**Hollywood and Catholic Women** Kathryn Schleich, 2012-03-23 In this second edition of her exploration of Catholic women in film and television author Kathryn Schleich presents an in depth feminist point of view while addressing important questions about the role of women in both the Church and Hollywood Throughout Schleich's

extensive research she noticed that themes of fear mistrust and even hatred of women were prevalent While examining such deeply ingrained attitudes it soon became evident to Schleich that Catholic women still have a long way to go in Hollywood As she carefully explores the sexual tension between Sister Benedict and Father OMalley in The Bells of St Marys the brutal murder of Theresa Dunn in Looking for Mr Goodbar and the stereotype shattering Grace Hanadarko of Saving Grace Schleich offers an insightful portrayal of womens oppression within the Catholic Church and explores whether Catholic women are better off today This study encourages contemplation of the place of Catholic women within the ever changing spheres of cinema and television ultimately encouraging movement toward the goal of achieving equal status for women in all realms of life MotherScholars' Perceptions, Experiences, and the Impact on Work-Family Balance Megan

Reister,2022-05-17 MotherScholars mothers who work as faculty and staff members within higher education juggle a multitude of roles leader researcher wife partner mother caregiver advisor teacher mentor volunteer MotherScholars Perceptions Experiences and the Impact on Work Family Balance shares how MotherScholars can achieve a work family balance even during the COVID 19 pandemic and explores if there truly is a right way to go about achieving this balance It can be a life long and at times delicate journey as MotherScholars try to choose between the often too many opportunities they have before them Despite the challenges the opportunity to mother and work in so many capacities as a MotherScholar can lead to satisfaction and fulfilling purpose in a meaningful way as MotherScholars cultivate gratitude while seeking work family balance even during a pandemic The Entrepreneurial Mom: Managing for Success in Your Home and Your Business Mary E. **La Gorda** Eric N. Bentley,2022-08-01 A few years A few months A few weeks A few days Simple multiple choice answers to a complicated question How long would it take to ruin a man his family his church and his community Well if you ask Sheriff Marcus Wheeler he would tell you he holds the world record of accomplishing all four in just a few days In reality most of it was accomplished in under eighteen hours Was he proud of that Absolutely He had warned Pastor Bo Ostermon what would happen to those he loved if he failed to hold up his end of the deal After all isn t a sheriff supposed to be a man of his word So as he had promised he destroyed that little preacher man and became the town hero in the process Pray if you wish he will not come for you Your protector is powerless to help you Your faith is weak Little man of God you can t even protect the ones you love from me You are a spineless coward You have taken something that belongs to me Return the members of the Vasquez family to me And for your punishment you will now serve my purposes YOU BELONG TO ME Another thick blast of putrid air burst from his nostrils the sulfur so foul Bo passed out falling face first into the sand completely drenched in sweat The last thing he remembered before hitting the ground was the demon s final words YOU BELONG TO ME

**Art Girls Are Easy** Julie Klausner,2013-05-07 Fifteen year old Indigo Hamlish is an art prodigy looking forward to her last summer at the Silver Springs Academy for Fine and Performing Arts for Girls But her BFF Lucy Serrano is a C I T this year and that means she doesn t have to hang out with Indigo and the other campers anymore

