Magna Of Love:

The Love of Christ David Harsha,2025-05-30 In a world that abuses so much the very idea and scriptural doctrine of the love of Christ David Harsha gets us back to what the love of the Savior really means and what is the cost associated with it The author travels with us from the Incarnation of the Son of God through His sufferings and death and applies it to the bestowment of grace to the sinner But he does not stop there He expounds then on how the love of Christ brings comfort in the believer's life in many circumstances from the moments of joy and happiness to those times of affliction and even death He adds then over 25 witnesses of the love of Christ from the history of the Church and ends with bringing the reader to the perspective of being with Christ in glory the very blessedness of the saints This book was originally published in 1857 This edition has been proofread typeset for eBook readers and lightly updated for modern readers Women In Love D. H.

Lawrence,2019-01-11 Women in Love examines the ill effects of industrialisation on the human psyche resolving that individual and collective rebirth is possible only through human intensity and passion **The True Christian's Love for the Unseen Christ** Thomas Vincent,2025-05-30 Christian life is primarily motivated by our love for Christ Without manifesting love to Christ we are as entirely lacking spiritual life as a dead body lacks life when its soul departs for the other world Therefore professing a belief without loving Christ is dead religion and thus a professed believer who has no love to Christ is a dead man dead in transgression and sin Without a biblical love to Christ we may pretend to be Christians but we would lack entirely the true nature of a Christian In treating the true love of Christians towards Christ this book is like any other Puritan devotion intertwined with clear doctrine and sharp biblical precision in statements permeates this book on every page of it You will be unable to put it down and your life and devotion to Christ will be changed forever This book was originally published in 1812 under the title The True Christian's Love for the Unseen Christ The current edition has been proofread typeset for eBook readers and slightly updated for modern readers Women in Love David Herbert

Lawrence,2008 Lawrence explores the complex relationship between two couples in a novel set in a small Midland colliery town For the Love of the Royal Family Roger Bryan,2016-10-13 This rich miscellany celebrates the fascinating history of the British Royal Family from the reign of Egbert King of Wessex to the monarchy of the present day with titillating trivia little known facts bite size biographies and memorable quotations *Theft: A Love Story* Peter Carey,2010-12-09 Narrated by the twin voices of the artist Butcher Bones and his damaged two hundred and twenty pound brother Hugh Theft A Love Story once again displays Peter Carey's extraordinary flair for language Ranging from the rural wilds of Australia to Manhattan via Tokyo it is a brilliant and moving exploration of art fraud friendship and redemption *Women in Love* David Herbert Lawrence,1922 Growing up in the sheltered society of 1920s England Gudrun and Ursula know little about the ways of love So when they pursue thrilling torrid affairs with a notorious playboy and a brooding philanderer what they discover about their lovers and themselves may be more all consuming and dangerously volatile than they ever dared imagine

Container **Love** Simon May, 2019-06-18 What is love May plunders Western poetry philosophy and psychology to find answers Thought provoking stuff The Sunday Telegraph Love unconditional selfless unchanging sincere and totally accepting is worshipped today as the West's only universal religion To challenge it is one of our few remaining taboos In this path breaking and superbly written book philosopher Simon May does just that dissecting our ideas of love and showing how they are the product of a long and powerful cultural heritage Tracing over twenty five hundred years of human thought and history May shows how our idea of love developed from its Hebraic and Greek origins alongside Christianity until during the last two centuries God is love became love is God so hubristic so escapist so untruthful to the real nature of love that it has booby trapped relationships everywhere with deluded expectations Brilliantly May explores the very different philosophers and writers both skeptics and believers who dared to think differently from Aristotle's perfect friendship and Ovid's celebration of sex and the chase to Rousseau's personal authenticity Nietzsche's affirmation Freud's concepts of loss and mourning and boredom in Proust Against our belief that love is an all powerful solution to finding meaning security and happiness in life May reveals with great clarity what love actually is and what it means The most persuasive account of love's nature I have ever read Financial Times Intellectually engaging Provocative The Wall Street Journal **Love that Produces Hope** Kevin F. Burke, Robert Anthony Lassalle-Klein, 2006 Father Ignacio Ellacuria SJ president of the University of Central America leading Latin American philosopher and liberation theologian was assassinated with five Jesuit companions and two women on November 16 1989 Love That Produces Hope bring together leading authorities on key aspects of Ellacuria's thought His biography and writings embody late twentieth century transformations and tensions that reshaped the life of the Catholic Church among the crucified peoples of Central America *The Love of Strangers* Nile Green, 2020-10-13 How a group of Iranian students sought love and learning in Jane Austen's London In July 1815 six Iranian students arrived in London under the escort of their chaperone Captain Joseph D Arcy Their mission was to master the modern sciences behind the rapid rise of Europe Over the next four years they lived both the low life and high life of Regency London from being down and out after their abandonment by D Arcy to charming their way into society and landing on the gossip pages The Love of Strangers tells the story of their search for love and learning in Jane Austen's England Drawing on the Persian diary of the student Mirza Salih and the letters of his companions Nile Green vividly describes how these adaptable Muslim migrants learned to enjoy the opera and take the waters at Bath But there was more than frivolity to their student years in London Burdened with acquiring the technology to defend Iran against Russia they talked their way into the observatories hospitals and steam powered factories that placed England at the forefront of the scientific revolution All the while Salih dreamed of becoming the first Muslim to study at Oxford The Love of Strangers chronicles the frustration and fellowship of six young men abroad to open a unique window onto the transformative encounter between an Evangelical England and an Islamic Iran at the dawn of the modern age This is that rarest of books about the Middle East and the West a story of
