Main Travelled Roads A Signet Classic:

Main-travelled Roads Hamlin Garland, 1962 *Main Travelled Roads* contains eleven stories in this expanded and revised 1922 edition of an undisputed American classic *Under the Lion's Paw* shows an honest hard working farmer victimized by a greedy landlord Equally powerful is the semi autobiographical *Up the Coolly* concerning a successful son who returns from the East to find his mother and brother trapped on a poor farm defeated in spite of their best efforts *Mrs Ripley's Trip* is a tender story of an elderly couple settled in their frugal country ways with the wife determined to realize her dream of revisiting childhood scenes Although Garland paints no pretty pictures he offers exhilarating moments in the lives of these farm people and never ignores the strength of individual will William Dean Howells's introduction to the 1922 edition has been retained

MAIN-TRAVELLED ROADS HAMLIN GARLAND, 1962 The Signet Classic Book of American Short Stories Burton Raffel, 2004-11-02 The best of American short fiction Spanning over 100 years of literary history here are 33 of the finest short stories by Washington Irving Nathaniel Hawthorne Edgar Allan Poe Herman Melville Harriet Beecher Stowe Bret Harte Bayard Taylor Rose Terry Cooke Ambrose Bierce Hamlin Garland Mary E Wilkens Freeman Henry James Charlotte Perkins Gilman Sarah Orne Jewett Grace Elizabeth King Harold Frederic Kate Chopin Stephen Crane Edith Wharton Mark Twain Jack London F Hopkinson Smith Zona Gale O Henry Sherwood Anderson Ernest Hemingway John Dos Passos Stephen Vincent Benet Willa Cather William Faulkner James Thurber F Scott Fitzgerald William Saroyan

Great Plains Literature Linda Ray Pratt, 2018-03-01 *Great Plains Literature* is an exploration of influential literature of the Plains region in both the United States and Canada It reflects the destruction of the culture of the first people who lived there the attempts of settlers to conquer the land and the tragic losses and successes of settlement that are still shaping our modern world of environmental threat ethnic and racial hostilities declining rural communities and growing urban populations In addition to featuring writers such as Ole Edvart Rølvaag Willa Cather and John Neihardt who address the epic stories of the past *Great Plains Literature* also includes contemporary writers such as Louis Erdrich Kent Haruf Ted Kooser Rilla Askew N Scott Momaday and Margaret Laurence This literature encompasses a history of courage and violence aggrandizement and aggression triumph and terror It can help readers understand better how today's threats to the environment clashes with Native people struggling small towns and rural migration to the cities reflect the same forces that were important in the past

The Presidents of American Fiction Michael J. Blouin, 2022-11-03 *The Presidents of American Fiction* brings together American literature history and political science to explore the most influential fictionalized accounts of the presidency from the early 19th century to the time of Trump Of late popular understandings of the presidency are being radically re-written consider for example the distinctive myths that accompanied the ascent of the Obama and Trump administrations and many readers of all stripes are radically reimagining the office and its holder Placing these changes within a broader cultural context Michael J Blouin investigates narratives involving fictional presidents from the supposedly factual to the outright

fantastical within their distinct literary and historical moments The author considers representative texts including works penned by James Fenimore Cooper from the Jacksonian moment Gore Vidal in the age of Nixon and Vietnam and Philip Roth in the neoliberal period Through detailed readings that question how American presidents function as characters within the popular imagination this book examines the presidency as a complex ever evolving trope and in so doing enhances our appreciation of American literature s inextricable link with American politics New Mexico Quarterly ,1962

The Uses of Variety Carrie Tirado BRAMEN, Carrie Tirado Bramen, 2009-06-30 The turn of the last century amid the excesses of the Gilded Age variety became a key notion for Americans a sign of national progress and development reassurance that the modern nation would not fall into monotonous dullness or disorderly chaos Carrie Tirado Bramen pursues this idea through the works of a wide range of regional and cosmopolitan writers journalists theologians and politicians who rewrote the narrative of American exceptionalism through a celebration of variety Exploring cultural and institutional spheres ranging from intra urban walking tours in popular magazines to the 1893 World s Parliament of Religions in Chicago she shows how the rhetoric of variety became naturalized and nationalized as quintessentially American and inherently democratic By focusing on the uses of the term in the work of William James Anna Julia Cooper W E B Du Bois Hamlin Garland and Wong Chin Foo among many others Bramen reveals how the perceived innocence and goodness of variety were used to construct contradictory and mutually exclusive visions of modern Americanism Bramen s innovation is to look at the debates of a century ago that established diversity as the distinctive feature of U S culture In the late nineteenth century conception which emphasized the openness of variety while at the same time acknowledging its limits she finds a useful corrective to the contemporary tendency to celebrate the United States as a postmodern melange or a carnivalesque utopia of hybridity and difference

