**Adenauer** Charles Williams,2001-06-21 Critical Acclaim for ADENAUER A gripping narrative brings to life an intriguing historical figure an enthralling perspective on the processes that shaped the postwar world Daily Telegraph London Charts the ironies of Adenauer s complicated life This is the story of a marathon man but it is narrated at the pace of a sprinter and with the elegance of a hurdler The Times London Lucid and engaging This is a well researched and elegantly written volume which deserves a wider readership than the purely political The Herald Glasgow A highly readable thoroughly reliable intelligently critical life and times This portrait does justice to a man who is often invoked as a prophet of a United States of Europe but who was in truth the greatest of German patriots Literary Review London Well researched and admirably written reveals Adenauer the man with all his authority and strength his persistence and endurance and his streak of ruthlessness and political cunning The Independent London THE LAST GREAT FRENCHMAN Knowledgeable lucid the best English biography of de Gaulle The New York Times Book Review Charles Williams has matched a great subject by something near to a great book Daily Telegraph London      *Eight Days in May: The Final Collapse of the Third Reich* Volker Ullrich,2021-09-21 G ripping immaculately researched In Mr Ullrich s account the murderous behavior of the Reich s last ditch loyalists was not a reaction born of rage or of stubbornness in the face of defeat common enough in war but of something that had long ago tipped over into the pathological Andrew Stuttaford Wall Street Journal The best selling author of Hitler Ascent and Hitler Downfall reconstructs the chaotic otherworldly last days of Nazi Germany In a bunker deep below Berlin s Old Reich Chancellery Adolf Hitler and his new bride Eva Braun took their own lives just after 3 00 p m on April 30 1945 Hitler by gunshot to the temple Braun by ingesting cyanide But the F hrer s suicide did not instantly end either Nazism or the Second World War in Europe Far from it the eight days that followed were among the most traumatic in modern history witnessing not only the final paroxysms of bloodshed and the frantic surrender of the Wehrmacht but the total disintegration of the once mighty Third Reich In Eight Days in May the award winning historian and Hitler biographer Volker Ullrich draws on an astonishing variety of sources including diaries and letters of ordinary Germans to narrate a society s descent into Hobbesian chaos In the town of Demmin in the north residents succumbed to madness and committed mass suicide In Berlin Soviet soldiers raped German civilians on a near unprecedented scale In Nazi occupied Prague Czech insurgents led an uprising in the hope that General George S Patton would come to their aid but were brutally put down by German units in the city Throughout the remains of Third Reich huge numbers of people were on the move creating a surrealistic tableau death marches of concentration camp inmates crossed paths with retreating Wehrmacht soldiers and groups of refugees columns of POWs encountered those of liberated slave laborers and bombed out people returning home A taut propulsive narrative Eight Days in May takes us inside the phantomlike regime of Hitler s chosen successor Admiral Karl D nitz revealing how the

desperate attempt to impose order utterly failed as frontline soldiers deserted and Nazi Party fanatics called on German civilians to martyr themselves in a last stand against encroaching Allied forces In truth however the post Hitler government represented continuity more than change its leaders categorically refused to take responsibility for their crimes against humanity an attitude typical not just of the Nazi elite but also of large segments of the German populace The consequences would be severe Eight Days in May is not only an indispensable account of the Nazi endgame but a historic work that brilliantly examines the costs of mass delusion

*Berlin 1961* Frederick Kempe,2011-05-10 In June 1961 Nikita Khrushchev called Berlin the most dangerous place on earth He knew what he was talking about Much has been written about the Cuban Missile Crisis a year later but the Berlin Crisis of 1961 was more decisive in shaping the Cold War and more perilous It was in that hot summer that the Berlin Wall was constructed which would divide the world for another twenty eight years Then two months later and for the first time in history American and Soviet fighting men and tanks stood arrayed against each other only yards apart One mistake one nervous soldier one overzealous commander and the tripwire would be sprung for a war that could go nuclear in a heartbeat On one side was a young untested U S president still reeling from the Bay of Pigs disaster and a humiliating summit meeting that left him grasping for ways to respond It would add up to be one of the worst first year foreign policy performances of any modern president On the other side a Soviet premier hemmed in by the Chinese East Germans and hardliners in his own government With an all important Party Congress approaching he knew Berlin meant the difference not only for the Kremlin s hold on its empire but for his own hold on the Kremlin Neither man really understood the other both tried cynically to manipulate events And so week by week they crept closer to the brink Based on a wealth of new documents and interviews filled with fresh sometimes startling insights written with immediacy and drama *Berlin 1961* is an extraordinary look at key events of the twentieth century with powerful applications to these early years of the twenty first Includes photographs

seine Politik und auch für seine Person werben. Unterstützt von seinen persönlichen Imagemachern und weiten Teilen der westdeutschen Medienlandschaft begann Erhard daher bereits sehr früh an seiner eigenen Mythisierung zu arbeiten und den wirtschaftlichen Aufschwung untrennbar mit seiner Person zu verknüpfen. Mit Erfolg. Kurz vor seinem Wechsel in das Kanzleramt galt der Zigarre rauchende Wohlstandsgenosse Wundermann als der beliebteste und zugleich vertrauenswürdigste Politiker der Bundesrepublik. Im Kanzleramt wurde dieses Wundermann-Image für Erhard allerdings schnell zu einer Bürde, während es ihm nicht gelang, ein neues, ebenso wirksames Kanzlerimage aufzubauen. Das Bemühen Erhards, sich als über den Parteien schwebender Volkskanzler zu inszenieren, scheiterte ebenso wie der Versuch, die Soziale Marktwirtschaft mit der Idee der Formierten Gesellschaft weiterzuentwickeln. Das über Jahre aufgebaute Vertrauen in seine Person begann in der Folge rasant zu schwinden und zwang Erhard schließlich nach nur drei Jahren im Amt zur Rücktreppe. Gestützt auf politische Dokumente des Bundesarchivs, des Archivs der Ludwig Erhard Stiftung sowie auf Zeitzeugeninterviews zeichnet die Arbeit den politischen Werdegang Ludwigs Erhards aus einem neuen Blickwinkel nach. Es wird herausgearbeitet, welche Bedeutung der öffentlichen Selbst-Darstellung Erhards im Hinblick auf den Vertrauensaufbau, Erhalt und Verlust in seine Person zukam. The Ides of August Curtis Cate, 1978. Cate beschreibt nicht alleine die politische Begivenheiten, sondern auch die Ereignisse in Berlin, die den persönlichen Tragedien des Kanzlers beigetragen haben.
