Lost Weekend:

The Lost Weekend Billy Wilder, Charles Brackett, 2000-12-05 Jane Wyman also delivers a powerful performance as his faithful girlfriend Helen St James whose selfless love offers Birnam a hope of redemption The Lost Weekend Charles Jackson, 2013-02-12 The classic tale of one man's struggle with alcoholism this revolutionary novel remains Charles Jackson's best known book a daring autobiographical work that paved the way for contemporary addiction literature It is 1936 and on the East Side of Manhattan a would be writer named Don Birnam decides to have a drink And then another and then another until he is in the midst of what becomes a five day binge The Lost Weekend moves with unstoppable speed propelled by a heartbreaking but unflinching truth It catapulted Charles Jackson to fame and endures as an acute study of the ravages of alcoholism as well as an unforgettable parable of the condition of the modern man *On Sunset Boulevard* Ed Sikov, 2017-06-14 On Sunset Boulevard originally published in 1998 describes the life of acclaimed filmmaker Billy Wilder 1906-2002 director of such classics as Sunset Boulevard The Lost Weekend The Seven Year Itch and Sabrina This definitive biography takes the reader on a fast paced journey from Billy Wilder's birth outside of Krakow in 1906 to Vienna where he grew up to Berlin where he moved as a young man while establishing himself as a journalist and screenwriter and triumphantly to Hollywood where he became as successful a director as there ever was Double Indemnity Sunset Boulevard Some Like It Hot and The Apartment Wilder's cinematic legacy is unparalleled Not only did he direct these classics and twenty one other films he co wrote all of his own screenplays Volatile cynical hilarious and driven Wilder arrived in Hollywood an all but penniless refugee who spoke no English Ten years later he was calling his own shots and he stayed on top of the game for the next three decades Wilder battled with Humphrey Bogart Marilyn Monroe Bing Crosby and Peter Sellers kept close friendships with William Holden Audrey Hepburn Jack Lemmon and Walter Matthau amassed a personal fortune by way of blockbuster films and shrewd investments in art including Picassos Klees and Mir's and won Oscars yet Wilder ever conscious of his thick accent always felt the sting of being an outsider On Sunset Boulevard traces the course of a turbulent but fabulous life both behind the scenes and on the scene from Viennese cafes and Berlin dance halls in the twenties to the Hollywood soundstages of the forties and the on location shoots of the fifties and sixties Crammed with Wilder's own caustic wit On Sunset Boulevard reels out the story of one of cinema's most brilliant and prolific talents **LIFE**, 1946-03-11 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use *Phraseology and Culture in English* Paul Skandera, 2008-08-22 The proposition that there is a correlation between language and culture or culture specific ways of thinking can be traced back to the views of Herder and von Humboldt in the late 18th and early 19th centuries It is generally accepted today that a language especially its lexicon influences its speakers cultural patterns of

thought and perception in various ways for example through a culture specific segmentation of the extralinguistic reality the frequency of occurrence of particular lexical items or the existence of keywords or key word combinations revealing core cultural values The aim of this volume is to explore the cultural dimension of a wide range of preconstructed or semi preconstructed word combinations in English The 17 papers of the volume are divided into four sections focusing on particular lexemes e g enjoy and its collocates types of word combinations e g proverbs and similes use related varieties such as the language of tourism or answering machine messages and user related varieties such as Aboriginal English or African English The sections are preceded by a prologue tracing the development of the study of formulaic language and followed by an epilogue which draws together the threads laid out in the various papers The relation between language and culture in general has been explored in a number of important works over the past ten years However the study of the relation between English phraseology and culture in particular has been largely neglected This volume is the first book length publication devoted entirely to this topic

Hollywood Shot by Shot Norman K. Denzin, 2017-09-04 To what extent have Hollywood feature films shaped the meanings that Americans attach to alcoholics their families and the alcoholic condition To what extent has the mass culture of the movie industry itself been conceptually shaped by a broad external societal discourse Norman Denzin brings to his life long study of alcoholism a searching interest in how cultural texts signify and lend themselves to interpretation within a social nexus Both historical and diachronic in his approach Denzin identifies five periods in the alcoholism films made between 1932 and the end of the 1980s and offers a detailed critical reading of thirty seven films produced during these six decades

The Last Days of John Lennon James Patterson, 2020-12-07 Discover one of the greatest true crime stories in music history as only James Patterson can tell it With the Beatles John Lennon surpasses his youthful dreams achieving a level of superstardom that defies classification We were the best bloody band there was he says There was nobody to touch us Nobody except the original nowhere man Mark David Chapman Chapman once worshipped his idols

from afar but now harbors grudges against those like Lennon whom he feels betrayed him He's convinced Lennon has misled fans with his message of hope and peace And Chapman's not staying away any longer By the summer of 1980 Lennon is recording new music for the first time in years energized and ready for it to be Just Like Starting Over He can't wait to show the world what he will do Neither can Chapman who quits his security job and boards a flight to New York a handgun and bullets stowed in his luggage The greatest true crime story in music history as only James Patterson can tell it Enriched by exclusive interviews with Lennon's friends and associates including Paul McCartney The Last Days of John Lennon is the thrilling true story of two men who changed history One whose indelible songs enliven our world to this day and the other who ended the beautiful music with five pulls of a trigger *Evading the Issue* Amanda J Field, 2015-03-24 Tino Balio in his book The American Film Industry said that the Production Code meant that American films could not deal with political or social issues in an honest and truthful fashion This incisive essay tests out the legitimacy of Balio's claims using The Lost Weekend directed by Billy Wilder 1945 as an example of the Hollywood problem film Rather than treating the film as being an entity with a single unchanging meaning it is put into its historical and social context in particular the commercial context within which the studios were working The commercial imperatives hardly sat well with the reality of a social problem such as alcoholism and this essay reminds us that the prime aim of the industry was to entertain many of these problem films therefore were as honest and truthful within these confines as it was possible to be Hollywood Auction - April 2013 ,
