Gresham Machen,2025-08-10 The Origin of Paul s Religion Annotated Edition J Gresham Machen s classic defense of the apostle Paul s divine calling and the supernatural foundation of Christianity remains as relevant today as when it was first written Confronting the claims that Paul invented Christianity or borrowed from pagan religions Machen demonstrates through rigorous historical analysis that Paul s gospel came not from man but through a revelation of Jesus Christ Galatians 1 12 This annotated edition preserves Machen s original argument while adding clarifying notes on historical references biblical chronology and theological terms all from a conservative literal evangelical perspective Readers will trace Paul s life from his early years through his conversion mission to the Gentiles and defense of the faith seeing how his message harmonized perfectly with the teaching and work of Jesus In an age when skepticism and critical theories often cloud the origins of Christianity The Origin of Paul s Religion stands as a clear compelling case for the truth authority and historical reality of the gospel Paul proclaimed *Countdown to Christmas* Ryan and Adrienne Nuñez,2024-11-10 For centuries Christians have celebrated the weeks leading up to Christmas as a time of expectation and waiting Advent simply means arrival It is a season of expectation for the arrival of the birth of Christ a countdown to Christmas that focuses on Jesus So we started a new tradition Each day leading

up to Christmas our family sits down and reads a small devotional that tells the story of the coming birth of Jesus The Countdown to Christmas book contains the readings we developed as we put this new tradition into practice We invite you to take the journey with us this Christmas whether you are taking it alone with your family or with some friends We pray that this Christmas season is more Jesus focused than the last

Does It Matter Who Wrote the Bible? David B. Capes,2025-05-20 Students in seminary or graduate theology programs learn that some books in the Bible are anonymous Their professors will make the point that many Pauline letters have

disputed authorship and may in fact not be written by Paul Students will also learn about the practice of pseudonymity in the world of the Bible and how some Gospels or letters are written under a false name Now for those who become pastors or church leaders what are they to do with what they learn Do they teach their congregants about these authorship questions Do they ignore that part of their training as irrelevant to the task Do they avoid teaching or reading publicly from disputed books Do these questions not matter in the end because the church settled on the canon This book aims to address these pastoral challenges An international group of scholars from universities seminaries and graduate theology programs convened to discuss these matters at the Lanier Theological Library in May 2022 These essays represent how many faculty are wrestling with the pastoral implications of anonymity and pseudonymity in the New Testament *The Sunday School Journal* ,1888 **NLT Parallel Study Bible** Tyndale,2011-07-19 Discovery and Application on the Same Page for the First Time Now you don t have to choose between context and application Expository study notes help you understand the Bible like a 1st century believer Number one selling Life Application notes help you apply its truths in a 21st century world This Bible recognizes that Bible application is best done with a thorough knowledge of historical and literary context The NLT Study Bible is excellent at establishing this base The Life Application Study Bible content can then guide the reader in concrete steps toward application The New Living Translation is an authoritative Bible translation rendered faithfully into today s English from the ancient texts by 90 leading Bible scholars The NLT s scholarship and clarity breathe life into even the most difficult to understand Bible passages That s why we call it The Truth Made Clear **Railway Signal** ,1910
