The Main Streets of Oklahoma: Okie Stories from Every County Kristi Eaton, 2014-10-14 It's the heart of every community in the Sooner State. It's where people go to eat, shop, and socialize. It's where Woods County reenacts the Freedom Bank Robbery and Shootout and where Grant County displays Twister memorabilia. Oklahoma residents are embracing Main Street, celebrating and revitalizing local history. Author Kristi Eaton crisscrosses the state exploring each of the seventy-seven counties to find quirky stories like Elmore City's ties to Footloose and hidden tales like the real reason Wetumka celebrates Sucker Day. It's a celebration of the unique events, landmarks, people, and heritage of this aptly named thoroughfare. *Main Street, New Hampshire* Bruce D. Heald, 2003 The roots of many cherished American traditions may be found on the main streets of New Hampshire towns. Often the heart of a town's social, political, and economic life, main streets offer a sense of identity, dignity, and serenity. Through images, Main Street New Hampshire reflects the romance and nostalgia of the past and showcases the sights and memorials of several important New Hampshire places including Concord, Keene, Nashua, Rochester, Laconia, Exeter, Newmarket, and others. These images, many dating from as early as 1860, reflect the activity, architecture, transportation, and recreation at the heart of each community. **Main Street Revisited** Richard V. Francaviglia, 1996-06 Popular culture. Francaviglia looks sympathetically but realistically at the ways in which Main Street's image developed and persists. He reaffirms that life can imitate art; that the cherished icons surrounding Main Street have become the substance of popular culture. Ultimately, his book is about the material culture that architects, town developers, and image makers have left us as their legacy. Seen through the lives of the visionaries who created them in their **Highway Traffic in Wisconsin Cities** Wisconsin. Division of Highways, 1955 **Women and the Everyday City** Jessica Ellen Sewell, 2011 In *Women and the Everyday City*, Jessica Ellen Sewell explores the lives of women in turn-of-the-century San Francisco. A period of transformation of both gender roles and American cities, she shows how changes in the city affected women's ability to negotiate shifting gender norms as well as how women's increasing use of the city played a critical role in the campaign for women's suffrage. Focusing on women's everyday use of streetcars, shops, restaurants, and theaters, Sewell reveals the impact of women on these public places: what women did there, which women went there, and how these places were changed in response to women's presence. Using the diaries of three women in San Francisco—Annie Haskell, Ella Lees Leigh, and Mary Eugenia Pierce—who wrote extensively on their everyday experiences, Sewell studies their accounts of day trips to the city and combines them with memoirs, newspapers, maps, photographs, and her own observations of the buildings that exist today to build a sense of life in San Francisco at this pivotal point in history. Working at the nexus of urban history, architectural history, and cultural geography, *Women and the Everyday City* offers a revealing portrait of both a major American city during its early years and the women who shaped it and the country for generations to come. *Advisory List to the National Register of Historic Places, 1969* United States.
