Meet The Prophets:

Meet the Prophets John W. Miller,1987 A carefully organized step by step introduction to the books of the biblical prophets the men behind them their message and their relevance for today Meet the Prophets! Eugene Skelton,1972

THE BIBLICAL PROPHETS Stephen M. Collins,2024-03-21 Prophets were not entities unto themselves Their words and actions ultimately belong to the people they represent and are defined by the history customs religions and culture of their time Some were farmers priests or ranchers some prophesied in Samaria Jerusalem Babylon or Nineveh Some were old and others young some died for their prophecy some went back to their former occupations Some prophets wrote books while still others left legacies that were ultimately written by others This book explores the history customs cultures and religions of the biblical prophets 2 3 2 **Meet the Prophets** David Goldberg,1956 How to Meet Witness Lee,2016-03-01 We

must realize that we Christians are a meeting people A Christian is a meeting person Without meeting there is no Christian life and no church life It is rather difficult for any Christian to grow without attending the meetings There is no way for any Christian to serve God without meetings and it is impossible for Christians to express Christ if there are no meetings The church life is a meeting life In *How to Meet* Witness Lee offers much precious and practical guidance related to the biblical way to meet as Christians *Voice of a Prophet* A.W. Tozer,2014-05-29 During his ministry which included extended pastorates in Chicago and Toronto Dr Tozer was often referred to as a prophet That doesn t mean he predicted future events but rather he spoke God s truth to believers and the culture even if it meant disrupting the status quo Even in the Bible prophets were much more likely to hold God s people and their leaders accountable to the truth of God s Word than to foretell the future The encouragement in *Voice of a Prophet* is that the church today is in desperate need of the kind of prophet Tozer embodied and describes in this important book Using the lives of such prophets as Elijah Elisha and John the Baptist Tozer underscores the importance of the ministry of the prophet in our world today *Exalting Jesus in 1 & 2 Kings* Tony Merida,2015-11-01 Edited by David Platt Daniel L Akin and Tony Merida this new commentary series projected to be 48 volumes takes a Christ centered approach to expositing each book of the Bible Rather than a verse by verse approach the authors have crafted chapters that explain and apply key passages in their assigned Bible books Readers will learn to see Christ in all aspects of Scripture and they will be encouraged by the devotional nature of each exposition **Homiletical Commentary on the Minor Prophets** James Wolfendale,1879 **Let's Meet the Prophets** Richard Atherton,2008

Sweeter than Honey Christopher J. H. Wright,2015-02-14 Many preachers steer clear of the Old Testament because they feel it is outdated in light of the New Testament and difficult to expound On the other hand some preachers will preach from the Old Testament frequently but fail to handle it correctly and end up preaching nothing but legalistic rules or symbolic lessons for our spiritual life In this book Christopher J H Wright encourages preachers not to ignore the Old Testament It is the Word of God it lays the foundation for our faith and it was the Bible that was read and used by Jesus It is

the first part of the great biblical story from creation to new creation And because it is the journey that leads to Christ it is in fact part of our story too Looking first at why we should preach from the Old Testament the author then moves on to showing the reader how to handle different kinds of literature in it He guides us through the History Law Prophets Psalms and Wisdom Literature of the Old Testament Interspersed with detailed checklists suggested exercises and specimen sermons this is a very practical handbook for anyone committed to authentic Biblical preaching *The Life and Character of Elijah the Prophet. A Course of Lectures, Etc* Thomas William Baxter AVELING,1859 *NIV, Kids' Quiz Bible, Hardcover, Comfort Print* . Zondervan,2018-03-06 The NIV Kids Quiz Bible offers children a challenging experience as they delve into the Bible with trivia and quiz questions designed to engage and enlighten With answers to find in every book of the Bible this full feature Bible makes reading the Bible fun *A Guide [to] Meet the Prophets* Richard E. Singer,American Council for Judaism,1960 *The Minor Prophets* Frederick Carl Eiselen,1907 *The holy Bible, tr. from the original texts. [Based on a collation of the Germ. and Fr. versions of J.N. Darby and revised in part by him]* ,1883 **The Old Testament Student** William Rainey Harper,1889 Vol 8 includes New Testament supplement *An Exposition of the Prophet Ezekiel* William Greenhill,1837 *Understanding the Holy Spirit Today* Doris Wynbeek Rikkers,2018-09-11 Get a better understanding of the Holy Spirit and why the Spirit of God is as relevant today as in Biblical times Many who are very familiar with God the Father and Jesus the Son have far less understanding of God s Spirit This easy to follow guide explains what the stories of the Bible reveal about the Holy Spirit Doris Rikkers highlights characters and scenes from the Bible that show the Spirit at work both in the Old Testament and the New Testament Every story includes application for today Learn the who what where when and how of God s Spirit Presented in lively narrative UNDERSTANDING THE HOLY SPIRIT TODAY communicates biblical truth that will empower and uplift **The Minor Prophets** Edward Bouverie Pusey,1860 *Parallel Bible-PR-NASB/Am* Hendrickson Publishers,2006-07 Precisely Literal Richly Revealing Pairing the most literal English translation available with an illuminating in text exposition of each verse in the Bible this outstanding resource will help strengthen your grasp on God s Word By comparing the precise NASB with the magnified sentence structure of the Amplified Bible readers are better able to appreciate the meaning of the scriptures as understood by their audience in the original languages Known for its word for word literal accuracy the New American Standard Bible updated edition is the 1 choice for in depth inductive Bible study And through its unique use of synonyms and definitions the Amplified Bible both explains and expands the meaning of words in the text by placing amplification in parentheses and brackets after key words or phrases Through multiple expressions greater emphasis is given to the divine message as reflected in the original Greek and Hebrew Now readers can benefit from both translation approaches with this side by side comparison that offers a more enriching experience with God s Word NASB 12 For now we see in a mirror dimly but then face to face now I know in part but then I will know fully just as I also have been fully known 13 But now faith hope love abide these three but the greatest of these is
