Medusa's perspective explaining parts of her life never spoken of before Her life started being born from immortal gods as a mortal herself then a beautiful priestess of Athens temple then an outlaw monster wanted dead Figuring out who Medusa is and what her real purpose is she's set on a journey to find herself with the help of the people around her struggling with the realization of who she really is and fighting to her controversial end **Medusa "Through the Eyes of the Gorgon"** Skevi Philippou, 2018-01-03 The author takes us on a journey of discovery as the protagonist discovers that she possesses the astonishing gift of sight but also an abundance of compassion and love for humanity that is unmatched by any God The author in her adoring portrayal so eloquently and intimately engages with and unravels the infamous Grecian Myth of the great and powerful Medusa This myth denied Medusa her voice forever condemning her fragmented monstrous form whereas this wonderful story celebrates and gives Medusa back what she had lost for centuries However evil has many faces as Medusa unveils the horrid guises of the righteous and guides us through the difference between truth and verisimilitude Condemned to live a half life in the shadows her deadly stare forbids any hope of any human contact she is made to be the repulsive monster that everyone fears they too could become But her story does not end there She rewrites history as this so called monster holds a mirror up defiantly to the gods and to us *The Medusa Amulet* Robert Masello, 2012-02-28 A wonderful treat Masello is a master entertainer unafraid to pull out all the stops Chicago Tribune Benvenuto Cellini master artisan of Renaissance Italy once crafted a beautiful amulet prized for its unimaginable power and untold menace Now the quest to recover this legendary artifact depends upon one man David Franco a brilliant but skeptical young scholar at Chicago's world renowned Newberry Library What begins as a simple investigation spirals into a tale of dangerous intrigue as Franco races from the chateaux of France to the palazzos of Rome in a desperate search for the ultimate treasure and an answer to a riddle that has puzzled mankind since the beginning of time Aided by a beautiful young Florentine harboring dark secrets pursued by deadly assassins and battling demons of his own Franco must ultimately confront an evil greater than anything conjured in his worst nightmares **BONUS** This edition contains an excerpt from Robert Masello's *The Romanov Cross* Praise for *The Medusa Amulet* Fascinating an unpredictable and exhilarating journey Robert Masello expertly blends contemporary thrills with a historical spin Associated Press In addition to its taut story there is an impressive amount of scholarship and enough detail to please art lovers or history buffs Great writing and rich detail combine for a gripping read Kirkus Reviews starred review Engrossing and fun Library Journal Say Cheese, Medusa! Medusa S Cause P. E. Zimmerman,2012-11-30 Love is immeasurable On an isolated cape high above a churning sea a mysterious young woman of enchanting beauty enters a lonely temple Lulled there by inconceivable desire it is a clandestine meeting that will forever

alter her fate Wishing only to capture the love of a god she instead commits a grievous act of sin against an angry goddess and sets in motion a chain of events that not only tears her world apart but those that love her as well In a world ruled by men and explained by myth two brave sisters must break the rules and embark on a perilous journey Divided by difference yet united by a singular cause they must go out into a world that is at once cruel and capricious a world which often views and treats women as being no better than slaves It is a journey that will take them across the width and breadth of ancient Greece From the highest of mountains to the deepest of valleys to the most fabled of lands where myths come to life and futures are told and finally to the dark confines of the Underworld itself in search of answers It is a journey that will see them pitted against unforeseen challenges and dangers and at times against each other But as their journey of struggle and discovery unfolds something unusual begins to take shape and the question of what happened to their sister is invariably replaced with one of a much deeper meaning How far would you go to save the soul of someone you love *Medusa's Stony Stare* Jessica Gunderson, 2011-07 Medusa once a bewitching beauty has become a hideous monster with snakes for hair When men look at her they turn to stone Whe King Polydectes sends Perseus for Medusas head he thinks Perseus will soon be another one of Medusas stone men Or will he
