Daniel Maria Klimek,2018-03-01 In June 1981 six young Croatians in the village of Medjugorje in the former Yugoslavia reported that the Virgin Mary had appeared to them The Medjugorje visionaries say that Mary has returned every day since then bringing them important messages from heaven to convey to the world Throughout history people have reported encountering extraordinary religious experiences apparitions of the Virgin Mary visions of Jesus Christ weeping statues and icons the stigmata physical healings and miracles and experiences of the afterlife and interpreted them as supernatural in origin Scholars have often tried to reinterpret such experiences including those described by the great mystics like Francis of Assisi Catherine of Siena and Teresa of Avila into natural or psychopathological categories such as hysteria hallucination delusion epileptic seizures psychosis the workings of the unconscious mind or fraud Are such reductionist explanations valid Over the past three decades the Medjugorje visionaries have been subjected to extensive medical psychological and scientific examination even while undergoing their visionary experiences Daniel Klimek argues that the case of Medjugorje affords a rare opportunity to understand a deeper dimension of extraordinary religious phenomena Presenting and analyzing the scientific studies on the visionaries in juxtaposition with the major scholars and debates surrounding religious experience Klimek concludes that a multidisciplinary approach grants a more holistic and deeper understanding of such extraordinary religious experiences      Medjugorje Denis Nolan,1993      Research in the Social Scientific Study of Religion.v.10 Joanne Marie Greer,David O. *Marian Apparitions, the Bible, and the Modern World* Donal Anthony Foley,2002 This groundbreaking book looks at the major approved Marian apparitions of the last five centuries and relates them to important historical moments the Reformation the French and Russian Revolutions the rise of Nazism These Marian apparitions and particularly Fatima are not historically unimportant events but rather follow a preordained plan they have a crucial role in helping us to see how the modern world with all its problems has developed Donal Foley makes clear the fascinating and intriguing connections between Marian apparitions and the Scriptural types of Mary found in the Bible a crucial element in the theology and exegesis of the early Church Fathers By understanding these biblical types and their symbolism we see that each of the apparitions has a much greater significance for both the Church and the modern world than has generally been recognised Here is a convincing demonstration that the future of the Church and the papacy is intimately bound up with a proper understanding of the role of Mary there will only be true peace in the world when her message is accepted and lived If you thought you really understood how the modern world developed and the role and meaning of Marian apparitions then this book will make you think again Donal Foley has written a book with an extraordinary message Aidan Nichols O P

*Encountering Mary* Sandra L. Zimdars-Swartz,2014-07-14 In the past two centuries hundreds of apparitions of the Virgin Mary have been reported drawing crowds to the seers and the sites and constituting events of great religious significance for millions of people worldwide Here Sandra Zimdars Swartz provides a detective like investigation of the experiences and interpretations of six major apparitions including those at La Salette and Lourdes in France during the mid nineteenth century at Fatima Portugal in 1917 and the more recent ones at San Damiano Italy Garabandal Spain and Medjugorje Yugoslavia where the apparitions continue Adopting a phenomenological approach to these encounters with Mary one that is

neither apologetic nor antagonistic the author explores the tension between the personal meaning of the events for their subjects and the public appropriation of this meaning by a larger religious community Along the way she examines the backgrounds of the seers their willingness or reluctance to talk about the apparitions and their messages the amount of emotional support they received from family and community as news of the apparitions spread the reports of miracles at apparition sites the reactions of local authorities and the steps taken by the Roman Catholic Church in officially recognizing or rejecting the apparitions as worthy of belief The author concludes with a survey of religious worldviews based on Marian apparitions focusing especially on the now popular transcultural apocalyptic nature of these messages to the modern world Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Heaven Wants to be Heard* Dudley Plunkett,1997

**Revelations** Xavier Reyes-Ayral,2022-05-31 From 1846 to the present day the Vatican has maintained quite the same message brought forth from Heaven by different messengers across time and across vast distances and continents This message echoes the gravest of admonitions and calls mankind to convert and find refuge through the knowledge of the truth which today threatens the very basis of world peace Today in 2022 the message of La Salette La Fraudais Tilly Fatima Garabandal Akita and Medjugorje and their secrets take a meaning of the greatest importance as the admonitions brought forth by the Blessed Virgin Mary warn of a cataclysmic global disaster which has now become imminent The Church s apprehension of frightening the masses inspired inaction and Rome s decision to silence founded more on fear than on caution led millions of faithful to the darkness of ignorance and therefore to a lack of necessary conversion prayers and intercession for peace This book proposes unveiling the light and thus asking humanity to respond to the call of a warm and loving mother who merely seeks the salvation of her children **Books Ireland** ,1987 Meetings with Mary Janice T.
