Melanin Dr Richard D King,2012-03-01      **Melanin** Richard D. King,Richard D King M D,2012-03-03 A Study of ancient African history reveals an early African definition of the human Melanin System as a whole body Black Melanin System that serves as the eye of the soul to produce inner vision true spiritual consciousness creative genius beatific vision to become Godlike and to have conversation with the immortals Ancestors The purpose of ancient African education was to provide knowledge and development of the will of the student that allowed salvation freedom of the soul from the fetters chains of the physical body George G M James Stolen Legacy      *Melanin* Amir Fatir,Richard D. King,1994      **Melanin** Richard D. King,2001      **If Black Is a Color, What Is Melanin?** Marian Olivia Heath Griffin,2022-07-13 ABOUT THE BOOK Our nation has taken great pains to cover up the history of the Black man Africans and the significance of Melanin in humans Even our White forefathers politically ran this country from before the Declaration of Independence to this very day the twenty first century When Thomas Jefferson constructed the Declaration of Independence other persons such as John Adams and Benjamin Franklin made several changes Ben Franklin even denoted in his writings the no more Africans should be brought from Africa because Whites were already out numbered in this country All men created equal included only White people since African slaves were brought to this country America only for the labor the slaves could produce as well as their knowledge talents and expertise in building this nation All people are given air to breathe as a gift from God and must value themselves and all others It appears that we will struggle for justice and equality for a lifetime and let a moral voice be heard for generations to come Black Lives Matter and All Lives Matter are a starting point There are many changes coming no situation is perfect but with our faith and willingness to accept each other s talents as gifts from our Creator we will prevail as a whole nation God has his finger print on us He s not pleased with us but He has the power and love to rebrand us in His own image      **Activating Social Solutions: Essential Keys to Progress** Verda H. learning determined by the rise and fall of local infection rates Life in our father s house is dedicated to the 18 million African American men and young adults over the age of 15 who live study and work to support their families every day just like our Dad We who are Brilliant Beyond All Imagination have done this before and can do it again Gathering Change Agents for Self Actualization Social Solutions individuals bring together people they know and or get to know while working on projects resolving objectives Activating Social Solutions Essential Keys to Progress presents ideas for individuals and groups to adopt as social catalysts for the greater good while ensuring self directed activities as we Save Our Selves One by One and All Together *Knowledge of Self* Supreme Understanding, Sunez Allah, C'BS Alife Allah, 2009-07-30 Do you know who and what you are Do you know who you re meant to be Do you know how to find the answers to questions like these Knowledge of Self is the result of a process of self discovery but few of us know where to begin when we re ready to start looking deeper Although self actualization is the highest of all human needs it is said that only 5% of people ever attain this goal In the culture of the Nation of Gods and Earths commonly known as the Five Percent students are instructed that they must first learn themselves then their worlds and then what they must do in order to transform their world for the better This often intense process has produced thousands of revolutionary thinkers in otherwise desperate environments where poverty and hopelessness dominate Until now few mainstream publications have captured the brilliant yet practical perspectives of these luminary men and women Knowledge of Self A Collection of Writings on the Science of Everything in Life presents the thoughts of Five Percenters both young and old male and female from all over the globe in their own words Through essays poems and even how to articles this anthology presents readers with an accurate portrait of what the Five Percent study and teach as well as sound direction on how to answer timeless questions like Who am I and why am I here Why is there so much injustice in the world and what can be done about it Who is God and where on Earth is he How do I improve myself without losing myself Why are people of color in the situations they re in What can we do about the global problems of racism and poverty **The Healing Power of the Sacred Woman** Christine R. Page, 2012-11-16 How to enhance well being by reconnecting to sacred womanhood Shares ways to embody the power wisdom and compassion of the Great Mother Reveals a woman s purpose is to give birth not only to new life but also to new levels of consciousness Shows how female illnesses represent a disconnection from our true identity as women Four thousand years ago women were seen as living representatives of the Great Mother whose cyclical and potent energy gave birth to all existence Today this sacred awareness has been lost or distorted causing a collective amnesia among women around the world However there is one symbol of the Great Mother s loving presence that has remained unchanged for tens of thousands of years the physical body Its curves sensuality softness and monthly flow are constant reminders of this deep loving connection When illness appears especially within the breasts and fertility organs a woman is being reminded to return to her pure and sacred identity where death and birth are essential for growth and love flows without expectations Combining more than 30 years experience in health care

with in depth research into the history and mythology of the divine feminine Christine R Page M D reveals that women are the foundation of the birth of new levels of consciousness without which the evolution of humanity will become barren and dry Yet such birth can occur only when women have the courage to reject the beliefs and images of the feminine imposed upon them four thousand years ago and reclaim their true identity Through a fascinating journey into the body Dr Page shows the importance of self love and self respect and explains how sex is a natural process of unification where women take the lead similar to the ancient sacred priestesses Dr Page reminds women to reconnect to the potent and creative energy of Mother Earth which gives power to the intuitive voice of the heart and nurtures new seeds of inspiration and enlightenment through the womb

**Decolonizing and Feminizing Freedom** Denise Noble,2017-02-17 This book traces the powerful discourses and embodied practices through which Black Caribbean women have been imagined and produced as subjects of British liberal rule and modern freedom It argues that in seeking to escape liberalism's gendered and racialised governmentalities Black women's everyday self making practices construct decolonising and feminising epistemologies of freedom These in turn repeatedly interrogate the colonial logics of liberalism and Britishness Genealogically structured the book begins with the narratives of freedom and identity presented by Black British Caribbean women It then analyses critical moments of crisis in British racial rule at home and abroad in which gender and Caribbean women figure as points of concern Post war Caribbean immigration to the UK decolonisation of the British Caribbean and the post emancipation reconstruction of the British Caribbean loom large in these considerations In doing all of this the author unravels the colonial legacies that continue to underwrite contemporary British multicultural anxieties This thought provoking work will appeal to students and
