Maidens Abduction:

The Maiden's Abduction Juliet Landon, 2012-04-16 FEUDING FAMILIES The Medwins and the La Vallons were longtime enemies After Silas La Vallon's sister was taken by the Medwins the wealthy merchant had no choice but to retaliate and abduct Medwin's daughter Isolde Held captive in his house then taken abroad to Belgium the beautiful hellion softened to Silas's sweet words and gentle kisses during the long days and longer nights But Isolde could not forget he was a La Vallon and she was a Medwin Theirs was a love that could never be

The Locrian Maidens James Redfield, 2021-01-12 Athens dominates textbook accounts of ancient Greece But was it for the Greeks themselves a model city state or a creative even a corrupt departure from the model Or was there a model This book reveals Epizephyrian Locri a Greek colony on the Adriatic coast of Italy as a third way in Greek culture neither Athens nor Sparta Drawing on a wide range of literary and archaeological evidence James Redfield offers a fascinating account of this poorly understood Greek city state and in particular the distinctive role of women and marriage therein Redfield devotes much of the book to placing Locri within a more general account of Greek culture particularly with the institution of marriage in relation to private property sexual identity and the fate of the soul He begins by considering the annual practice of sending two maidens from old world Locris the putative place of origin of the Italian Locrians to serve in the temple of Athena at Ilion finding here some key themes of Locrian culture He goes on to provide a richly detailed overview of the Italian city in a set of iconographic essays he suggests that marriage was seen in Locri as a life transformation akin to the eternal bliss hoped for after death Nothing less than a general reevaluation of classical Greek society in both its political and theological dimensions The Locrian Maidens is must reading for students and scholars of classics while remaining accessible and of particular interest to those in women's studies and to anyone seeking a broader understanding of ancient Greece

The Disaster of the Third Princess Royall Tyler, 2009-06-01 These seven essays by the most recent English translator of The Tale of Genji emphasize three major interpretive issues What is the place of the hero Hikaru Genji in the work What story gives the narrative underlying continuity and form And how does the closing section of the tale especially the ten Uji chapters relate to what precedes it Written over a period of nine years the essays suggest fresh thought provoking perspectives on Japan's greatest literary classic

Sexual Hospitality in the Hebrew Bible Thalia Gur-Klein, 2014-10-20 A woman's life in the ancient world was constrained by her social and economic status As a daughter she was firmly under the aegis of her father and brothers who would later allocate the woman to another man as his wife The power of fathers and husbands extended to using their wives and daughters as sexual gifts to gain favour Yet alongside this woman had certain socio economic rights notably concerning inheritance and property which they could use to protect themselves Sexual Hospitality in the Hebrew Bible examines sacred sexuality and ritual fecundity from patronymic marriage where the husband claims exclusive rights over his wife's sexuality and attributes her offspring to his line and kin to metronymic conjugal systems which allow a woman to remain in her home

where the male consort joins her and her kin Ranging across abstention promiscuity and holy offering the sexual lives of women in biblical times reveal not only restriction but also female agency and resistance

A History of Alcman's Early Reception Vasiliki Kousoulini, 2019-04-16 This book constructs a history of Alcman's early reception from the Archaic times until the Hellenistic period from the composition of his poetry until its first attested systematic edition taking into consideration the existence of a tradition of partheneia and its implications Can it be suggested that the emerging book culture killed the song culture Was Alcman an archetypal prototype of an archaic genre partheneia and regarded as a historical figure This book answers such questions arguing that the tradition of partheneia was never powerful enough especially outside Sparta in order to completely absorb the poet

