Timothy Shary

Magills Cinema Annual 2002:

Magill's Cinema Annual, 2002 Christine Tomassini, Carol A Schwartz, 2002-06-21

Magill's Cinema Annual

Christine Tomassini, 2003-05-16 Magill's Cinema Annual provides comprehensive information on the theatrical releases of each year. Featured are extensive essays, cast and character listings, production credits, running time, country of origin, MPAA rating, nine comprehensive indexes, and more. [American Film Musical Themes and Forms](#) Michael Dunne, 2014-12-24 The musical has been called the most popular form of entertainment in the world. This work examines the subjects, themes, and contemporary relevance of Hollywood musicals through their long popularity, placing each show in historical and political context and analyzing it in detail. A chapter is devoted to how *Gold Diggers of 1933* (1933) and *Stand Up and Cheer* (1934) deal with the economic crises of the Depression. Another addresses race issues by examining the prevalence of blackface minstrelsy in the 1930s and 1940s, looking at productions like *Swing Time* (1936) and *Dixie* (1943). Rock and roll culture, which started in the 1950s and threatened America with teenage sex and rebellion, is addressed through such hits as *Girl Crazy* (1943), *Bye Bye Birdie* (1963), and *Grease* (1978). The work also explores dance as a signifier of character, the geography of musicals such as *New York or the South*, fantasy settings like *Fred Astaire and Gene Kelly*, and the musical biopic, mentioning biographies of such figures as *Ziegfeld*, *Cohan*, *Rogers and Hart*, *Cole Porter*, and *Jerome Kern*. A later chapter discusses intertextuality in such shows as *Singin' in the Rain* (1952), which refers to many earlier musicals, *Kiss Me Kate* (1953), which refers to *Taming of the Shrew*, and *All That Jazz* (1970), which refers to the life and work of Bob Fosse. The work concludes with an examination of the continuing popularity of the musical with such hits as *Moulin Rouge* (2001) and *Chicago* (2002).

Scarlett Johansson Kim R.

Holston, Warren Hope, 2021-07-05 Despite her prominence as an actress, fashionista, social activist, and the sexiest woman in the world, Scarlett Johansson has kept her life private. Her work ethic has been strong since her film debut in *North* (1994) at age 10. Then in 2003, *Lost in Translation* brought kudos and launched her adult career. While she never abandoned the independents, Johansson became a leading lady in very big films, including eight outings as former Russian assassin Black Widow, thwarting alien incursions in *The Avengers* and other films in the Marvel Universe. This book surveys Johansson's life and films from childhood to her 2019 Academy Award nominations for *Jojo Rabbit* and *Marriage Story*. Each film entry includes a plot synopsis, extracts from contemporary reviews, behind-the-scenes information, and the author's analysis of the film. Looked at in depth are the three Woody Allen collaborations, her role as Black Widow, and the films in which she becomes the other. [Millennial Masculinity](#) Timothy Shary, 2012-12-17 Film and television scholars as well as readers interested in gender and sexuality in film will appreciate this timely collection. **The Unseen Force** John Kenneth Muir, 2004-05

Applause Books Following his highly successful *An Askew View: The Films of Kevin Smith*, Applause's John Kenneth Muir now turns to the life and work of legendary cult film director Sam Raimi. Raimi exploded on the movie scene in 1982 when he was

23 years old with the audacious independently produced horror film *The Evil Dead Re* igniting the horror genre to such a degree that Wes Craven credited Raimi on screen in *A Nightmare on Elm Street* Raimi went on to direct two *Evil Dead* sequels his own comic book superhero *Darkman* and an over the top post modern western *The Quick and the Dead* Raimi's influence on other filmmakers continues to be enormous from the shaky cam shots of the Coen brothers to the early oeuvre of *Lord of the Rings* director Peter Jackson both of whom have been termed the direct progeny of Raimi's works In 2002 Raimi's *Spider Man* had the biggest opening weekend in history earning more than 114 million at the box office *The Unseen Force* also features a sneak peek at the much anticipated *Spider Man 2* Included are 30 first person accounts and interviews from a number of eclectic sources from the cinematographers who shot Raimi's early films to the producers screenwriters actors special effects magicians and composers who collaborated to make his films the stuff of legend earn mainstream success and still be the focus of obsessive cult followings

Index to American Reference Books Annual, 2000 **The Cinema of Francesco Rosi** Gaetana Marrone, 2020

Francesco Rosi is one of the great realist artists of post war Italian indeed post war world cinema In this book author Gaetana Marrone explores the rich visual language in which the Neapolitan filmmaker expresses the cultural icons that constitute his style and images Over the years Rosi has offered us films that trace an intricate path between the real and the fictive the factual and the imagined His films show an extraordinarily consistent formal balance while representing historical events as social emblems that examine shape and reflect the national self They rely on a labyrinthine narrative structure in which the sense of an enigma replaces the unidirectional path leading ineluctably to a designated end and solution Rosi's logical investigations are conducted by an omniscient eye and translated into a cinematic approach that embraces the details of material reality with the panoramic perspective of a dispassionate observer This book offers intertextual analyses within such fields as history politics literature and photography along with production information gleaned from Rosi's personal archives and interviews It examines Rosi's creative use of film as document and as spectacle It is also a study of the specific cinematic techniques that characterize Rosi's work and that visually compositionally express his vision of history and the elusive truth of past and present social and political realities

American Reference Books Annual, 2002 Bohdan S. Wynar, Libraries Unlimited, 2002-05 This source of information on contemporary American reference works is intended for the library and information community It has nearly 1600 descriptive and evaluative entries and reviews material from more than 300 publishers in nearly 500 subject areas It should help the user keep abreast of reference publications in all fields answer everyday questions and build up reference collections
