Christian, the Choice Is Yours Ron McNeel, 2013-02-20 Life is all about choices You choose where to live your occupation spouse and the names of your children just to highlight a few Some choices are easy to make while others are difficult and require a lot of thought and consideration Some choices lead to good outcomes while others do not The best choice an individual could ever make is to receive Christ as personal Savior That decision guarantees the believer a home in Heaven with God for eternity Although the eternal issue is settled there are many choices that face the believer during his her journey through life These choices will not alter the believer s eternal destiny but can have a major impact on the quality and effectiveness of the Christian life Wrong choices made by the believer can result in a life that is marred by defeat and unhappiness This book is about personal choices for the believer Although the principles presented in this book are for all Christians the words are directed to you for self examination Victory in your Christian life will be determined by the choices you make God has a plan for your life and a way to achieve it but Satan also has a plan Whose plan you follow depends on your choices This battle over control of your life will continue until you are finally at home in Heaven The goal of this book is to equip you with guiding principles from God s Word to explain how you can have God s promised victory and live a meaningful and fruitful Christian life You can follow God s plan and experience this victory or choose Satan s plan and live defeated The choice is yours Historical Lectures on the Life of Our Lord Jesus Christ Charles John Ellicott, 1877

Finding God's Will Mark Hyskell, 2019-10-11 Have you wondered what your real purpose in life is Does it seem like you are simply going through the motions of a daily routine to fulfill your responsibilities like a mouse running on its exercise wheel Same empty thing different day Has your discouragement made you wonder if it is even possible to really know your life purpose and God s design and plan for your life You are not alone Your pain and frustration have been shared by many including me I want to assure you that there is hope and there are answers You may have been told that many times but your painful experiences have convinced you to stop believing it In my search for answers I learned that in order to be truly fulfilled in this life I need to know the One who designed me the purpose for which He designed me and how to find and follow His direction to fulfill that purpose That is the only path to genuine peace and purpose **Perspective** Charles Gaines, 2006-12 Perspective is a story about the birth of a nation with divine purpose how it lost that perspective and how

Finding God in the Singing River Mark I. Wallace, 2005-03-04 We live in an age of vast and rapid destruction of habitats and species Yet Christianity holds great potential for healing this situation Indeed the Bible and Christian tradition are a treasure trove of rich images and stories about God as an earthen being who sustains the natural world with compassion and thereby models for humankind environmentally healthy ways of being Mark Wallace s stimulating book retrieves a central but often neglected biblical theme the idea of God as carnal Spirit who indwells all things as the basis for constructing a green spirituality responsive to the environmental needs of our time In the biblical tradition he writes God as Spirit is an ecological presence that shows itself to us daily by living in and through the earth One message of Christianity therefore is celebration of the bodily material world ancient redwoods vernal springs broad winged hawks everyday pigweed as the place that God indwells and cares for in order to maintain the well being of our common planetary home Alongside his green reading of the Bible and tradition Wallace employs the resources of deep ecology Neopagan spirituality and the environmental justice movement to rethink Christianity

as an earth based body loving religion He also analyzes color images reproduced in the book Wallace s bold yet careful work reawakens our sense of the sacrality of the earth and the life that the trinitarian God creates there It also grounds the impulses of New Age spirituality in a profoundly biblical notion of God s being and activity
