Medjugorje genuinely and permanently transformed people's lives *A Child Shall Lead Them: Stories of Transformed Young Lives in Medjugorje* Wayne Weible, 2011-11-01 In the village of Medjugorje in Bosnia Hercegovina six teenagers two boys and four girls began to report seeing visions of the Blessed Virgin Mary in the summer of 1981 Since then millions of people have made pilgrimages to this remote mountain village where the messages of Mary give hope and comfort to those who are needy suffering or searching After nearly 24 years of daily appearances to these children all of whom are now adults married and with children of their own the fruits of conversion continue to serve as a testament to their initial claim writes Weible Not surprisingly the most dramatic of these conversions are those of young people beginning with the visionaries themselves *A Child Shall Lead Them* is a collection of such stories and anecdotes from Medjugorje They cover a full range of emotions trials and miracles from heartbreak to intense happiness In all of them there is solid proof of what happens when a heart is converted to that of a child a return to innocence and an openness and receptivity to faith Each chapter ends with a monthly message given by the Blessed Virgin Mary at Medjugorje Click here to listen to an interview with Wayne Weible

The Message of Medjugorje Mark I. Miravalle, 1986 Through concise theological analyses this book demonstrates that the messages reported by seven Yugoslavian youths from Medjugorje and attributed to the Blessed Virgin Mary represent an authentic embodiment of Catholic doctrine The contents of the Medjugorjian message are also said to represent a post Conciliar formulation of the approved Marian messages *The Visions of the Children* Janice T. Connell, 2014-04-29 In Medjugorje in Bosnia and Herzegovina on June 25 1981 five teenagers and a nine year old began telling others that they were seeing the Blessed Virgin Mary on a local mountain with the Infant Christ in her arms The religious visions of the children continued daily The Blessed Virgin Mary who identified herself as the Queen of Peace on that day continues to bring messages for the entire world Like Lourdes and Fatima before it Medjugorje has become a holy pilgrimage site for Christian worshippers around the world *The Visions of the Children Revised and Updated Edition* features exclusive conversations with the six apparitioners who have been receiving since June 1981 visions and messages of the Virgin Mary After 25 years three of the original visionaries continue to see the Blessed Mother daily This revised and updated edition includes new information on the six visionaries who first saw Mary at Medjugorje Messages from the Virgin Mary through June 2006 extraordinary secrets about the final chapter in the history of the world A new updated list of Marian Centers worldwide This is a must have volume for anyone interested in the Blessed Virgin Mary Marian apparitions or Medjugorje **Bibliographic Guide to Soviet and East European Studies** , 1978 **Final Harvest** Wayne Weible, 2002 For more than two decades the Blessed Virgin Mary has reportedly appeared daily in apparition to six Croatian youths in the rural village of Medjugorje in Bosnia Hercegovina This incredible event began in June 1981 and continues to the present The stated objective is to bring the people of the world back to God The apparitions are elevated in drama and urgency as the Virgin reveals that these will be her formal apparitions on earth because as she adds it will no longer be necessary The past two centuries have been

described as the darkest in human history Revolutions fueled by humanism with a singular hatred of religion have led to an erosion of moral law world wars the edipemic of abortion and world wide acts of terrorism Yet the Blessed Virgin is sent by heaven with a message of hope for those who will listen In the FINAL HARVEST Wayne Weible the most popular chronicler of the phenomenon updates the events of Medjugorje and ties them to the Virgin's past apparitions at La Salette and Fatima Meticulously researched and analyzed the author gently urges the reader on a spiritual pathway that leads to wanting to be part of this incredible harvest of souls He does so with a fresh perspective and an intriguing sense of what is still to come

Our Lady of Emmitsburg, Visionary Culture, and Catholic Identity Jill Krebs, 2015-12-30 This ethnography explores the community of believers in a series of Marian apparitions in rural Emmitsburg Maryland asking what it means to call oneself a Catholic and child of Our Lady in this context what it means to believe in an apparition and what it means to communicate with divine presence on earth Believers fashion themselves as devotees of Our Lady in several ways Through autobiography they look backward in time to see their lives as leading up to their participation in the prayer group or in some cases moving to Emmitsburg By observing and telling miracle stories they adopt an enchanted worldview in which the miraculous becomes everyday Through relationships with Our Lady their lives are enriched and even transformed When they negotiate institutional loyalty and individual autonomy they affirm their own authority and Catholic identity Finally through social media they expand their devotional networks in ways that shift authority structures and empower individuals Individuals engage beliefs practices and attitudes both arising from and resisting elements of modernity religious pluralism and religious decline empowerment and perceived disempowerment tradition and innovation and institutional loyalty and perceived disloyalty to reveal one way of understanding Catholic identity amidst the shifts and flows of modern change
