Living Your Jesus Reality Erich Fuls,2012-03-14 Living Your Jesus Reality penned by author Erich Fuls presents that Jesus in Person came to reside in every born again believer Jesus lives here on earth in believers to implement the words and works of Almighty God The author grapples with these questions Why does the world not see Christ fully alive in and active through Christians Have Christians taken Christ out of Christianity The book flags that Christianity is dead apart from Christ living in His people and He Himself transforming the world through them Readers will be challenged to discover meditate and implement the truth that every believer is supposed to live from through and to Jesus alive in them The sharp shooting and compact style of the 60 essays and poems gives much food for reflection in every section without a long reading requirement This book is for everyone who wishes to know why there is such a glaring discrepancy between what Jesus prepared and promised for all and what one sees in Christian circles today Furthermore this book is for all Christians who are hungry to know and show Jesus in their everyday life for real Every Christian who is tired of a fake self based religious and ritualistic Christianity and seeks revival in his own life will get much blessing from this book Christians who want to live from through and to Jesus Christ in Person here within them need to read this book Faithfully following the Biblical teachings of this book will reveal God Jesus in Person in God s children and in action from within them

Long,2019-05-29 Galatians is one of the earliest of the Pauline letters and is therefore among the first documents written by Christians in the first century Paul s letter to the Galatians deals with the first real controversy in the early church the status of Jews and gentiles in this present age and the application of the Law of Moses to gentiles Paul argues passionately that gentiles are not converting to Judaism and therefore should not be expected to keep the Law Gentiles who accept Jesus as Savior are free in Christ not under the bondage of the Law Galatians also deals with an important pastoral issue in the early church as well If gentiles are not under the Law are they free to behave any way they like Does Paul s gospel mean that gentiles can continue to live like pagans and still be right with God For Paul the believer s status as an adopted child of God enables them to serve God freely as dearly loved children Galatians Freedom through God s Grace is commentary for laypeople Bible teachers and pastors who want to grasp how the original readers of Galatians would have understood Paul s letter and how this important ancient letter speaks to Christians living in similar situations in the twenty first century Encounter Jesus in Genesis (2) Pastor Samuel J. Kim,2023-08-09 After they sinned Adam and Eve made clothes out of fig leaves to hide their shame That was the first religious attempt to cover up sin with human righteousness and merit But they could not truly hide their shame sin with these fig leaf garments God took away their fig leaf garments and gave them tunics made from the skin of a sacrificed lamb These tunics symbolize God s righteousness which perfectly and forever hides human shame sin The offerings of Adam s sons Cain and Abel show the difference between human and God s righteousness God accepted Abel s offering of the firstborn of his flock and of their fat Genesis 4 4 but He did not receive Cain s gift of the fruit of the ground Genesis 4 3 Religion is about trying to show off human righteousness which Satan encourages On the other hand faith is about trusting in and following God s righteousness which He has made perfect and gives us as a gift From the start of Genesis the Bible tells us that only those who trust and follow God s righteousness are born again by receiving the remission of their sins to enter the everlasting rest that God has prepared When Paul Met Jesus Stanley E. Porter,2016-02-24 Did Paul ever meet Jesus and hear him teach A century ago a curious assortment of scholars William Ramsay Johannes Weiss and James Hope Moulton thought that he had Since then their idea has virtually disappeared from New Testament scholarship to be revived in this monograph When Paul Met Jesus is

an exercise in both biblical exegesis and intellectual history After examining the positive arguments raised it considers the negative influence of Ferdinand Christian Baur William Wrede and Rudolf Bultmann on such an idea as they drove a growing wedge between Jesus and Paul In response Stanley E Porter analyzes three passages in the New Testament Acts 9 1 9 and its parallels 1 Corinthians 9 1 and 2 Corinthians 5 16 to confirm that there is New Testament evidence that Paul encountered Jesus The implications of this discovery are then explored in important Pauline passages that draw Jesus and Paul back together again