she can mingle with the counselors including Indigo's scandalous and unrequited crush paint splattered art instructor Nick Estep But it's not like anything is going to happen between Lucy and Nick right As Indy becomes more and more paranoid about what's going on between her best friend and her favorite counselor Indy's life and her work spin hilariously out of control Funny and bold Art Girls Are Easy is a comedy of errors filtered through the wry satirical eyes of a girl who's been there done that and is just looking for a little inspiration "You're Not My Real Dad!" Rich Reeder, 2019-10-17 After years and years of fighting arguing drug overdoses and suicide threats we had no idea of how we could make it through the next day We were being held hostage by my 19 year old step daughter who would threaten to kill herself if she didn't get what she wanted We couldn't just give in to her nor could we not take her threats seriously In the midst of yet another argument she played the I'll kill myself card again Being beyond the point of extreme frustration and hopelessness I got up and walked calmly to our closet returning with my gun I placed the gun in her lap looked into her eyes and said Go ahead just do it I promised her we would give her a nice funeral and take good care of her remains I then said just do it or shut up about it She paused for a few moments and looked at the gun We were a normal middle class family living in the suburbs trying to have a regular life like anyone else With years and years of fighting and battling a normal life is one we didn't know would ever be possible I was first a married guy without kids then a step dad and eventually a father I have seen the effects of divorce from many angles and the toll it takes on entire families and the kids I saw it in my own home in ways I would never have believed Mix in some mental issues and it was a raging battle Having experienced all that I want to encourage families to think hard about what a family breakup can do to the family at large My hope is that sharing my experiences might help families stick it out and reap the blessing of not having given up Self-Study of Language and Literacy Teacher Education Practices Judy Sharkey, Megan Madigan Percy, 2018-08-16 Self Study in Teacher Education Practices S STEP contribute to teacher education in culturally and linguistically diverse communities and contexts The chapters reflect the scholarly inquiry of teacher educators dedicated to investigating and improving their practice The Routledge International Handbook of Disability Human Rights Hierarchies Stephen Meyers, Megan McCloskey, Gabor Petri, 2023-10-31 Disability is defined by hierarchy Regardless of culture or context persons with disabilities are almost always pushed to the bottom of the social hierarchy With the advent of the Convention on the Rights of Persons with Disabilities 2006 disability human rights seemingly provided a path forward for tearing down ableist social hierarchies and ensuring that all persons with disabilities everywhere were treated equally Despite important progress the disability human rights project not only remains incomplete but has often created new hierarchies among persons with disabilities themselves or across the human rights it promotes Certain groups of persons with disabilities have gained new voices while others remain silenced and certain rights are prioritized over others depending on what states international organizations or advocates want rather than what those on the ground need most This volume was inspired both by the continued need to expose human rights violations against persons

with disabilities but to also explore the nuanced role that hierarchies play in the spread implementation and protection of disability human rights The enjoyment of human rights is not equal nor is the recognition of specific individuals and groups rights In order to change this situation inequalities across the disability human rights movement must be explored Divided into five parts Who counts as disabled Political social and cultural context Which rights on top whose rights on bottom Pushed to the periphery in the disability rights movement Representations of disability and comprised of 34 newly written chapters including case studies from the Anglophone Caribbean Bangladesh Bosnia Herzegovina China Ghana Haiti Hungary India Israel Kenya Latin America Poland Russia Scotland Serbia and South Africa and other countries this book will be of interest to all scholars and students of disability studies sociology human rights law and social policy

**Expanding NATO: What Challenges and Opportunities Wait Ahead?** Petre Roman, Richard Higgot, Simon Reich, Roger E. Kanet, Ryszard Zięba, Ulrich Kühn, Tim Thies, Megan Gisclon, Fuat Keyman, William R. Thompson, Charles Derber, Margaret E. Kosal, Julian Reid, Tomasz Grzegorz Grosse, Rebecca Jensen, Larry D. Caswell, Giuseppe Spatafora, 2023-06-01 In an ever changing world marked by geopolitical shifts and evolving security threats it is crucial to reassess and adapt the collective defense architecture that underpins international stability Established more than 70 years ago NATO has been a crucial element of global security and a demonstration of the effectiveness of collective defense The expansion of NATO s reach has become a significant topic of debate as the world evolves The North Atlantic Treaty Organization NATO has effectively ensured the security of its member states through a collective defense framework making it a successful alliance The evolving global landscape which includes emerging threats changing power dynamics and evolving security challenges has led to a reassessment of NATO s role and scope There are those who advocate for the acceptance of NATO s expansion as a means of strengthening security and fostering collaboration among nations with similar values The argument posits that enlarging NATO s membership can function as a deterrent against acts of aggression strengthen democratic principles and promote a more stable global system This special issue which we had the great pleasure of working together with NATO s Public Diplomacy Division seeks to delve into the multifaceted dimensions of expanding NATO exploring the challenges and opportunities that lie on the horizon As we examine this critical issue it is important to emphasize that the views expressed in these pages are diverse and reflect the complex and varied perspectives on NATO s expansion Our authors specialists from a wide range of different fields contributed their valuable opinions regarding this important discussion which has become further important since Russia s aggression against Ukraine has escalated with simultaneously intensifying debates concerning the start of a new Cold War in our time Romania s former Prime Minister Petre Roman emphasizes the significance of NATO s eastward expansion as a crucial geopolitical process He highlights how this expansion allowed countries to prepare for potential Russian aggression while pursuing the path of successful democracy Romania having emerged from the oppressive communist regime of Ceausescu eagerly sought NATO membership and officially joined in 2004

