Maharishi's Absolute Theory Of Defence: Sovereignty In Invincibility Maharishi Mahesh Yogi, 1996 Maharishi S Programme To Create A Prevention Wing In Every Military Offers Victory Before War **Craving the Creator** Philip F. Tomlinson Jr., 2014-08-07 Where did we come from Where are we going How can we get there Who is God What is God like To what extent can God be known Are beliefs influenced by our experiences Are experiences shaped by our beliefs How is the superstring field theorized by modern physicists related to us the universe and the Creator Are there higher states of human consciousness Can faith and science provide certain answers Have we abolished wonder mystery and play The nature of God puzzles me From one perspective God appears transcendental beyond my experience distant up in heaven From another perspective God is intimate personal imminent and to be found within me Is there only one God These questions and others have intrigued me on my spiritual journey My Catholic education helped me to identify and clarify them Three master s degrees and a doctorate in physiology helped me to appreciate research methods and to explore secrets of living systems Travels on three continents brought me into contact with people and traditions of other cultures I became a teacher of the Transcendental Meditation program founded by Maharishi Mahesh Yogi I lived under his direct guidance and taught Maharishi Vedic Science Surviving acute sicknesses chronic illness and a car accident helped me to develop a dearer appreciation for human kindnesses and the power mystery and unconditional love of the Creator Sunrises seashells stars and seasonal changes became extraordinary wonders of nature I no longer wished to ignore I reflected on God s omnipresence intelligence and bliss Life tutored me in lessons of the heart I honor all of the stepping stones on my journey In Craving the Creator I share with you in prose and verse some of my experiences inquiries and insights I offer them as food for thought to promote discussion spark clarification and enhance my personal growth and yours Bon app tit **The Post-Colonial Security Dilemma** Rebecca Strating, 2018-11-20 This book examines the development of Timor Leste s foreign policy since achieving political independence in 2002 It considers the influence of Timor Leste s historical experiences with foreign intervention on how the small new state has pursued security The book argues that efforts to secure the Timorese state have been motivated by a desire to reduce foreign intervention and dependence upon other actors within the international community Timor Leste s desire for real independence characterized by the absence of foreign interference permeates all spheres of its international political cultural and economic relations and foreign policy discourse Securing the state entails projecting a legitimate identity in the international community to protect and guarantee political recognition of sovereign status an imperative that gives rise to Timor Leste s aspirational foreign policy The book examines Timor Leste s key bilateral and multilateral diplomatic relations its engagement with the global normative order and its place within the changing Asia Pacific region *An Antidote to Violence* Barry Spivack, Patricia Anne Saunders, 2020-06-26 It s widely accepted that Transcendental Meditation TM can create peace for the individual but can it create peace in society as a whole And if it can

what could possibly be the mechanism In *An Antidote to Violence* Barry Spivack and Patricia Anne Saunders examine the peer reviewed research and suggest that TM can influence the collective consciousness of a society which leads to a decrease in negative social trends such as a decline in war fatalities and to an increase in cooperation between nations Weaving together psychology sociology philosophy statistics politics physics and meditation *An Antidote to Violence* provides evidence that we have the knowledge to reduce all kinds of violence in society

The Big Fish Anna J. Bonshek, Corrina Bonshek, Lee C. Fergusson, 2007 While debate continues in the fields of the sciences and humanities as to the nature of consciousness and the location of consciousness in the brain or as a field phenomenon in the Vedic tradition consciousness has been understood and continues to be articulated as an infinite field of intelligence at the basis of all forms of existence This infinite field of intelligence is accessible to human awareness being the very nature of the mind and the structuring dynamics of the physiology from the DNA to the cell tissues organs and to the whole body and its sophisticated functioning This two part volume *The Big Fish* Consciousness as Structure Body and Space considers in Part One the Vedic approach to consciousness specifically referencing Maharishi Vedic Science and discusses themes pertinent to the arts including perception and cognition memory as awareness history and culture artistic performance and social responsibility observatory instruments as spaces and structures to enhance consciousness and beyond metaphor architectural sites as multi layered enclosures of the brain detailed in the *Shrimad Devi Bhagavatam* and as cosmic habitat or *Vastu* aligned to the celestial bodies Presenting some more general consciousness based readings Part Two includes essays by various authors on Agnes Martin and her views on art perfection and the Classic unified field based education and freedom of expression versus censorship in art prints from the Renaissance to the contemporary era as allegories of consciousness the work of Australian artist Michael Kane Taylor as beyond a modern postmodern dichotomy the photographic series *The Ocean of Beauty* by Mark Paul Petrick referencing the Vedic text the *Saundarya Lahari* a Deleuzian analysis of the dual screen multi arts work *Reverie I* and an account of the making of *Reverie II* a single screen video projection inspired by the idea of dynamics of awareness This book therefore presents a broad range of interests and reading while offering a unique yet profoundly transformative perspective on consciousness

Subtle Activism David Nicol, 2015-08-24 Explores whether consciousness based practices like meditation and prayer can contribute to social change Can awakened consciousness contribute to social change and if so how David Nicol introduces the concept of subtle activism to describe the use of consciousness based practices like meditation and prayer to support collective transformation such as global meditation directed toward peaceful resolution of a conflict Subtle activism represents a bridge between the consciousness movement and the movements for peace environmental sustainability and social justice It is not a substitute for physical action but rather a potentially crucial component of a more integrated approach to social change Although ancient lore is rife with tales of shamans and adepts intervening on spiritual levels for the benefit of humanity this book is the first comprehensive treatment of this topic Nicol grounds his consideration

in the available scientific research and in dialogue with a broad range of thinkers in the fields of consciousness studies transpersonal theory and New Paradigm thought Many good books are published each year but important books are harder to come by One of the marks of a truly important book is that it challenges our deeply held convictions about what is real and what is possible in the world It opens new intellectual horizons by showing us previously hidden connections David Nicol s *Subtle Activism* is an important book a very important book from the Foreword by Christopher M Bache **Pointless** RW Boyer,2020-10-29 This book examines how major interpretations of quantum theory are progressing toward a more unified understanding and experience of nature It offers subtle insights to address core issues of wave particle duality the measurement problem the mind body problem determinism indeterminism free will and the nature of consciousness It draws from physics consciousness studies and ancient Vedic science to outline a new holistic interpretation of quantum theory Accessible and thought provoking it will be profoundly integrating for scholars and researchers in science and technology in philosophy and also in South Asian studies *Prescribing Health* David F. O'Connell,Deborah L. Bevvino,2015-06-11 *Prescribing Health* Transcendental Meditation in Contemporary Medical Care includes important contributions from leading experts on Transcendental Meditation and health and provides the reader with the most important cutting edge health research on the effects of Transcendental Meditation TM on serious mental health problems and medical disorders It features practical proven programs to improve health outcomes decrease morbidity mortality and reduce health care costs with a wide range of patient populations The authors explore advances in neuroscience and the brain changes associated with not only the impact of TM on health recovery but also the effects of meditation in daily activity and permanent changes in neuropsychological functioning resulting from the purification of consciousness through meditation Included is coverage of an ancient yet newly introduced approach to therapy Vedic Psychotherapy and methods for integrating Transcendental Meditation and other Vedic health approaches into primary medical care **Enlightenment** ,1998 *Ideal India* ,2001
