and buried treasures supposedly located in fifteen Western and Southwestern states and in Mexico In addition to being a boon to those adventurers who are tempted to search for lost mines and buried treasures it will be an important basic research tool for historians geologists geographers anthropologists archaeologists and folklorists and it will be useful in identifying the man treasure hoards and mining claims all the way from the Lost Adams Diggings in Arizona to

the Stagecoach in Wyoming The information given in this important bibliography was acquired through perusal of an unusually large number of books newspapers magazines unpublished manuscripts deposits in private and public libraries holdings of various historical foundations and governmental records and archives The task took Mr Probert three full years of steady patient work Many of these stories of lost mines and buried treasures have resulted in the discovery of some that are rarely acknowledged largely because as Mr Probert points out those who have been so fortunate as to find the pot of gold at the end of the rainbow have deemed it wiser and much safer to keep their own counsel Book jacket *Journal of Northwest Anthropology* Darby C. Stapp, A History of Underwater Archaeological Research in Oregon Dennis Griffin Great Basin Obsidian at The Dalles Implications for the Emergence of Elites in the Southwestern Plateau Rick Minor Traditional Ecological Knowledge Reconstructing Historical Run Timing and Spawning Distribution of Eulachon through Tribal Oral History Nathaniel D Reynolds and Marc D Romano A Multidisciplinary Perspective on the 2011 Ethnography The Spokane Indians with a Response from the Author John Alan Ross Darby C Stapp Jack Nisbet Tina Wynecoop Dennis D Dauble Jay Miller Deward E Walker Jr and John Alan Ross The 64th Annual Northwest Anthropological Conference Moscow Idaho 21 23 April 2011 Journal of Northwest Anthropology Publication Style Guide *A Motif Index for Lost Mines and Treasures Applied to Redaction of Arizona Legends, and to Lost Mine and Treasure Legends Exterior to Arizona* Byrd Howell Granger,1977 Indian Placenames in America Sandy Nestor,2015-05-07 The American Indians have lost much of their land over the years but their legacy is evident in the many places around the United States that have Indian names Countless placenames have however been corrupted over time and numerous placenames have similar spellings but different meanings This reference work is a reprint in one combined volume of the two volume set published by McFarland in 2003 and 2005 Volume One covers the name origins and histories of cities towns and villages in the United States that have Indian names It is arranged alphabetically by state then alphabetically by city town or village name Additional data include population figures and county names Probable Indian placenames with no certain origin also receive entries and as much history as possible is provided about those locations Volume Two covers more than 1400 rivers lakes mountains and other natural features in the United States with Indian names It is arranged by state and then alphabetically by natural feature Counties are provided for most entries with multiple counties listed for some entries where appropriate In addition to name origins and meanings geophysical data such as the heights of mountains and lengths of waterways are indicated **Bibliography and Index of the Geology and Mineral Resources of Washington, 1963-1980** Connie Manson,Debbie Burnetti,1983 Wrecked Coll Thrush,2025-05-27 A provocative retelling of shipwreck tales from the Northwest Coast The Northwest Coast of North America is a treacherous place Unforgiving coastlines powerful currents unpredictable weather and features such as the notorious Columbia River bar have resulted in more than two thousand shipwrecks earning the coastal areas of Oregon Washington and Vancouver Island the moniker Graveyard of the Pacific Beginning with a Spanish galleon that came ashore

in northern Oregon in 1693 and continuing into the recent past Wrecked includes stories of many vessels that met their fate along the rugged coast and the meanings made of these events by both Indigenous and settler survivors and observers Commemorated in museums historical markers folklore place names and the remains of the ships themselves the shipwrecks have created a rich archive Whether in the form of a fur trading schooner that was destroyed in 1811 a passenger liner lost in 1906 or an almost empty tanker broken on the shore in 1999 shipwrecks on the Northwest Coast opens up conversations about colonialism and Indigenous persistence Thrush's retelling of shipwreck tales highlights the ways in which the three central myths of settler colonialism the disappearance of Indigenous people the control of an endlessly abundant nature and the idea that the past would stay past proved to be untrue As a critical cultural history of this iconic element of the region Wrecked demonstrates how the history of shipwrecks reveals the fraught and unfinished business of colonization on the Northwest Coast

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1957 **Treasure Hunter** W.C. Jameson, 2014-11-05 W C Jameson was an active treasure hunter for more than fifty years He has fallen from cliffs had ropes break during climbs been caught in mine shaft cave ins contended with flash floods been shot at watched men die and had to deal with rattlesnakes water moccasins scorpions and poisonous centipedes He has fled for his life from park rangers policemen landowners competitors corporate mercenaries and drug runners He has also discovered enough treasure to pay for his own house and finance his and his children's education With his enigmatic treasure hunter partners Slade Stanley and Poet Jameson's stories are worthy of an Indiana Jones film except that they are all true Oregon Myths and Legends Jim Yuskavitch, 2017-04-13 From the mysterious disappearance of hijacker D B Cooper to persistent rumors of bigfoot this selection of thirteen stories from Oregon's past explores some of the Beaver State's most compelling mysteries and debunks some of its most famous myths Read about the mysterious disappearances of several people over the years around Mount Emily relive the gruesome discovery of three murdered trappers near the Deschutes River and learn why many people believe an eleven ton meteorite might be hidden in the mountains of southwestern Oregon **The Sagebrush**

Curtain Melvin Adams, 2019-08-08 This book contains a diversity of natural and human stories about the southeast quarter of Oregon state an area seemingly empty and barren to many people driving through it This surprising view of the region features the botany geology wildlife and history of the area wrapped in a memoir of the author's youth spent there Born in the sagebrush community of Lakeview in 1941 the author moved on following high school graduation But as with many native sons and daughters from out of the way places the urge to return to his roots proved irresistible I endeavored to write this collection about the Oregon desert because of my childhood there says Adams but also because it is a place of startling mystery subdued danger and beauty *Formation Processes of Maritime Archaeological Landscapes* Alicia Caporaso, 2017-01-05 Research into the anthropogenic and taphonomic processes that affect the formation of maritime archaeological resources has grown significantly over the last decade in both theory and the analysis of specific sites and

associated material culture The addition of interdisciplinary inquiry investigative techniques and analytical modeling from fields such as engineering oceanography and marine biology have increased our ability to trace the unique pathways through which archaeological sites progress from initial deposition to the present yet can also link individual sites into an integrated socio environmental maritime landscape This edited volume presents a global perspective of current research in maritime archaeological landscape formation processes In addition to classically considered submerged material culture and geography or those that can be accessed by traditional underwater methodology case studies include less often considered sites and landscapes These landscapes for example require archaeologists to use geophysical marine survey equipment to characterize extensive areas of the seafloor or go above the surface to access maritime archaeological resources that have received less scholarly attention **Prehistory and History of the Rogue River National Forest** Jeffrey M.

LaLande,1980 The Pirate Encyclopedia Arne Zuidhoek,2022-07-18 The romantic picture of pirates as colourful individuals terrorizing the seven seas has long eclipsed historical fact The Pirate Encyclopedia contains the most complete body of data available on the rovers rightful legitimacy as subjects of investigation For the first time we see so many pirates c 7 000 brought together This pirate s who s who including the women pirates makes it possible to see different areas and their significance and circumstances and so the essential companion for scholars students and a general audience intrigued by tales and facts

Discover tales of courage and bravery in is empowering ebook, Stories of Fearlessness: **Lost Mines And Treasures Of The Pnw** . In a downloadable PDF format (Download in PDF: *), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
