Magnum Force:

Magnum Force, 1997 **Shots in the Mirror** Nicole Hahn Rafter, 2006 Criminologist Nicole Rafter analyses the source of the appeal of crime films and their role in popular culture She argues that crime films both reflect and shape our ideas about fundamental social economic and political issues **Aim for the Heart** Howard Hughes, 2009-07-30 Clint Eastwood is one of the world's most popular action stars who has matured into a fine American producer director Entertaining illuminating and packed with information up to and including *The Changeling* this is the first book to cover his full life in the movies from his beginnings in 1950s B movies and in TV's *Rawhide* to *Gran Torino* showing how as both actor and filmmaker Eastwood aims for the heart of the drama whatever the story Howard Hughes follows Eastwood's craft through over 50 movies He looks at his launch into superstardom in Sergio Leone's 1960s spaghetti westerns *Back in America* he built on his success as western hero with such films as *High Plains Drifter* and *The Outlaw Josey Wales* winning an Oscar for *Unforgiven* in 1992 He blasted his way through the seventies and eighties as Inspector Harry Francis Callahan the last hope for law enforcement in San Francisco He also monkeyed around in two phenomenally popular films with Clyde the orang utan which brought tough guy Eastwood to a whole new audience and made him the biggest box office star of his generation *Aim for the Heart* also looks at Eastwood's more unusual roles including *The Beguiled* *The Bridges of Madison County* and *Million Dollar Baby* Since 1970 he has enjoyed parallel success as director producer of his own Malpaso Productions with *Bird* *Mystic River* and *Letters from Iwo Jima* demonstrating formidable directing credentials *Aim for the Heart* covers all Eastwood's movies of many genres in detail and Eastwood's story is illustrated with film stills glimpses behind the scenes and rare poster advertising material *Aim for the Heart* also includes the most comprehensive credits filmography has ever compiled on Eastwood's work as star and director **Vigilantes** Kevin Grant, 2020-01-03 For many people the cinematic vigilante has been shaped by Charles Bronson's character in *Death Wish* and its sequels But screen vigilantes have taken many guises from Old West lynch mobs and rogue police officers to rape avengers and military trained equalizers This book recounts the varied representations of such characters in films like *The Birth of a Nation* which celebrated the violence of the Ku Klux Klan and *Taxi Driver* *Falling Down* and *You Were Never Really Here* in which the vigilante impulse was symptomatic of mental instability Also considered is the extent to which fictional vigilantism functions as social commentary and to what degree it is simply stoking popular fears **Tragedy in Aurora** Tom Diaz, 2019-10-31 *Tragedy in Aurora* is about the 2012 murder of budding sports journalist Jessica Jessi Redfield Ghawi in a public mass shooting and the widening circle of pain it inflicted on her family friends police medical first responders and others The book is at the same time a deep examination of the causes and potential cures of the quintessential 21st century American sickness public mass shootings At the heart of that examination is an unpacking of America's deep polarization and political gridlock It addresses head on the question of why Why is American gun violence so different from other countries Why does nothing seem to change The Parkland kids

inspired hope of change But the ultimate questions stubbornly remain what should what can and what will Americans do to reduce gun violence Tragedy in Aurora argues that the answer lies in a conscious cultural redefinition of American civic order Over recent decades America has defined a cultural new normal about guns and gun violence Americans express formalistic dismay after every public mass shooting But many accept gun violence as an inevitable even necessary and to some laudable part of what it means to be American Although Americans claim to be shocked with each new outrage so far they have failed to coalesce around an effective way to reduce gun death and injury The debate is bogged down in polarized and profoundly ideological political and cultural argument Meanwhile America continues to lead the globe in its pandemic levels of gun deaths and injuries Combined with the cynical learned helplessness of its politicians the result is gridlock and a growing roll of victims of carnage Is there a path out of this cultural and political gridlock Tragedy in Aurora argues that if America is to reduce gun violence it must expand the debate and confront the fundamental question of who are we Tom Diaz gives a new understanding of American culture and the potential for change offered by the growing number and ongoing organization of victims and survivors of gun violence Without conscious cultural change the book argues there is little prospect of effective laws or public policy to reduce gun violence in general and public mass shootings in particular The Cinema of John Milius Alfio Leotta, 2018-12-06 This book is devoted to the critical study of the cinema of John Milius filling a major gap in the literature by combining the examination of the artistic historical and cultural significance of Milius work with an in depth analysis of his films Although most contemporary film viewers have forgotten him John Milius has been one of the most influential and controversial film makers in the history of American cinema Along with the likes of George Lucas Francis Ford Coppola and Martin Scorsese Milius was a central figure of the so called New Hollywood Milius who gained an Academy Award nomination as screenwriter for Apocalypse Now 1979 reached the apex of his directorial career in the 1980s with films such as Conan the Barbarian 1982 and Red Dawn 1984 More recently he was involved in a series of innovative projects such as the creation of the HBO series Rome 2005 2007 and the invention of the Ultimate Fighting Championship

Blood Money Richard Nowell, 2010-12-23 Scholars have consistently applied psychoanalytic models to representations of gender in early teen slasher films such as Black Christmas 1974 Halloween 1978 and Friday the 13th 1980 in order to claim that these were formulaic excessively violent exploitation films fashioned to satisfy the misogynist fantasies of teenage boys and grind house patrons However by examining the commercial logic strategies and objectives of the American and Canadian independents that produced the films and the companies that distributed them in the US Blood Money demonstrates that filmmakers and marketers actually went to extraordinary lengths to make early teen slashers attractive to female youth to minimize displays of violence gore and suffering and to invite comparisons to a wide range of post classical Hollywood s biggest hits including Love Story 1970 The Exorcist 1973 Saturday Night Fever 1977 Grease and Animal House both 1978 Blood Money is a remarkable piece of scholarship that highlights the many forces that helped establish the teen slasher as a

key component of the North American film industry's repertoire of youth market product **Criminal Behavior** Jacqueline B. Helfgott, 2008-03-13 This textbook provides an interdisciplinary overview of theories of crime explanations of how and why criminal typologies are developed literature reviews for each of the major crime categories and discussions of how theories of crime are used at different stages of the criminal justice process Magnum Force Warner Bros, Clint Eastwood is Dirty Harry **Gene Vincent** Derek Henderson, 2005
