Maid Matelot Lady Rozelle Raynes, 2004 **MAID MATELOT** ROZELLE. RAYNES, 2022 **Uncommon Courage** Julia Jones, 2022-03-17 An extraordinary account of heroism and sacrifice An unexpected and important story rivetingly told Rip roaring stuff Get this into the paws of the sea dog in your life Griff Rhys Jones A book that had to be written Let s Talk People ashore don t realise what a grim war we are waging at sea with the Germans A cold blooded war in a way I think requiring the maximum of bravery from the men of both sides in the long run as it is so ceaseless and intangible You just don t know whether the next moment will be your last Robert Hitchens RNVSR Several years ago Julia Jones was searching through long forgotten items stored at her house and discovered some suitcases of old written material which turned out to be accounts by her father of his experiences in the RNVSR Royal Naval Volunteer Supplementary Reserve She realised that as a child she d met some of the people mentioned and although she was too young to truly know them these youthful impressions spurred her on to rediscovery and understanding In this absorbing book Julia tells the compelling stories of the yachtsmen Some were famous such as Sir Peter Scott others were wealthy such as August Courtauld who returned his pay to help with the war effort but the majority were just ordinary professionals such as publishers lawyers and advertising agents who signed up because they loved sailing Few could ever have dreamed that they would end up acting in areas that were so far beyond their normal lives as they found themselves commanding destroyers and submarines and undertaking covert missions of sabotage Some undertook the dangerous daily drudgery of minesweeping others tackled unexploded bombs engaged the enemy in high speed attacks or played key roles in Ian Fleming s famous intelligence commandos This varied crew of men were given tasks vital to the war effort requiring endurance extraordinary bravery resourcefulness and quick thinking Some died in the process but for the ones who survived Julia asks how their experiences changed them Could their love of sailing and the sea survive the harsh realities of war **The WRNS in Wartime** Hannah Roberts, 2017-11-24 The Women s Royal Naval Service WRNS was created in 1917 re formed in 1938 and maintained after 1945 This book determines for the first time the reasons for the expansion and contraction of the service and the impact key individuals had on it and in turn the influence it had on its members Hannah Roberts offers new insights into a previously little studied British military institution which celebrates its centenary in 2017 She shows how political and military decision making within the fluctuating national security situation coupled with a growing cultural acceptability of women taking on military roles allowed for the growth of the service in World War II into realms never expected of women Although it shared a similar pattern in its formation to the Auxiliary Territorial Service ATS and had a similar ethos to its Air Force counterpart the WAAF the WRNS took on a wider ranging role in the war in part due to the latitude afforded to the service because of its uniquely independent origins From 1941 onward the WRNS spread internationally and subverted the combat taboo by adopting semi combatant roles Using twenty one new oral histories and a multitude of archived personal documents this book demonstrates the pivotal importance

of the Women's Royal Naval Service in both the world wars Lloyd's Register of Yachts 1964 Lloyd's Register Foundation, 1964-01-01 The Lloyd's Register of Yachts was first issued in 1878 and was issued annually until 1980 except during the years 1916-18 and 1940-46 Two supplements containing additions and corrections were also issued annually The Register contains the names details and characters of Yachts classed by the Society together with the particulars of other Yachts which are considered to be of interest illustrates plates of the Flags of Yacht and Sailing Clubs together with a List of Club Officers an illustrated List of the Distinguishing Flags of Yachtsmen a List of the Names and Addresses of Yacht Owners and much other information For more information on the Lloyd's Register of Yachts please click here <https://www.lloydshandbook.com/> Normandy '44 James Holland, 2019-06-04 A history of World War II's Operation Overlord from the campaign's planning to its execution as Allied forces battled to take France back from Germany D Day June 6 1944 and the seventy six days of bitter fighting in Normandy that followed the Allied landing have become the defining episode of World War II in the west the object of books films television series and documentaries Yet as familiar as it is as James Holland makes clear in his definitive history many parts of the Overlord campaign as it was known are still shrouded in myth and assumed knowledge Drawing freshly on widespread archives and on the testimonies of eye witnesses Holland relates the extraordinary planning that made Allied victory in France possible indeed the story of how hundreds of thousands of men and mountains of materiel were transported across the English Channel is as dramatic a human achievement as any battlefield exploit The brutal landings on the five beaches and subsequent battles across the plains and through the lanes and hedgerows of Normandy a campaign that in terms of daily casualties was worse than any in World War I come vividly to life in conferences where the strategic decisions of Eisenhower Rommel Montgomery and other commanders were made and through the memories of paratrooper Lieutenant Dick Winters of Easy Company British corporal and tanker Reg Spittles Thunderbolt pilot Archie Maltbie German ordnance officer Hans Heinze French resistance leader Robert Leblanc and many others For both sides the challenges were enormous The Allies confronted a disciplined German army stretched to its limit which nonetheless caused tactics to be adjusted on the fly Ultimately ingenuity determination and immense materiel strength delivered with operational brilliance made the difference A stirring narrative by a pre eminent historian Normandy 44 offers important new perspective on one of history's most dramatic military engagements and is an invaluable addition to the literature of war Praise for Normandy 44 An Amazon Best Book of the Month History An Amazon Best History Book of the Year Detail and scope are the twin strengths of Normandy 44 Mr Holland effectively balances human drama with the science of war as the Allies knew it Jonathan W Jordan Wall Street Journal A superb account of the invasions that deserves immense praise To convey the human drama of Normandy requires great knowledge and sensitivity Holland has both in spades Times UK *Britannia's Daughters* Ursula Stuart Mason, 2020-01-24 A comprehensive history of the Women's Royal Naval Service of Great Britain in the twentieth century The Women's Royal Naval Service was formed in

