Mediterranean Studies Volume V:

The Cambridge History of Judaism: Volume 5, Jews in the Medieval Islamic World Phillip I. Lieberman, 2021-09-02

Volume 5 examines the history of Judaism in the Islamic World from the rise of Islam in the early sixth century to the expulsion of Jews from Spain at the end of the fifteenth. This period witnessed radical transformations both within the Jewish community itself and in the broader contexts in which the Jews found themselves. The rise of Islam had a decisive influence on Jews and Judaism as the conditions of daily life and elite culture shifted throughout the Islamicate world. Islamic conquest and expansion affected the shape of the Jewish community as the center of gravity shifted west to the North African communities and long distance trading opportunities led to the establishment of trading diasporas and flourishing communities as far east as India. By the end of our period many of the communities on the other side of the Mediterranean had come into their own while many of the Jewish communities in the Islamicate world had retreated from their high water mark.

Las Siete Partidas, Volume 5 Robert I. Burns, S.J., 2012-10-19 *Las Siete Partidas* or *Seven Divisions* is the major law code of thirteenth century Spain compiled by Alfonso X the Learned of Castile. Seven centuries later this compendium of legal and customary information remains the foundation of modern Spanish law. In addition its influence is notable in the law of Spain's former colonies including Texas, California and Louisiana. The work's extraordinary scope offers unparalleled insight into the social, intellectual and cultural history of medieval Spain. Built on the armature of a law code it is in effect an encyclopedia of medieval life. Long out of print the English translation of *Las Siete Partidas* first commissioned in 1931 by the American Bar Association returns in a superior new edition. Editor and distinguished medieval historian Robert I. Burns, S.J. provides critical historical material in a new general Introduction and extensive introductions to each Partida. Jerry Craddock of the University of California Berkeley provides updated bibliographical notes and Joseph O. Callaghan of Fordham University contributes a section on law in Alfonso's time. *Las Siete Partidas* is presented in five volumes each available separately: The Medieval Church Volume 1 The World of Clerics and Laymen Partida I Medieval Government Volume 2 The World of Kings and Warriors Partida II The Medieval World of Law Volume 3 Lawyers and Their Work Partida III Family Commerce and the Sea Volume 4 The Worlds of Women and Merchants Partidas IV and V Underworlds Volume 5 The Dead the Criminal and the Marginalized Partidas VI and VII.

Las Siete Partidas, Volume 5 Alfons X (rei de Castella-Lleó), 2001 A major thirteenth century Spanish law code whose tenets can still be found in the state laws of California, Texas and Louisiana.
