The Gospel According to Star Trek Kevin C. Neece,2018-01-01 What s Christian about Star Trek Nothing That s the way most people see it and that certainly seems to be the way the franchise is intended There s no question that the Trek universe is based on a doggedly humanistic worldview and is set in a future time when religion has essentially vanished from Earth If that s the case how can there even be a Gospel According to Star Trek In *The Gospel According to Star Trek* you ll discover how the continuing voyages of Kirk and company aboard the Enterprise from the Original Series to Star Trek Beyond tell us more about our human quest for God than you ever imagined You ll learn how Star Trek creator Gene Roddenberry s own spiritual quest informed the franchise what he and the series really have to say about God and religion and the amazing image of Christ contained in Star Trek s most popular character You ll also see how Star Trek can help us recover a deeper more fully human gospel that embraces our humanity instead of denigrating it and echoes the call of both Spock and Christ Live long and prosper John 10 10 **Jabberwocky** Steven Gardner,2021-05-25 This is a holy book Rabbi Lawrence Kushner Graham Hale Gardner died before turning twenty three and never learned to walk or speak due to severe cerebral palsy complicated by epilepsy Yet he left a legacy of love and compassion that deeply moved scores of people from widely different backgrounds How was that possible Graham s story written through the eyes of his father speaks of the enormous legacy left by a boy who never spoke A story that raises provocative questions about the invisible lines of connection that make us human *Godzilla #1 - 24 (King of the Monsters)* , Complete series Vol 1 Vol 24 **Justice and Popular Culture** George A. Gonzalez,2019-07-18 This book examines how the Star Trek franchise does more than reflect and depict the political

currents of the times Gonzalez argues that Star Trek also presents an argument as to what constitutes a just stable thriving society By analyzing Star Trek this book argues that in order to obtain true democracy and justice the productive forces of society must be geared toward achieving a thriving society the whole individual and the environment This dialectic is consonant with the notions of revolutionary change progress postulated by Karl Marx and examined within this text The book concludes that the only way to hope to avoid a planetary cataclysm is through justice more specifically communism as a concept of justice

Popular Culture, Conspiracy Theory, and the Star Trek Text George A. Gonzalez, 2020-03-04 The forward progress of society is not automatic and should not be taken for granted The assassination of President John F Kennedy in 1963 can be viewed as ending his effort to deploy American prestige and power to forward change worldwide Today there are political forces seeking to stop progressive social political and economic change Whatever the reasons such forces are conspiring to impose authoritarianism to suppress the public s desire for just

democratic government The brutality violence viciousness and racism dystopia of authoritarianism are becoming more and more the hallmark of world politics Perhaps the most glaring aspect of this dystopia is the fact that the American state has been almost continuously at war for the past thirty years including a sinister dastardly drone assassination program One means to obscure the ongoing conspiracy to ultimately impose outright dictatorship on the American people and the rest of the world is to smear and malign critics of this conspiracy as guilty of conspiracy theory advocating and embracing baseless fantasies
