Clinical Medical Assisting begins with Kinn Elsevier's Kinn's The Clinical Medical Assistant 13th Edition provides you with the real world clinical skills that are essential to working in the modern medical office. An applied learning approach to the MA curriculum is threaded throughout each chapter to help you further develop the tactile and critical thinking skills necessary to assist with medications, diagnostic procedures and surgeries. Paired with our adaptive solutions, real world simulations, EHR documentation and HESI remediation and assessment, you will learn the leading skills of modern clinical medical assisting in the classroom. Applied approach to learning helps you use what you've learned in the clinical setting. Clinical procedures integrated into the TOC provide you with a quick reference. Detailed learning objectives and vocabulary with definitions highlight what's important in each chapter. Step by step procedures explain complex conditions and abstract concepts. Rationales for each procedure clarify the need for each step and explain why it's being performed. Critical thinking applications test your understanding of the content. Patient education and legal and ethical issues are described in relation to the clinical Medical Assistant's job. Threaded case scenarios help you apply concepts to realistic clinical situations. Portfolio builder helps you demonstrate clinical proficiency to potential employers. NEW Chapter on The Health Record reviews how you will maintain and interact with the medical record. NEW Chapter on Competency Based Education helps you confidently prepare for today's competitive job market. NEW Clinical procedure videos help you to visualize and review key procedures.

Kinn's The Medical Assistant - E-Book Deborah B. Proctor, Alexandra Patricia Adams, 2013-12-27 Prepare for a successful career in medical assisting. Kinn's The Medical Assistant 12th Edition helps you learn the real world administrative and clinical skills essential to working in the health care setting. Administrative coverage ranges from professionalism and interpersonal skills to billing and coding and electronic health records. Clinical content teaches how to assist with medications, diagnostic procedures and surgeries. And no other comprehensive medical assisting text can match its coverage of assisting with medical specialties. Written by medical assisting experts Alexandra Adams and Deborah Proctor, this classic resource also includes an Evolve companion website with practical exercises and activities, videos and review questions for the CMA and RMA certification exams. More chapters on assisting with medical specialties than any other Medical Assisting text prepare you to assist in specialty exams and make you better qualified to work in specialty fields like cardiology, dermatology, ophthalmology, gynecology and neurology. Step by step illustrated procedures make it easier to learn and understand medical assisting skills and include rationales for each step. Threaded case scenarios help you develop critical thinking skills and apply concepts to realistic administrative and clinical situations. Patient education and legal and ethical issues are described in relation to the Medical Assistant's job. A Portfolio Builder on the Evolve website helps you demonstrate proficiency to potential employers.