1917 when the call was for volunteers to release a man for sea service At the peak there was over 5 000 women serving in Britain and overseas but efforts to maintain the service in peace time were unsuccessful It was to be 1939 when the Second World War threatened before the Wrens were reformed Theirs was a different and altogether more demanding role which involved the carrying out of some highly secret and responsible duties and many more of them served outside Britain By 1945 there were over 75 000 officers and ratings and when the War ended and those who wished were demobilized a permanent Service was set up providing a career for women alongside men of the Royal Navy This is their story often told in their own words which mirrors the changing place of women in our society in a century of tremendous social progress Features a forward by HRH The Princess Royal

Women's Lives and Clothes in WW2 Lucy Adlington, 2019-10-30 An illustrated history of World War II era women's fashions featuring ladies from all nations involved in conflict What would you wear to war How would you dress for a winter mission in the open cockpit of a Russian bomber plane At a fashion show in Occupied Paris Singing in Harlem or on fire watch in Tokyo Women's Lives and Clothes in WW2 is a unique illustrated insight into the experiences of women worldwide during World War II and its aftermath The history of ten tumultuous years is reflected in clothes fashion accessories and uniforms As housewives fighters fashion designers or spies women dressed the part when they took up their wartime roles Attractive to a general reader as well as a specialist Women's Lives and Clothes in WW2 focuses on the experiences of British women then expands to encompass every continent affected by war Woven through all cultures and countries are common threads of service survival resistance and emotion Historian Lucy Adlington draws on interviews with wartime women as well as her own archives and costume collection Well known names and famous exploits are featured alongside many never before told stories of quiet heroism You'll indulge in luxury fashion bridal ensembles and enticing lingerie as well as thrifty make do and mend You'll learn which essential garments to wear when enduring a bomb raid and how a few scraps of clothing will keep you feeling human in a concentration camp Women's Lives and Clothes in WW2 is richly illustrated throughout with many previously unpublished photographs 1940s costumes and fabulous fashion images History has never been better dressed

[The Silent Day](#) Max Arthur, 2014-05-22 On 6 June 1944 Britain woke up to a profound silence Overnight 160 000 Allied troops had vanished and an eerie emptiness settled over the country The majority of those men would never return This is the story of that extraordinary 24 hours Using a wealth of first person testimonies renowned historian Max Arthur recounts a remarkable new oral history of D Day beginning with the two years leading up to the silent day which saw the UK transformed by the arrival of thousands of American and Canadian troops We also hear the views of the American troops who quickly formed strong views of both the British military and civilian populations Then on that June morning many Britain people woke up to discover that vast areas of the country which had throbbed with life only the day before were now empty and silent Civilian workers found coffee pots still warm on the stove but not a soul to greet them Many women and children felt bewildered and betrayed Then throughout that day and the days

that followed the whole population gathered around wireless sets waiting for news There are powerful testimonies from families of who lost loved ones on the beaches of Normandy and dramatic personal accounts from young widows who had never had the chance to say goodbye THE SILENT DAY is an original and evocative portrait of a key event in world history and a poignant reminder of the human cost of D Day From Cabin 'Boys' to Captains Jo Stanley, 2016-04-04 Traditionally a woman's place was never on stormy seas But actually thousands of dancers purserettes doctors stewardesses captains and conductresses have taken to the waves on everything from floating palaces to battered windjammers Their daring story is barely known even by today's seamen From before the 1750s women fancying an oceangoing life had either to disguise themselves as cabin boys or acquire a co-operative husband with a ship attached Early pioneers faced superstition and discrimination in the briny monasteries Today women captain cruise ships as big as towns and work at the highest level in the global maritime industry This comprehensive exploration looks at the Merchant Navy comparing it to the Royal Navy in which Wrens only began sailing in 1991 Using interviews and sources never before published Jo Stanley vividly reveals the incredible journey across time taken by these brave and lively women salts
