tensions produced by such pluralities in order to better understand the textual worlds of women's multiple belongings as they are present in these writings *Roads of Her Own* is thus not only situated in the broader context of a constructivist cultural studies but also by discussing narrative mobility under the sign of gender combines insights from social theory and philosophy feminist cultural geography and literary studies Key names and concepts Doreen Massey Rosi Braidotti Literary Studies Spatial Turn Gendered Space and Mobility Nomadism Road writing Transdifference American Culture Popular Culture Women's Literature after the Second Wave Quest Picara *Tourism and Embodiment* Catherine Palmer, Hazel Andrews, 2019-07-23 The role of the body and the concept of embodiment have largely been neglected in anthropological studies of tourism This book explores the notion of the tourist body and develops understanding of how touristic practice is embodied practice not only for tourists but also for those who work in tourism This book provides a more holistic understanding of the role of the body in making and re making self and world by engaging with tourism This collection brings together scholars whose work intersects with the anthropology of tourism who each draw upon ethnographically informed research based on international case studies that include India Turkey Australia and Tasmania Denmark the United States Nepal France Italy South Africa and Spain The case studies focus on a variety of themes including human and nonhuman bodies The range of case studies gives the book an international appeal that makes it valuable to academic researchers and students in the disciplines of social anthropology cultural geography sociology philosophy and the field of tourism studies itself

Politics in Developing Countries Damien Kingsbury, 2019-02-01 *Politics in Developing Countries* provides a clear and reader friendly introduction to the key factors and themes that shape political processes in developing countries Achieving development outcomes such as reducing poverty and inequality is only possible through efficient governance well planned policies and careful allocation of resources but often politics in developing countries has been identified with mismanagement corruption conflict and repression of dissent This book assesses the politics of developing countries in the period since decolonisation focusing on the ways in which states have or have not worked to the advancement of their citizens interests Key topics include Colonialism and its legacy Ethnicity and nation building Governance corruption and the role of the state Poverty and the political economy of development Aid and outside influence Drawing on a range of case studies from around the world *Politics in Developing Countries* looks at the consistencies and variations between developing countries examining why some have forestalled political change by liberalising their economies and others have actively stifled calls for change Wide ranging and engagingly written this introductory textbook is perfect for students of politics and international development as well as for those with a general interest in the challenges faced by countries in the Global South

Group Homes for People with Intellectual Disabilities Tim Clement, Christine Bigby, 2010 Draws on a unique 3 year action research study that surveyed daily life and residents experiences Provides evidence based strategic and practical suggestions for ways that staff and organisations can improve quality of life for residents Authors from La Trobe University

Australia **Tourism and Gender** Annette Pritchard, 2007-01-01 While contemporary popular discourses dismiss gender and feminism as passé patriarchy and sexism continue to limit human possibilities around the globe The tourism industry can be a force for empowerment but it can also shore up exploitative gendered practices At the same time tourism enquiry itself continues to be dominated by western masculinist approaches This collection of studies seeks to advance feminist and gender tourism studies with its focus on embodiment Broad themes include the construction of narratives how discourses of desire sensuality and sexuality pervade the tourism experience the use of the body to represent femininity masculinity and sensuality and finally how travel and tourism allow for empowerment resistance and carnivalesque opportunities *Lost Worlds* Kevin Foster, 2009-09-07 Think of Latin America and what do you see Escape Adventure Chaos Oblivion *Lost Worlds* explores how these stereotypes came into being and what they tell us about ourselves Examining a range of texts from Southey's epics to Naipaul's essays from Conan Doyle's gentlemen adventurers to Kerouac's restless hipsters this book reveals the role that Latin America has played in British US and Australian endeavours in the nineteenth and twentieth centuries Over the last 200 years Latin America has served the West as an imaginary realm where its highest hopes and deepest anxieties might be realised

Rethinking Oral History and Tradition Nepia Mahuika, 2019-10-09 Indigenous peoples have our own ways of defining oral history For many oral sources are shaped and disseminated in multiple forms that are more culturally textured than just standard interview recordings For others indigenous oral histories are not merely fanciful or puerile myths or traditions but are viable and valid historical accounts that are crucial to native identities and the relationships between individual and collective narratives This book challenges popular definitions of oral history that have displaced and confined indigenous oral accounts as merely oral tradition It stands alongside other marginalized community voices that highlight the importance of feminist Black and gay oral history perspectives and is the first text dedicated to a specific indigenous articulation of the field Drawing on a Maori indigenous case study set in Aotearoa New Zealand this book advocates a rethinking of the discipline encouraging a broader conception of the way we do oral history how we might define its form and how its politics might move beyond a subsuming democratization to include nuanced decolonial possibilities

