

Magicians Magic

Paul Curry

Magicians Magic:

Here Is Real Magic Nate Staniforth, 2018-01-16 An extraordinary memoir about finding wonder in everyday life from magician Nate Staniforth. Nate Staniforth has spent most of his life and all of his professional career trying to understand wonder: what it is, where to find it, and how to share it with others. He became a magician because he learned at a young age that magic tricks don't have to be frivolous. Magic doesn't have to be about sequins and smoke machines; rather, it can create a moment of genuine astonishment. But after years on the road as a professional magician crisscrossing the country and performing four or five nights a week every week, Nate was disillusioned, burned out, and ready to quit. Instead, he went to India in search of magic. Here Is Real Magic follows Nate Staniforth's evolution from an obsessed young magician to a broken wanderer and back again. It tells the story of his rediscovery of astonishment and the importance of wonder in everyday life during his trip to the slums of India, where he infiltrated a three thousand year old clan of street magicians. Here Is Real Magic is a call to all of us to welcome awe back into our lives, to marvel in the everyday, and to seek magic all around us.

Chicago Magic David Witter, 2013-11-05 By the end of America's Golden Age of Magic, Chicago had taken center stage in front of an American audience drawn to the craft by the likes of Harry Houdini and Howard Thurston. Cashing in on a craze that rivaled big band mania, magic shops and clubs sprang up everywhere across the Windy City, packed in customers and put down roots. Over the last century, for example, Magic Inc. has outfitted magicians from Harry Blackstone Sr. to Penn and Teller to David Copperfield. Magic was an integral part of Chicago's culture, from its earliest venture into live television to the card sharps and hucksters lurking in its amusement parks and pool halls. David Witter keeps track of the shell game of Chicago's fascinating magic history, from its vaudeville circuit to its contemporary resurgence. *Magic*, 1908 Magician's Magic

Paul Curry, 2012-09-19 This book by a magician's magician discloses the secrets behind a collection of close-up marvels, including the author's *Out of the World*, reputed to be the best card trick of the past century. **The Complete Book of Spells, Ceremonies, and Magic** Migene González-Wippler, 1988 Theory: What Is Magic?
