The Eyes of the Devil Robert Fisher, 2010-08-12 The jungle skills of Major Philip Melville were extraordinary and had earned him the reputation of being the most accomplished Special Forces leader in Vietnam Shortly after the fall of Saigon he accepted one final mission He led a squad back into Nam to rescue a group of wounded soldiers and the civilians who were sheltering them He had been told the conquering North Vietnamese had no knowledge of the wounded group This intelligence would prove false Even without this complication Philip recognized the extreme danger of his task but would only later learn of its other ominous aspect Mei Li the young leader of the civilians had recently inherited a fabulous fortune which had come to the attention of the brutal avaricious General Tran He had sent his forces to track down Mei Li and plunder the treasure This mission would ultimately leave Philip with deep mental scars Many months later as his scars were slowly healing he was persuaded to abandon the peace he was finally enjoying in New Mexico to find out who was threatening Mei Li's life in Hong Kong There he would learn not only much of its colorful history but also its dangerous present Far from its attractive tourist areas in its backwaters and dingy side alleys he would have to face its most fiendish triad and would quickly understand that in this environment life was cheap This too was a jungle where death awaited those who interfered with its triad gangs Old scars would be reopened as he undertook this dangerous task He would learn the root cause of his troubles in Vietnam and in Hong Kong would be the same

Red Hand Robert Fisher, 2013-06-17 One year after the death of Mao Tse tung the Politburo is mired in a struggle between the hard line right and several groups of moderates unable to coalesce into a unified opposition A brilliant man who stays mainly in the shadows and is unknown to Western Intelligence is looked to by the rabid generals of the right as the only person capable of giving them what they want a plan to establish China as a world leader His exceptionally gifted mind finally does this His plan will take advantage of the divided Politburo and includes duping the leaders of Vietnam and North Korea as pawns in his scheme He regards it as a bonus that his plan will kill millions of people One apparently minor consequence of this plan comes to the attention of and intrigues the CIA's head of

operations in South East Asia The more he digs the more he becomes convinced that although his analysis is still extremely vague his gut is correct and America is in grave danger But Washington dismisses his conclusion Two years after defeat in Vietnam the last thing they want to countenance is another entanglement in Asia In frustration he contacts a retired soldier and begs him to investigate Colonel Philip Melville was the most successful leader of Special Forces in the Vietnam conflict The trail begins by his infiltrating back into Ho Chi Minh City and leads to Hong Kong and Beijing Along the way vague pieces of analysis become unthinkable catastrophic possibilities Still Washington refuses to intervene leaving Melville as the only barrier to Armageddon His nightmare turns to chilling reality when he learns time is rapidly running out Shanghai Donald Moore,2003-06-04 China 1939 a country besieged by war and poverty while its most modern city Shanghai openly displays wealth and decadence is the backdrop for a story of murder treachery and the search for a priceless artifact a jade and gold burial suit made two millenniums earlier for Chin Shih Huang ti the first emperor of China **The Mighty Wave** He Jin,2024 The translators Tan Jing Quee Loh Miaw Gong and Hong Lysa have helped revive this almost lost Singapore novel Ju Lang was its original title to add it to the country s literary heritage The novel s central feature is the anti colonial movement against the British in the Singapore of the early 1950s It follows a group of middle class students who started campaigning in 1954 for exemption from national service imposed by their British rulers and ends with the triumph of their party in the 1959 elections
