Meet Jeremiah A Devotional Commentary:

Meet Jeremiah Burton L. Goddard, 1992-01 With many years of study teaching and preaching Goddard breathes life into this important Old Testament book Jeremiah, a Devotional Commentary Tom Birch, 2020-01-15 Nobody wants to be Jeremiah who lived through God's judgement on his culture But looking at our own culture today we may have more in common with Jeremiah than we'd like How do we stand for righteousness and still relate to an ungodly world In the stories of Jeremiah's life and times we see God's reckless love and offer of forgiveness They are stories of hope for our day and encouragement for our lives Jeremiah survived attacks on his life He endured war and famine He stood against kings who would have killed him He suffered depression but in spite of it he thrived and found his satisfaction in the living God He was a tutor to kings and prophets He was a messenger for God He was a friend to any who would accept him Jeremiah is both a powerful inspiration and a gentle encouragement that God's plan for us is to give us a hope and a future regardless of our past A Devotional Commentary on the Gospel of St. John McVeigh Harrison, 1919 *Psalms: A Devotional Commentary* Chris Tiegreen, 2025-08-05 With accessible expository commentary paired with inspirational devotional thought The See Series speaks to both the heart and mind unlocking a deeper understanding of the Bible often reserved for scholars and theologians The Psalms provide an occasion for us to immerse ourselves in God's presence and the nature of his Kingdom We can read the Bible and listen to sermons all day long but the truth we read or hear just fades away after a few days unless we are cultivating the Kingdom within us The soil of our hearts needs to be right In many respects this is what King David and other psalmists wrote about in the Psalms They are case studies in truth taking root in the heart where God ultimately wants his Word and his Holy Spirit to dwell Written by beloved devotional writer and biblical scholar Chris Tiegreen each book of The See Series does more than encourage us simply to know and then do rather it casts a vision for us to see then be then live Like Jesus who incorporated visual language into all his teaching this series aims at refocusing our inner eye If we can see what biblical writers saw and live according to that vision we can be transformed A valuable resource for any Christian each commentary includes an introduction to the biblical book to aid your study an introduction for each subsection of the book explaining its place and purpose in the text the historical context or background of that section and how it fits into the big picture vision of biblical truth a series of devotionals on the text that further explain purpose and meaning offer suggestions for practical application and inspire and challenge you to re-envision to learn to see in new ways a discussion guide in the back to help you further reflect on the Scripture passages and or talk about them with others to expand your spiritual vision even more Psalms A Devotional Commentary will help this Old Testament book of poetry prayer praise and lament come alive for you bringing transformation for your mind and imagination **Devotional Commentary on the Gospel Narrative, Vol. 1 of 8 (Classic Reprint)** Isaac Williams, 1880 Excerpt from Devotional Commentary on the Gospel Narrative Vol 1 of 8 Indistinct surmises of some one rising from the dead and of that Prophet to be raised up from among

their brethren of whom Moses had spoken instead of the Voice from Mount Sinai which they entreated to hear no more And the words with which the Inspired Writings had closed were remarkable both from their distinct declaration and for the very mysterious manner in which alone it could be fulfilled As the silence of night came on and the light of prophecy was going down it spoke of the rising of the Sun of Righteousness with healing in His wings and yet not so for all men but for them shall He arise that fear My name To this it is added Behold I send you Elijah the Prophet before the coming of the great and About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Devotional Commentary on the Gospel Narrative: Our Lord's passion Isaac Williams,1875 *The New Testament Devotional Commentary, Volume 3* Bo Giertz,Bror Erickson,2023-08-15 In the third volume of his New Testament Devotional Commentaries Volume 3 Galatians Through Revelation Bo Giertz returns to the text with his keen insight and love for God s word and God s people This would finish his work as an author that began in the 1930s and continued for five decades Taking the principles of Biblical Realism he had learned from his mentor Anton Fridrichsen with its rejection of both liberal higher criticism and fundamentalist biblicism Bo Giertz opens some of the most difficult to understand texts in all of Scripture with a simple understanding that this is God s word for you He blends this approach to Scripture with pastoral insight gained from his years as both a rural parish priest in the Swedish countryside and the Bishop of the bustling cosmopolitan center of Gothenburg His commentary on Revelation is particularly revolutionary Appendix The Bible s View of Itself and Other Views of the Bible
