Richmond,2018-09-10 The publication of this work was we might say forced upon us by the demand before even a page of manuscript was prepared for the press The demand was caused by members of the Temple who recognized the necessity of a printed text book from which they could study the meanings of the cards and their indications under the seven planets These brothers and sisters naturally wished to perfect themselves in emblem reading as rapidly as possible and they could not so perfect themselves without a full and complete set of tables that they could study and refer to at will The next trouble that arose was the question of expense as aside from the printing engraving binding electrotyping and matters of that kind the author s time was and is now so valuable that the item far overbalances those mentioned It was finally decided that the most feasible plan was to get out enough copies to supply more than our immediate membership and to sell them to outsiders under certain restrictions The Publishers Weekly ,1999 **The Collected Novels Volume Two** Alan Sillitoe,2018-05-29 These later novels from the bestselling author of *The Loneliness of the Long Distance Runner* one of the best English writers reflect his imaginative scope The New York Times British novelist Alan Sillitoe powerfully depicted revolt against authority by the young and working class in his best known works of fiction The Washington Post Both *The Loneliness of the Long Distance Runner* and *Saturday Night and Sunday Morning* were international bestsellers and made into acclaimed films The prolific award winning author wrote over fifty books including

the three novels collected in this volume a coming of age story about a young man who reinvents himself a thriller featuring a blind veteran who thwarts a high seas heroin heist for love and a seafaring search for Nazi treasure

The Broken Chariot

The German Numbers

Woman Blinded in the war RAF veteran Howard views the world through radio waves eavesdropping on global affairs and secret transmissions with his mastery of Morse code But when he becomes obsessed with the voice of a female sailor and her mysterious communications his own relationship with his wife begins to dissolve To bring her husband back she introduces him to Richard a fellow code breaking buff But when Richard's dealings in the black market send the female sailor on a dangerous drug run Howard sets off to save her Sillitoe still effectively portrays the psychological idiosyncrasies of British reserve with chilling detail and a tender appreciation for obsessive loners Publishers Weekly

The Lost Flying Boat

A top secret mission sends a crew of Royal Air Force veterans from South Africa to the subarctic Kerguelen Islands At the helm of the seaplane Aldebaran sits the monomaniacal Captain Bennett a man hell bent on unearthing a treasure buried by the Germans in the final days of World War II On the seaplane's radio is the young wireless operator Adcock a man whose morals are soon put to the test as machine guns are mounted on the flying boat's turrets and the thirst for gold may cost the crew their lives Remarkably credible Sillitoe's treasure seekers are well observed human beings The Sunday Telegraph
