Jack Debney,2016-01-06 An atmospheric collection of 5 stories all with vivid characterisation and a strong sense of place  
Three of the stories included in this collection feature the character Jim Skaife who has appeared in the author s earlier

Wooden Ship we return to Jim s infancy and a unloved gift given by a German POW The eponymous story Kharshouf features  
our central character as he reminisces about his time in Alexandria an experience he has shared with the author Artichoke is  
an Arabic word originally kharshouf our guest had explained at the beginning of his stay And when Mr Khrushchev the  
Russian leader but not for much longer came to Egypt in 1964 people started nicknaming him Kharshouf not because he  
resembled one all that spectacularly but because of the similar sounds to the words It made you look at politics in a different  
way when you realised that the world could be blown to bits by an artichoke Jack is influenced by writers as diverse as
