Blaauw, 2021-12-09 Jesus chastised the Scripture readers religious leaders in his day because they misread the Bible You search the Scriptures because you think that in them you have eternal life and it is they that bear witness about me yet you refuse to come to me that you may have life John 5 39 40 How do we come to and meet with Jesus through our Bible reading After his resurrection Jesus met with his followers to open their minds to understand the Scriptures He made clear that everything written about me in the Law of Moses and the Prophets and the Psalms must be fulfilled Luke 24 44 45 emphasis mine Understanding the plotline of Jesus life gives us the instrument whereby we can meet with Jesus through our Bible reading It unifies and illuminates the beautiful diversity of Scripture writings But not only will this book lead you to meet with Jesus through your Bible reading More importantly it will lead you to life in Christ For the plotline of Jesus life is also the story of a Christian's life from divine birth to new creation in this age and into the next The Women Who Met Jesus Dorothy Valcárcel, 2019-05-21 Just like us the women of New Testament times were ambitious worried broken lonely insecure and unfulfilled Discover the powerful stories of their encounters with the perfect unconditional love of the Savior Rather than trivializing their problems or ignoring women Jesus responded to their deepest needs with compassion reminding them of their value and transforming their past present and future Let this engaging book introduce you to the man who loves women like no other When Paul Met Jesus Stanley E. Porter, 2016-02-24 Did Paul ever meet Jesus and hear him teach A century ago a curious assortment of scholars William Ramsay Johannes Weiss and James Hope Moulton thought that he had Since then their idea has virtually disappeared from New Testament scholarship to be revived in this monograph When Paul Met Jesus is an exercise in both biblical exegesis and intellectual history After examining the positive arguments raised it considers the negative influence of Ferdinand Christian Baur William Wrede and Rudolf Bultmann on such an idea as they drove a growing wedge between Jesus and Paul In response Stanley E Porter analyzes three passages in the New Testament Acts 9 1 9 and its parallels 1 Corinthians 9 1 and 2 Corinthians 5 16 to confirm that there is New Testament evidence that Paul encountered Jesus The implications of this discovery are then explored in important Pauline passages that draw Jesus and Paul back together again *The Wiersbe Bible Commentary: New Testament* , Whether you are a pastor teacher or

Christocentric Preaching Meets the Historical Jesus Devon Duffield,2024-12-30 The Christocentric homiletic is considered one of the leading contemporary approaches within the evangelical hermeneutic and homiletic society This is due to the convincing theological justification practical guidance and demonstrative examples of Christocentric sermons from three North American scholars Sidney Greidanus Edmund Clowney and Bryan Chapell Its popularity however has not made this approach immune to criticism Opponents of the Christocentric approach often criticize the preaching model for operating on a general interpretive level having repetitive sermon goals and delivering sermons that lack adequate application among other things The suggested antidote to these issues in current scholarship is for the Christocentric homiletic to become less Christocentric and more Theocentric This book enters the current homiletical debate on Christocentric preaching by placing the homiletical method in conversation with the field of Christology In doing so it points out that the Christocentric homiletic is embedded in a Christology from above contributing to its strengths and weaknesses This book suggests that if the Christocentric method takes the Christologies from below of N T Wright and Wolhart Pannenberg seriously it can address specific weaknesses and find resources to enhance some of its strengths without negating its central conviction of preaching Christ in every sermon It defends the unique proposal that the Christocentric method can address its criticisms by becoming more Christocentric and not more Theocentric