Geographically positioned at the heart of NATO's objectives Romania plays a central role in the defensive complex within the post Soviet space With Poland guarding the Baltic Sea Romania stands as a pivotal defender of the Black Sea region where historical Russian imperial ambitions persist Moreover Romania's commitment to NATO is demonstrated through its active participation in Western missions and its role in safeguarding vital corridors such as the precious grain corridor This article sheds light on Romania's strong pro Atlantic and pro American sentiment positioning the country as a model ally within the alliance Professor Richard Higgot and Professor Simon Reich critically examine the prevailing narratives surrounding the structure of the world order ranging from bi polarity and multi polarity to predictions of the end of globalization or a Cold War v 2 0 They caution against the tendency of pundits to assert rather than reason these explanations often seeking fleeting moments of fame Instead their paper takes a more modest approach eschewing grand statements about world order and emphasizing the inherent uncertainty of the future Their paper offers valuable insights into the nuanced dynamics of a fuzzy bifurcation emphasizing that the behavior of different actors is influenced by a more fluid and less predictable global landscape By exploring the implications for NATO Higgot and Reich contribute to a deeper understanding of the challenges and opportunities that arise in an increasingly complex international environment Professor Roger E Kanet undertakes a comprehensive examination of Vladimir Putin's commitment to rebuilding Greater Russia and its implications particularly in the context of the invasion of Ukraine Putin's vision revolves around re establishing the former Soviet Union and extending Russian dominance beyond its borders driven by a belief in the historical and cultural ties between Russians and Ukrainians Professor Kanet argues that despite other influencing factors the re establishment of Moscow's influence and control over as much post Soviet territory as possible essentially recreating Greater Russia is of utmost importance While NATO expansion may have been a contributing issue the author contends that the dominance of Ukraine is a primary objective Moreover the successful domination of Ukraine could pave the way for future expansion into other former Soviet areas such as the Baltics Professor Ryszard Zieba adopts an offensive realist perspective to examine the implications of NATO's post Cold War enlargement The article highlights that these implications unfold on multiple levels encompassing various aspects of the international landscape Through this lens Professor Ryszard Zieba's article offers a comprehensive analysis of the implications of NATO's post Cold War enlargement By examining these implications on multiple levels the article sheds light on the intricate dynamics and challenges that arise in the evolving international landscape The insights presented contribute to a deeper understanding of the complex interactions between NATO Russia and other global actors urging careful consideration of the consequences of NATO's expansion and its ongoing policy choices We encourage you to learn more about Expanding NATO What Challenges and Opportunities Wait Ahead On behalf of Transatlantic Policy Quarterly I would like to express my gratitude to all the contributors who committed a significant amount of effort and work The TPQ team has had a great time putting together this special issue An important acknowledgment goes to our partner for this special issue

NATO's Public Diplomacy Division Moreover we are grateful for our Premium Cooperative Sponsor for this issue T pra We also like to thank our other sponsors Halifax TEB and Uluslararası li kiler Dergisi for their ongoing support