Table of Contents Introduction Americanizing Variety I The Ideological Formation of Pluralism 1 William James and the Modern Federal Republic 2 Identity Culture and Cosmopolitanism II The Aesthetics of Diversity 3 The Uneven Development of American Regionalism 4 The Urban Picturesque and Americanization III Heterogeneous Unions 5 Biracial Fictions and the Mendelist Allegory 6 East Meets West at the World s Parliament of Religions Afterword In Defense of Partiality Notes Works Cited Acknowledgments Index

Reviews of this book Bramen brings dogged research and steady focus to a central ambiguity in the American ethos Her study delivers several powerful messages even plain talking people can understand For one Bramen shows that issues of ethnic diversity and variety far from being epiphenomena of the last few decades course through our history and spotlight the ambiguities in what it means to be an American The Uses of Variety boasts gems of past cultural history that remind us these are perennial issues Bramen s penetrating expedition through the nuances of America s breast beating about diversity within unity concentrates the mind Out of many examples comes an important book a flinty challenge to intellectual complacency about ourselves Carlin Romano Philadelphia Inquirer The Uses of Variety is a significant addition to and revision of a century of American pragmatist thinking about difference Bramen

brings new conceptual tools to bear on the history of multicultural thought and literature and thereby avoids the common pitfalls to produce an important survey and synthesis Tom Lutz author of *American Nervousness 1903 An Anecdotal History* and editor of *These Colored United States African American Essays from the 1920s* Carrie Bramen offers a compelling intellectually rigorous history of the protean idea of pluralism a concept that has been embraced heartily by both liberals and conservatives as essential in defining American identity Situating pluralism in philosophical psychological aesthetic and political contexts Bramen brings a fresh perspective to illuminating the meaning of the term for late Victorian America and significantly its legacy for us today Linda Simon author of *Genuine Reality A Life of William James* Taking William James s pluralistic universe as a starting point *The Uses of Variety* takes us through regions ghettos religious congresses and a range of theoretical philosophical and literary works to explore the multiple and often conflicting constructions of variety in the context of turn of the century U S nationalism and cosmopolitanism Carrie Tirado Bramen brings together a broad spectrum of historical events and cultural theories in which variety variously expressed contained and shaped an increasing diversity that was perceived as threatening national coherence This insightful thoroughly researched and timely work will be indispensable for scholars interested in U S nationalism modernism cosmopolitanism and multiculturalism Priscilla Wald author of *Constituting Americans Cultural Anxiety and Narrative Form*

Catalog of Copyright Entries. Third Series
Library of Congress. Copyright Office, 1964 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December

A Map of Vernacular Regions in America Ruth Feser Hale, 1978 *The Future of Reading* Eric Purchase, 2019-03-08 Why do we read What happens to our imaginations when we read To our knowledge What creative forces are unleashed What are the wider implications of all of this In a truly engaging and accessible style *The Future of Reading* looks at the very experience of reading not just the consumption and interpretation of texts but also reading as an artistic process that demands creative freedom and unfolds from deep in the soul Rather than analysing or critiquing texts this book examines what happens to us when we read the complex human experience which frees us from certain boundaries and constraints and then looks at how we can use this freedom of mind to creatively tackle much larger issues in the world Eric Purchase argues that creative reading enables us to generate answers for complex real world problems that cut across fields of knowledge and therefore defy solution by experts Enjoyable challenging unique and astute this book will open up the reading experience for students and all readers interested in using literature and reading as a positive force in their lives and the world

Yeah, reviewing a book **Main Travelled Roads A Signet Classic** could accumulate your close contacts listings. This is just one of the solutions for you to be successful. As understood, success does not recommend that you have astounding points.