Heritage and the Olympics Sean Gammon, 2017-07-05 The Olympic Games have evolved into the most prestigious sport event on the planet As a consequence each Games generates more and more interest from the academic community Sociology politics geography and history have all played a part in helping to understand the meanings and implications of the Games Heritage too offers invaluable insights into what we value about the Games and what we would like to pass on to future generations Each Olympic Games unquestionably represents key life markers to a broad audience across the world and the great events that take place within them become worthy of remembrance celebration and protection The more tangible heritage features are also evident from the myriad artefacts and ephemera found in museums to the celebratory symbolism of past Olympic venues and sites that have become visitor attractions in their own right This edited collection

offers detailed and thought provoking examples of these heritage components and illustrates powerfully the breadth passion and cultural significance that the Olympics engender This book was published as a special issue of the International Journal of Heritage Studies Rethinking Oral History and Tradition Nepia Mahuika,2019 For many indigenous peoples oral history is a living intergenerational phenomenon that is crucial to the transmission of our languages cultural knowledge politics and identities Indigenous oral histories are not merely traditions myths chants or superstitions but are valid historical accounts passed on vocally in various forms forums and practices Rethinking Oral History and Tradition An Indigenous Perspective provides a specific native and tribal account of the meaning form politics and practice of oral history It is a rethinking and critique of the popular and powerful ideas that now populate and define the fields of oral history and tradition which have in the process displaced indigenous perspectives This book drawing on indigenous voices explores the overlaps and differences between the studies of oral history and oral tradition and urges scholars in both disciplines to revisit the way their fields think about orality oral history methods transmission narrative power ethics oral history theories and politics Indigenous knowledge and experience holds important contributions that have the potential to expand and develop robust academic thinking in the study of both oral history and tradition *A Victim Community* Nicola O'Leary,2021-12-13 Although historically ignored crime victims are now very firmly on the map For politicians newspapers the media and the public at large criminal injury and loss are a source of constant concern and anxiety Criminologists and media analysts have studied much of this concern in recent years but what has not been investigated is how communities experience high profile crimes and the media intrusion that inevitably follows This book seeks to address this gap by exploring how the communities of Soham and Dunblane that witnessed high profile crimes lived with the tragic events at the time and the attention of the world s media afterwards Based on a two year qualitative study of these communities this book looks beneath the surface of the relationships dilemmas and unexpected triumphs of communities struggling to come to terms with the most harrowing of events within the glare of the media spotlight Combining empirical observations with media analysis and social theory this book offers something new to the criminological audience the concept of the victim community *Grinding California* Konstantin Butz,2014-03-15 Grinding California provides the first academic analysis of the subculture of skate punk at book length It establishes highly critical evaluations of the discourses that influenced early skateboarding and punk cultures Based on an examination of songs flyers magazines and videos Konstantin Butz revisits American popular cultures of the 1980s and approaches them from a variety of theoretical and methodological angles He introduces contemplations of the rebellious potential that can be located within skate punk s material and corporeal contestations of the site specific locale of suburban Southern California Theoretical recourse to thinkers such as Gilles Deleuze Félix Guattari Jean Baudrillard and Hans Ulrich Gumbrecht are topped off with excerpts from interviews with some of the most influential protagonists of the 1980s skate punk scene The Community of the Weak Hans-Peter Geiser,2013-03-28 Social postmodernism and systematic theology

can be considered the new pair in some of the most creative discussions on the future of theological method on a global scale Both in the academy and in the public square as well as in the manifold local and pastoral moments of ministry and community social activism the social the postmodern and the theological intermingle in engaging and border crossing ways The Community of the Weak presents a new kind of jazzy fundamental theology with a postmodern touch using jazz as a metaphor writing ethnographically messy texts out of the personal windows of lived experiences combining fragments of autobiography with theological reconstruction A comparative perspective on North American and European developments in contemporary systematic theology serves as a hermeneutical horizon to juxtapose two continents in their very different contexts The author proposes a systematic and fundamental theology that is more jazzy global and narrative deeply embedded in pastoral ministry to tell its postmodern story **Choice** ,2003 Sociology Stephen H. Aby,James Nalen,Lori Fielding,2005-04-30 Now in its third edition this critically acclaimed work provides undergraduate and graduate students faculty and librarians with descriptions of approximately 610 major reference sources in sociology its subdisciplines and the related social sciences Emphasis in this edition is on works in English published in the United States Great Britain Canada and Australia from 1997 through early 2004 Coverage of earlier works is included if coverage is historically important or not historically bound The third edition has been reorganized for ease of searching and adds over 325 new titles and electronic sources as well surveying new editions and updates of previously cited works making this a substantial revision and complement to the previous edition **The British National Bibliography** Arthur James Wells,2003 **Mova i kul'tura** ,2003 **Библиотека** ,2006
