Thomas, 2023-08-16 Exploring the Land of Ooo An Unofficial Overview and Production History of Cartoon Network's Adventure Time is a guide through the colorful and exuberant animated television series that initially aired from 2010 to 2018 Created by visionary artist Pendleton Ward the series was groundbreaking and is credited by many with heralding in a new golden age of animation Known for its distinct sense of humor bold aesthetic choices and memorable characters Adventure Time has amassed a fan following of teenagers and young adults in addition to children Popularly and critically acclaimed the show netted three Annie awards eight Emmys and a coveted Peabody In this thorough overview author Paul A Thomas explores the nuances of Adventure Time's characters production history ancillary media and vibrant fandom Based in part on interviews with dozens of the creative individuals who made the show possible the volume comprises a captivating mix of oral history and primary source analysis With fresh insight the book considers the show's guest directed episodes outlines its most famous songs and explores how its characters were created and cast Written for fans and scholars alike Exploring the Land of Ooo ensures that when it comes to Adventure Time the fun truly will never end The Ever-Present Origin Jean Gebser, 2020-08-25 This English translation of Gebser's major work *Ursprung und Gegenwart* Stuttgart Deutsche Verlag 1966 offers certain fundamental insights which should be beneficial to any sensitive scientist and makes it available to the English speaking world for the recognition it deserves The path which led Gebser to his new and universal perception of the world is briefly as follows In the wake of materialism and social change man had been described in the early years of our century as the dead end of nature Freud had redefined culture as illness a result of drive sublimation Klages had called the spirit and he was surely speaking of the hypertrophied intellect the adversary of the soul propounding a return to a life like that of the Pelasgi the aboriginal inhabitants of Greece and Spengler had declared the Demise of the West during the years following World War I The consequences of such pessimism continued to proliferate long after its foundations had been superseded It was with these foundations the natural sciences that Gebser began As early as Planck it was known that matter was not at all what materialists had believed it to be and since 1943 Gebser has repeatedly emphasized that the so called crisis of Western culture was in fact an essential restructuration Gebser has noted two results that are of particular significance first the abandonment of materialistic determinism of a one sided mechanistic causal mode of thought and second a manifest urgency of attempts to discover a universal way of observing things and to overcome the inner division of contemporary man who as a result of his one sided rational orientation thinks only in dualisms Against this background of recent discoveries and conclusions in the natural sciences Gebser discerned the outlines of a potential human universality He

also sensed the necessity to go beyond the confines of this first treatise so as to include the humanities such as political economics and sociology as well as the arts in a discussion along similar lines This was the point of departure of The Ever Present Origin From In memoriam Jean Gebser by Jean Keckeis **Pow-Wow** Tia Greenfield,2008-04-08 Come to Southern Oregon and meet the elders children drummers dancers vendors and other pow wow regulars and hangers on at the annual Wolf Creek pow wow Be there for set up shopping and swapping cooling off in the river You may even want to jump down the waterfall You wouldnt want to miss the tribal salmon feed and potluck supper would you Then theres smudging and drumming around the campfire plus late night high jinx Get up early for the flag raising ceremony the next day and dance at the afternoon pow wow Youre invited to chili night at Pam and Robs camp too What happens though when most of the drum groups counted on for the evening event just disappear Who will save the pow wow That task falls to an unlikely group of make do drummers rounded up at the last minute and aided by Menominee elder Deep Water Hurray They pull it off Dont head home yet The fun is just starting The ceremonial pow wow may be a serious and spiritual celebration of Native American culture but what happens afterwards Join sisters Sarah and Suzanne in the field under the stars for the annual family naming ceremony and walk with them on safety patrol All sorts of things are going on out there and what are those teenagers doing over at the river It may be getting very late but the nights still young Sit in Less teepee as he divides up the drum money from the blanket dance and hang out for marshmallow roasting crazy talk around the campfire and teepee creeping Unfortunately all good things must come to an end but first theres tear down clean up and the raffle But dont worry therell be another pow wow soon and until then just keep on the Good Red Road Kingdom of God, Not a Place Called Heaven Apostle Stanley Onyenali,2013-05 This book of faith makes us to realize that the kingdom of God lives in us rather on us as a location up there The kingdom of God is a spiritual location and not a geographical one It is indeed a Kingdom of God Not a Place Called Heaven Ye as lively stones have been built up into a spiritual house 1 Peter 2 5 shows that man is a spirit even though he has a covering called the body In other words the kingdom of God is a life and not a location even though this life also exists in a location Jesus referred in the scripture about the kingdom of God in us rather on us and said Neither shall they say lo here or lo there behold the kingdom of God is within you Luke17 21 Those actually entering into the kingdom of God are not those just entering the heavens they are not those entering into the earth neither are those entering into the waters But those who are actually entering into the kingdom of God are those entering into Christ and while in Christ no doubt they could exist in any location whether heaven or earth since the kingdom of God is a life Apostle Stanley Onyenali is a minister of the gospel of Christ in Port Harcourt Nigeria He writes because it is an inspiration from the holy spirit teaching me to demystify to the world what the kingdom of God is He is working on his next book Publisher s website <http://sbpra.com> StanleyOnyenali 2 dong benxigu,2024-12-08 This horrible imagination has accompanied me through countless tossing and turning nights like an evil spirit 1 ,2024-12-16 This horrible imagination has accompanied me through
