Medusa And Her Sisters:

Medusa's Sisters Lauren J. A. Bear, 2024-07-30 A vivid and moving reimagining of the myth of Medusa and the sisters who loved her Even before they were transformed into Gorgons Medusa Stheno and Euryale were unique among their immortal family Curious about mortals and their lives Medusa and her sisters entered the human world in search of a place to belong yet quickly found themselves at the perilous center of a dangerous Olympian rivalry and learned too late that a god's love is a violent one Forgotten by history and diminished by poets the other two Gorgons have never been more than horrifying hags damned and doomed But they were sisters first and their journey from lowly sea born origins to the outskirts of the pantheon is a journey that rests hidden underneath their scales Monsters but not monstrous Stheno and Euryale will step into the light for the first time to tell the story of how all three sisters lived and were changed by each other as they struggle against the inherent conflict between sisterhood and individuality myth and truth vengeance and peace

Medusa's Cause P. E. Zimmerman, 2012-11-30 Love is immeasurable On an isolated cape high above a churning sea a mysterious young woman of enchanting beauty enters a lonely temple Lulled there by inconceivable desire it is a clandestine meeting that will forever alter her fate Wishing only to capture the love of a god she instead commits a grievous act of sin against an angry goddess and sets in motion a chain of events that not only tears her world apart but those that love her as well In a world ruled by men and explained by myth two brave sisters must break the rules and embark on a perilous journey Divided by difference yet united by a singular cause they must go out into a world that is at once cruel and capricious a world which often views and treats women as being no better than slaves It is a journey that will take them across the width and breadth of ancient Greece From the highest of mountains to the deepest of valleys to the most fabled of lands where myths come to life and futures are told and finally to the dark confines of the Underworld itself in search of answers It is a journey that will see them pitted against unforeseen challenges and dangers and at times against each other But as their journey of struggle and discovery unfolds something unusual begins to take shape and the question of what happened to their sister is invariably replaced with one of a much deeper meaning How far would you go to save the soul of someone you love
