Meltwater Poems

Bertolt Brecht

Meltwater Poems:

Meltwater Claire Wahmanholm, 2023-03-14 A haunting collection that inhabits a disquieting future where fear is the governing body the organ and the tissue and the cell the membrane and the organelle Once there were oarfish opaleyes olive flounders Once the oxbows were not overrun with nitrogen Part requiem part bedtime story Meltwater narrates the awful possibility of doom as well as the grim temptation to numb ourselves to it Prose poems melt into erasures erasures swell into lush catalogs Within this formal ebb and flow Claire Wahmanholm explores both abundance and annihilation giving shape and music to our shared human anxieties What does it mean to bring children into a world like this one A world where grenades are the only kind of fruit we can still name Where lightning can strike over and over without boredom or belief and nothing is saved Where losses both ecological and personal proliferate endlessly Here a parent's joy is accompanied by the gnaw of remorse And yet Wahmanholm recognizes children bind us to the world to its missiles and marvels to the possibility that there is indeed grace worth suffering the empty universe for If we are going to worry let us also at least wonder If we are going to be seized by terror let us also be seized by the topaz sky and the breeze through it A glittering kinetic testament to vanishing of biodiversity of climate stability of a sense of safety Meltwater is both vindication and balm **Meltwater**

Etta Ruth Weigl, 1982 **Selected Poems** John Burnside, 2011-11-30 Over seventeen years and nine collections John Burnside built in the words of Bernard O Donoghue a poetic corpus of the first significance a poetry of luminous limpid grace In this Selected Poems his territory is the no man's land of threshold and margin the charmed half light of the liminal a domestic world threaded through with mystery myth and longing We can see themes emerge and develop within the growing confidence of Burnside's sinuous lyric poise the place of the individual in the world the idea of dwelling of home within that community and the lure of absence and escape set against the possibilities of renewal and continuity This is consummate immaculate work born out of a lean and agile craftsmanship profound philosophical thought and a haunted haunting imagination the result is a poetry that makes intimate resonant exquisite music Crackles of Speech: Poems Steven Withrow, 2014 Steven Withrow is the new face of children's poetry in America but the formalist poems of his Crackles of Speech are nothing of the kind Rather they are the compressed bliss of poetry writ large built of masterful metrics wonderfully inventive metaphors and uninhibited diction back cover

Poetry, Politics, and the Law in Modern Ireland Adam Hanna, 2022-09-06 Poetry Politics and the Law in Modern Ireland is a richly detailed exploration of how modern Irish poetry has been shaped by and responded to the laws judgments and constitutions of both of the island's jurisdictions Focusing on poets responses in their writing to such contentious legal issues as partition censorship paramilitarism and the curtailment of women's reproductive and other rights this monograph is the first in the growing field of law and literature to focus exclusively on modern Ireland Hanna unpacks the legal engagements of both major and non canonical poets from every decade between the 1920s and the present day including Rhoda Coghill Austin Clarke Paul Durcan Elaine Feeney Miriam

Gamble Seamus Heaney Thomas Kinsella Paula Meehan Julie Morrissy Doireann N Ghr ofa and W B Yeats Poetry from the time of independence onward has been shaped by two opposing forces On the one hand the Irish public has traditionally had strong expectations that poets offer a dissenting counter discourse to official sources of law On the other hand poets have more recently expressed skepticism about the ethics of speaking for others and about the adequacy of art in performing a public role Hanna s fascinating study illuminates the poetry that arises from these antithetical modern conditions
