Meeting Needs Sharing Christ:

Meeting Needs, Sharing Christ Donald A. Atkinson, Charles L. Roesel, 1995-01-01 *The Holy Word for Morning Revival - Meeting God's Need and Present Needs in the Lord's Recovery* Witness Lee, Watchman Nee, 2021-10-18 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word. At the same time it provides a limited review of the semiannual training held July 5-10, 2021 on crystallization studies of Joshua, Judges, and Ruth. Through intimate contact with the Lord in His word, the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ. **Evangelism Is ...** Dave Earley, David Wheeler, 2010 *Evangelism Is* contains forty brief chapters of high octane rut breaking equipment empowerment and encouragement for all who are ready to share Jesus more passionately and confidently with others. Each call to action entry stands alone but can easily be connected to other chapters, all of them finishing the sentence that begins with the book's title. For example: *Evangelism Is Joyfully Intoxicating, The Real Business of Life, The Supreme Challenge of This Generation, Leading People to True Conversion, Washing Feet, Praying Prodigals Home, Empathy with Action, Giving a Logical Defense of Your Faith, A Family Affair*, etc. The book's appendix also includes articles on what evangelism is not, evangelism in the early church, and sharing Jesus plus sample plans for sharing one's faith. **Give Your All to God** Morris Williams, 2019-03-22 God instructs us to give our whole life to him as a holy and living sacrifice. But how do we do this? What does it mean to truly surrender your life to God as a sacrifice? One great way is to pattern yourself after Israel's offerings. *Give Your All to God* focuses on the burnt offering and explains how while the people of Israel used a physical animal as a sacrifice, today we offer every part of our lives to God. And just as the physical offering was divided into five parts and burned up completely, we can take this unique example and apply it to our own sacrifice of our heart, soul, strength, mind, and everything else. Author Morris Williams presents sixteen worship behaviors that we can offer to God every day, enabling us to be a complete and total offering to God. You must give your all to God, and doing so is what pleases him as you follow his instructions. And likewise, surrendering fully to God is part of his plan of salvation through Jesus Christ, the ultimate sacrifice who died for you so you could become a valued member of God's family. *People Sharing Jesus, eBook* Darrell Robinson, 2008-02-03 Packed with practical insight and encouragement that helps unlock the abundant Christian life and share overflowing resources, *People Sharing Jesus* shares inspiring stories and reality-based techniques on how to apply this strategy to everyday life. **Charts for a Theology of Evangelism** Thomas P. Johnston, 2007-07-01 Like no other book before it, *Charts for a Theology of Evangelism* gathers ninety-three unique charts based on author Thomas P. Johnston's twenty-three years of practicing and teaching personal evangelism. This excellent classroom, preaching, or personal study resource features nine major sections, and each chart from *The Urgencies that Drive Evangelism* to *Five Interpretations of Salt in Matthew 5:13* to *Biblical Stages in Theological Drift* includes an explanation and contextual set up from the author. **The Collected Works of Witness**

Crowder,2016-03-02 Too often skeptics charge Christians with having a blind faith Unfortunately believers have added fuel to the charges of skeptics by speaking of their faith illogically But the Christian faith is not a blind faith In fact biblical faith is never a blind irrational faith Christianity rests firmly on the stone that was rejected by the builders which has become the cornerstone Jesus Christ Acts 4 11 Living biblically requires thinking biblically just as to think biblically entails to live biblically as Winfried Corduan notes in the Foreword As followers of Christ believers cannot separate biblical thinking and biblical living These two behaviors are eternally connected not only in the person of Jesus Christ but they stem from the eternal being of God the Father and his eternal truth Christ mandates that his followers love God with their entire being heart soul mind and strength Mark 12 30 How are believers to go about living out this biblical mandate Christian faith is a warranted belief This is why it is so essential that Christians recognize the value and importance of philosophy and its proper place in Christendom and in the Christian s walk **Reframing Spiritual Formation** Edward H. Nugent,2016-06-16 For centuries Christians sought to rescue people from this world Today we re trying to fix it While this shift is helpful in some ways in other ways it can be quite dangerous Endangered Gospel flips the script on this conversation by stressing the core gospel truth that rather than ushering in a new world through social activism God s people already are the new world in Christ It s not our job to make this world a better place but to be the better place God has already made in this world That s good news If we let go of this truth we become servants of the world and not God We also lose the great joy and abundant life that God intended us to have in

community Jesus himself said that the world will know we are Christians by our love for one another not the fervor of our activism Social action makes us feel relevant and alive but it can't be the center of our new life in Christ Endangered Gospel explores how we might enthusiastically embrace the social dimensions of the gospel without divorcing them from the church or forcing them on the world Read this book hear the gospel story afresh and embrace the good news of God's kingdom

Black Man-White Man Dr. W. Wallace Hostetter, Dr Joseph M. Jennings, 2006-10-12 A gangster and an undercover cop A Midwesterner and a Southerner Two men from different walks of life both raised to be prejudiced toward the others race That's the story of Joseph and Wallace It is an unlikely relationship because of the radical differences between them Joseph is Black Wallace is White They met twenty years ago in a hotel hot tub and began a relationship that has developed into a deep friendship Both men overcame their racial prejudices and joined together in ministry They learned to invest in each other and

take the risks necessary to learn each others story Their combined story reflects their cultures and is the basis for the book Many readers will identify with their lives There is an openness between Joseph and Wallace Neither man compromises who he is in order to be a confidant to the other The influence of Josephs dad was very important in his life while Wallace was raised without a father in the home Each of these men has significant statements to make concerning the influence of a father in a childs life This underlying theme sets the stage for the merging of two unlikely men into a godly friendship Now serving together they speak in the United States and Africa to adults and youth about the choices that life offers The common factor they have shared from the beginning of their relationship is their individual commitment of faith in Jesus Christ They both know that God designed their lives and brought them together What they have overcome here will last with them throughout eternity

The Practical Art of Spiritual Conversation James Harrison Shultz, David Rogers, 2021-03-31 The Practical Art of Spiritual Conversation is about the art of when if and how to engage in a spiritual conversation The whens and the ifs inform the how Christians can be so concerned with how to share the gospel that they often fail to consider where the person is spiritually and when or even if they should share the gospel To be sure the Scriptures are clear that followers of Christ must spread the good news Yet there are times when sharing the gospel would be undeniably inappropriate How then do gospel centered evangelistic Christians discern when to share Christ or when to stay silent What determines when and if someone is even ready to hear the gospel How does one meaningfully engage a person who has already accepted the gospel Refined through tens of thousands of spiritual encounters this book provides a helpful framework for discerning where a person is spiritually and how to encourage each person to take a step toward Christ regardless of where they may presently be in their faith journey You will be equipped in the practical art of spiritual conversation so that you can meaningfully encourage every person to take a step toward Christ