MAIDEN VOYAGE M. I. SPEER, 2017-03-10 I love this book AMAZON CUSTOMER Great book very good reading AMAZON CUSTOMER I truly enjoyed reading Maiden Voyage AMAZON CUSTOMER Clip Chapter 15 Captain Drake Captain Drake He looked up it was Karina even more beautiful in the moonlight and coming straight toward him with her arm extended and holding something shiny in her hand that he recognized as the missing gold cufflink He increased his pace and as he reached for the cufflink with his left hand the touch ignited him with a sudden desire to feel her soft full lips and in one swift moment wrapped his right arm around her waist arching her back slightly as he covered her lips with his own the arresting moment caused Karina to let out a small moan as she fell into his fiery embrace Sensing acceptance the kiss deepened Karina Gunther called Frightened Karina gasped and broke the embrace 1790 A dashing captain is shockingly pleased to discover his half brother's beautiful runaway bride aboard his ship Then the disgruntled groom sends pirates after them A romantic adventure on the high seas

The Road to Eleusis R. Gordon Wasson, Albert Hofmann, Carl A. P. Ruck, 2023-06-27 Unlock the secrets of the Eleusinian Mysteries A deep exploration of secret rites psychedelic sacraments and spiritual revelations that captivated ancient Greek society for nearly two millennia Uncover the evocative history of The Road to Eleusis Once held in hushed whispers the Eleusinian Mysteries were a series of secret rituals and initiations in honor of the goddesses Demeter and Persephone They stood as an enigmatic cornerstone of ancient Greek spirituality capturing imaginations and fevered intrigue for close to two millennia But beneath the veils of tradition and ceremony lay a potent secret First unveiled in this book's controversial 1978 release a groundbreaking trio a mycologist chemist and historian proposed a radical theory the sacred potion imbibed during these clandestine rites was infused with a potent psychoactive entheogen This was not just a challenge to conventional interpretations it was a revolutionary reframing of the role that naturally occurring psychedelic drugs have played in spiritual rituals and rites since time immemorial The Road to Eleusis goes beyond dissecting ancient rites it charts how the authors reshaped our modern understanding of entheogens role in spiritual ceremony revealing facets of the Mysteries previously thought lost to history The authors share intriguing new insights on experiential religious practices perspectives on the healing potential of psychedelics and how and why the secrets of the Mysteries were deliberately concealed The book's

revelations reach beyond the scholarly into legal social and spiritual realms all while recasting everything we thought we knew about the rites and rituals of Hellenic cults and expanding our understanding of foundational tenets of Western philosophical and spiritual thought This 30th anniversary edition brings with it an enlightening preface by religious luminary Huston Smith and a renewed exploration of the chemical findings by Peter Webster It powerfully argues for a reimagining of Western religious history and the transformative magic of entheogens **The Athenian Adonia in Context** Laurialan Reitzammer, 2016-05-11 A fresh examination of a marginalized women s festival that influenced Athenian art drama philosophy and public institutions **Betrayed, Betrothed and Bedded** Juliet Landon, 2014-07-01 THE GAME OF LOVE IS A DANGEROUS ONE IN THE COURT OF HENRY VIII Betrayed by an ambitious father forcibly betrothed to the handsome yet enigmatic Sir Jon Raemon and soon to be bedded by the covetous King Henry Virginia D Arvall is the female pawn in a masculine game of desire power and lust Ginny is determined to keep her honor but in these dangerous courtly games she will need to have her wits about her like never before Will she realize that in Sir Jon she may just have all the love and protection she needs to survive *Satie the Bohemian* Steven Moore Whiting, 1999-02-18 Erik Satie 1866 1925 came of age in the bohemian subculture of Montmartre with its artists cabarets and caf s concerts Yet apologists have all too often downplayed this background as potentially harmful to the reputation of a composer whom they regarded as the progenitor of modern French music Whiting argues on the contrary that Satie s two decades in and around Montmartre decisively shaped his aesthetic priorities and compositional strategies He gives the fullest account to date of Satie s professional activities as a popular musician and of how he transferred the parodic techniques and musical idioms of cabaret entertainment to works for concert hall From the esoteric *Gymnop* dies to the bizarre suites of the 1910s and avant garde ballets of the 1920s not to mention music journalism and playwriting Satie s output may be daunting in its sheer diversity and heterodoxy but his radical transvaluation of received artistic values makes far better sense once placed in the fascinating context of bohemian Montmartre
