Meeting You In Scripture Meditations For A New Millennium:

Meeting You in Scripture Joseph McCarroll, 1999 The Existential Philosophy of Etty Hillesum Meins G. S.

Coetsier, 2014-01-09 In *The Existential Philosophy of Etty Hillesum* Meins G S Coetsier breaks new ground by demonstrating the Jewish existential nature of Etty Hillesum's spiritual and cultural life in light of the writings of Martin Buber Emmanuel Levinas and Dietrich Bonhoeffer Hillesum's diaries and letters written between 1941 and 1943 illustrate her struggle to come to terms with her personal life in the context of the Second World War and the Shoah By finding God under the rubble of the horrors she rediscovers the divine presence between humankind while taking up responsibility for the Other as a way to embrace justice and compassion In a fascinating accessible and thorough study Coetsier dispels much of the confusion that assails readers when they are exposed to the bewildering range of Christian and Jewish influences and other cultural interpretations of her writings The result is a convincing and profound picture of Etty Hillesum's path to spiritual freedom

Spirituality in the Writings of Etty Hillesum Klaas Smelik, Ria van den Brandt, Meins G. S. Coetsier, 2010-10-25 Much of the previous scholarship on Etty Hillesum 1914-1943 was done by individual scholars within the analyses of their fields After the proceedings of the international Etty Hillesum Congress at Ghent University in November 2008 this Congress volume is the first joined effort by more than twenty Hillesum experts worldwide It is an absorbing account of international scholarship on the life works and vision of the Dutch Jewish writer Etty Hillesum whose life was shaped by the totalitarian Nazi regime Hillesum's diaries and letters illustrate her heroic struggle to come to terms with her personal life in the context of World War II Building on new interest in theology philosophy and psychology this book revives Hillesum research with a comprehensive rereading of both her published works and lesser known secondary discourses on her life The result is fascinating With the current explosion of interest in inter religious dialogue peace studies Judaism the holocaust gender studies and mysticism it is clear that this Congress volume will be invaluable to students and scholars in various disciplines

Theology, Empowerment, and Prison Ministry Meins G.S. Coetsier, 2022-09-26 In *Theology Empowerment and Prison Ministry* Meins G S Coetsier offers a new scholarly account of Karl Rahner's theological anthropology and the prison pastorate with a contemporary expansion for meaning seeking an antidote to the suffering and isolation of those incarcerated with a theology of empowerment Drawing on prison ministry theorists and practitioners and on the experiences of Viktor Frankl Aleksandr Solzhenitsyn and Etty Hillesum the book argues that Rahner's views on prison ministry are significant and encouraging but limited regarding the needs and demands of 21st century prison ministry In a convincing perceptive and groundbreaking study Coetsier goes beyond Rahner with ecumenical and interreligious perspectives reminding us all of our human dignity of meaning and transformation of our liberation creativity hope and community **The Christian Century**, 1918 **Journeying with Hope into a New Year** Paul R. Dekar, 2022-07-29 *Journeying with Hope into a New Year* Reflections for Advent and Christmas originated in 1982 when our family lived at Tantur an ecumenical institute between

Jerusalem and Bethlehem My wife Nancy and I sent family and friends a letter highlighting our experience of Christmastide in the Holy Land Inspired by writing this message from afar we continue each year to write a letter with family news a moving quote from a hymn or literary work and spiritual reflections These provide the basis for thirty one meditations to be read daily through the month of December Each includes a biblical text a brief meditation and a prayer These may enable readers to experience more than the commercialism of the season and be led to magnify Jesus the One who is at the heart of why we celebrate Christmas or write New Years Resolutions A line in The Little Prince by Antoine de Saint Exupery summarizes a crucial idea informing this collection And now here is my secret a very simple secret It is only with the heart that one can see rightly what is essential is invisible to the eye *If You Meet the Buddha on the Road* Michael Jerryson, 2018-03-27 It is said that the famous ninth century Chinese Buddhist monk Linji Yixuan told his disciples If you meet the Buddha on the road kill him The deliberately confounding statement is meant to shock people out of complacent ways of thinking But beyond the purposeful jolt from complacency there is another intention This axiom suggests that for liberation one should seek the Buddha nature that resides within rather than a mere Buddha exterior The metaphor of killing the Buddha dislodges a person from the illusion that enlightenment lies outside the body The proclamation also highlights the power of violence even on a symbolic level Violence abounds in Buddhist thoughts doctrine and actions however unacknowledged or misunderstood If You Meet the Buddha on the Road addresses an important absence in the study of religion and violence the religious treatment of violence In order to pursue an understanding of the relationship between Buddhism and violence it is important to first consider how Buddhist scriptures and followers understand violence Drawing on Buddhist treatments of violence Michael Jerryson explores the ways in which Buddhists invoke support or justify war conflict state violence and gender discrimination In addition the book examines the ways in which Buddhists address violence as military chaplains cope with violence in a conflict zone and serve as witnesses of blasphemy to Buddhist doctrine and Buddha images Meditations of an Adept Gilda M. Schaut, 2015-11-25 Everyone has a story to share even those that have passed on to other dimensions In Meditations of an Adept Gilda Schaut shares a collection of fascinating conversations with various souls both living and deceased who sought her out to be consoled assisted counseled or simply heard and in the process provided her with a better understanding of the universe In conversations guided by esoteric teachers and masters Schaut explores the complexities of the human mind and emotions while shining a light on stories told by survivors of tragedy jealousy war and ordinary death With hope that the stories will touch those who are struggling and help others interpret everyday events occurring on our planet Schaut discloses dialogue with a variety of personalities who explain their perspectives on transition after death the process of reincarnation the presence of God the concept of faith and why it is so important for the soul to continue learning even in the afterlife Meditations of an Adept shares enlightening conversations and stories that express the light love and knowledge of the Divine Law and teach others that life does not end after death
