*Melissa the Mouse* Alice P. Miller, 1982-01-01      **Melissa Mouse** Maria Claret, Jane O'Sullivan, 1985-01-01 Every month Melissa Mouse's magic cupboard gives her a piece of advice which is reinforced by her friends' behavior      *Melissa Mouse* Maria Claret, 1984-01-01 Every month Melissa Mouse's magic cupboard gives her a piece of advice which is reinforced by her friends' behavior      **Melissa Mouse Moves House** Michelle Lovric, 1994 Melissa is a mouse who cannot keep awake until one day her family moves house and her whole life changes      Max the Mouse and the Secret of Mars Michael Cantwell, 2016-12-14 Max the mouse didn't mean to run away from home. He had a good gig with his owner Melissa. He was well fed and he liked riding on the little girl's shoulder when she walked around the house. But Max was really curious to see what was on the other side of the fence in the backyard. Once over the fence, Max joins a group of endangered mice to found a new colony in a deserted field where mice are safe from the evil urban alley cats. But life, especially for mice, being what it is, the little group finds no peace in their private Eden. So Max cleverly rigs up a balloon for an escape to Mars. He deals with a pompous senator who helps create the hot air for their sails, a scholar mouse, a church mouse, and a love interest. Max and his little band of explorers discover that Mars is even more dangerous than Earth. For mice, that is. A science fiction book for young readers, *Max the Mouse and the Secret of Mars* delivers important messages about kindness, bravery, and the need to save the Earth through Max's adventures      *Richard Scarry's the Country Mouse and the City Mouse* Patricia Scarry, 2018-07-10 Featuring three classic fables, Richard Scarry's 1961 Little Golden Book is now available for a new generation. The one and only Richard Scarry retells three beloved fables of Aesop in this must-have Little Golden Book now back in print. Featuring *The Country Mouse and the City Mouse*, *The Fox and the Crow*, and *The Dog and His Bone*, this witty classic previously only available in a story collection is now available as a Little Golden Book. Little Golden Books have been loved by children for over 75 years. When they were first published in 1942, high-quality books for children hadn't been available at a price most people could afford. Little Golden Books changed that. Priced at just 25 cents and sold where people shopped every day, they caused an instant sensation and were soon purchased by the hundreds of thousands. Created by such talented writers as Margaret Wise Brown, author of *Goodnight Moon*, and Richard Scarry, Little Golden Books have helped millions of children develop a lifelong love of reading. Today, Little Golden Books feature beloved classics such as *The Poky Little Puppy* and *Scuffy the Tugboat*, hot licenses, and new original stories, the classics of tomorrow ready to be discovered between their sturdy cardboard covers and gold foil spines      *The Mouse in Biomedical Research*, 2006-12-05 Immunology, the third volume in the four-volume set *The Mouse in Biomedical Research*, is a completely new addition to this series dedicated to mouse immunology. It is based on the vast body of knowledge which has made the mouse the model of choice when studying immunity in man. Arguably more is known about the immune system in mice than any other species except man. In large part, this is due to the power of genetic engineering to delineate molecular mechanisms. In this volume, we

present an Overview to mouse immunology including both the innate and adaptive immune systems followed by 15 chapters each dealing with a specific area of immunology in the mouse These chapters illustrate the power of genetic engineering in dissecting each component of the immune response from the development of lymphoid tissues to signal transduction pathways in activated cells

Williams, **Multiculturalism and the Mouse** Douglas Brode, 2005 Douglas Brode's spirited defence of Disney entertainment argues that Disney paved the way for today's multicultural values through its positive portrayal of women ethnic minorities gays and non Christian spirituality and it was this portrayal of difference that promoted diversity decades before the 1990s
