Member Of Parliament:

Members of Parliament in Western Europe Wolfgang C. Müller, Thomas Saalfeld, 1997 This volume provides empirical work on legislative role orientations and behaviours in six west European parliaments All contributions present findings on parliamentarians role orientations in different institutional contexts *Parliament of India, the Ninth Lok Sabha, 1989-1991*, 1992 The concept of democracy is not new to India In fact the substance of self government lies embedded in its hoary past Nearly forty one years ago the country adopted a Constitution based on the principles of liberty equality fraternity and the rule of law India opted for parliamentary form of government because it suited the genius of the people It elected nine Parliaments on the basis of universal adult franchise and was thus able to live up to the expectations of a political awakened electorate The image of Parliament and its credibility as a representative institution largely depends on the role and functions of its Members The objective of the present study is therefore to provide an analysis of the work done by the Ninth Lok Sabha 18 December 1989 to 13 March 1991 in major fields during its short but eventful life span one year two months and twenty six days This sought to be done by means of articles by distinguished parliamentarians and others and statements and statistical tables supplemented by brief introductory notes An effort has also been made to present a comparative picture of the background of Members of the earlier Lok Sabha and the work done by them One of the noteworthy features of the Ninth Lok Sabha which held 7 sessions consisting of 109 sittings lasting over 754 hours was the passing of as many as 63 Bills including 7 Constitution Amendment Bills Two of the important Bills passed were the Prasar Bharati Broadcasting Corporation of India Bill and the National Commission for Women Bill These may well be considered as landmarks in the history of enactments made by the Parliament The Government can take credit for answering a staggering number of 21 550 questions on diverse subjects put to it by the members of the Ninth Lok Sabha It is hoped that the study will be helpful to researchers parliamentarians and all those who are engaged in a study of the working of parliamentary institutions and processes and enable them to form a picture of the tasks achieved and acquaint them with the diverse activities which a modern Parliament is called upon to perform A Treatise on the Law, Privileges, Proceedings and Usage of Parliament Thomas Erskine May, 1917 **Associate Justice William O. Italian Constitutional Justice in Global Context Vittoria Barsotti,Paolo G. Carozza,Marta Cartabia,Andrea Simoncini,2016 Italian Constitutional Justice in Global Context is the first book ever published in English to provide an international examination of the Italian Constitutional Court ItCC offering a comprehensive analysis of its principal lines of jurisprudence historical origins organization procedures and its current engagement with transnational European law The ItCC represents one of the strongest and most successful examples of constitutional judicial review and is distinctive in its structure institutional dimensions and well developed jurisprudence Moreover the ItCC has developed a distinctive voice among global constitutional actors in its adjudication of a broad range of topics from fundamental rights and liberties to the allocations of governmental power and regionalism Nevertheless in global constitutional dialog the voice of the ItCC has been almost entirely absent due to a relative lack of both English translations of its decisions and of focused scholarly commentary in English This book describes the Italian Style in global constitutional adjudication and aims to elevate Italian constitutional jurisprudence to an active participant role in global constitutional discourse The authors have carefully structured the work to allow the ItCC s own voice to emerge It presents broad syntheses of major areas of the Court s case law provides excerpts from notable decisions in a narrative and analytical context addresses the tension between the ItCC and the Court of Cassation and positions the development character and importance of the ItCC s jurisprudence in the larger arc of global judicial dialog **The Century Dictionary and Cyclopedia: The Century dictionary ... prepared under the superintendence of William Dwight Whitney** William Dwight Whitney,Benjamin Eli Smith,1903 **Country Reports on Human Rights Practices** ,2002 *Parliamentary Debates* New Zealand. Britain. Parliament. House of Commons. Political and Constitutional Reform Committee, 2012 The Government published a draft Bill on the Recall of MPs with the aim of restoring faith in the political process after the expenses scandal But the restricted form of recall proposed could reduce public confidence in politics by creating expectations that are not fulfilled Under the Government's proposals constituents themselves would not be able to initiate a recall petition Furthermore the circumstances that the Government proposes would trigger a recall petition are so narrow that recall petitions would seldom if ever take place The Committee believes that the new House of Commons Committee on Standards which will include lay members already has the sanctions it needs to deal with MPs who are guilty of misconduct including recommending the ultimate sanction of expulsion from the House of Commons in cases of serious wrongdoing The Committee argues that the option of expulsion must be actively considered and that the House must be prepared to act The Committee recommends that the Government replace the requirement for a single designated location for signing the recall petition with a requirement for multiple locations that people with an existing postal vote should automatically be sent a postal signature sheet in the event of a recall petition that constituents in Northern Ireland should have the same options for signing a recall petition as constituents elsewhere in the UK rather than being restricted to signing by post Bibliotheca Americana Joseph Sabin, 1878
