Leopoldie,2023-02-14 This work examines and compares courtship and marriage patterns that occurred between France and the United States during the nineteenth and twentieth centuries Departing from state centered studies of marriage law it draws on the methodologies of transnational history cultural history and the history of emotion to show that these unions were part of a broader pattern of the larger cultural love affair between the two societies *Between Two Worlds* Robin Judd,2023-12-05 Facing the harrowing task of rebuilding a life in the wake of the Holocaust many Jewish survivors community and religious leaders and Allied soldiers viewed marriage between Jewish women and military personnel as a way to move forward after unspeakable loss Proponents believed that these unions were more than just a ticket out of war torn Europe they would help the Jewish people repopulate after the attempted annihilation of European Jewry Historian Robin Judd whose grandmother survived the Holocaust and married an American soldier after liberation introduces us to the Jewish women who lived through genocide and went on to wed American Canadian and British military personnel after the war

Entangling Alliances Susan Zeiger,2010-03-01 Throughout the twentieth century American male soldiers returned home from wars with foreign born wives in tow often from allied but at times from enemy nations resulting in a new official category of immigrant the allied war bride These brides began to appear en masse after World War I peaked after World War II and persisted through the Korean and Vietnam Wars GIs also met and married former enemy women under conditions of postwar occupation although at times the US government banned such unions In this comprehensive complex history of war brides in 20th century American history Susan Zeiger uses relationships between American male soldiers and foreign women as a lens to view larger issues of sexuality race and gender in United States foreign relations *Entangling Alliances* draws on a rich array of sources to trace how war and postwar anxieties about power and national identity have long been projected

onto war brides and how these anxieties translate into public policies particularly immigration *La Fiancée de l'Amérique*

 Mondiale **Abandoned War Bride** Monique D. Downs, 2003-11-01 Monique's Miraculous Destiny Abandoned War Bride is
 the life story of 3 generations Back in time we view the 30's 40's 50's and beyond starting in the city of Marseille in south
 France and continuing in three states Mississippi Louisiana and Alabama located in Dixieland It has an expanded geography
 throughout France Italy and other countries in Europe The book is written in prose with many quotations written in French
 with an English translation The subjects are Memoirs history traditions drama religion love and travel The beginning of the
 book is the story of a hard working big family who were making progress before the war described by a young lady When
 WWII began dramatic changes took place such as the loss of freedom food and education for the children The misery
 increased when the father of that family lost his vision the most dramatic chapters in the book Liberation was welcome but
 the young lady became infatuated with an American soldier and married him Her arrival in the US as a War Bride was a
 dramatic situation because he had abandoned her in rural Mississippi She took refuge in New Orleans La and had to face
 shocks and solve her problems by herself at that age the most discouraging chapters in the book As time passed one of the
 greatest love stories ever told develops of two strangers which was God's plan This young lady found Love and happiness with
 a family These stories are followed by many events taking place in Mobile and Birmingham Al There are also many comical
 stories and details of traveling in Europe as well as her husband recounting his war experiences in the US Navy Sea Bees in
 the Pacific theater during WWII the most rewarding chapters in the book The young lady who is telling the story as far back

as she can remember is a grandmother today and is telling the stories to her children who are BABY BOOMERS and to her grandchildren who are very curious and want to know everything This memorable life story is an open book to discussion and sharing a unique quality of life with all of our family and friends the most unique story ever told I hope this book will influence others to write their stories to their children grandchildren and to their friends Our children cannot know who they are if they do not know where their parents came from and how they come about to live in this country especially if they are born in another part of the world Today there is nothing to be ashamed of or embarrassed about because people make mistakes and we learn from them We all have regrets secrets and confessions to make and what a relief it is in someone's life to tell it all The theme DO UNTO OTHERS AS YOU WOULD HAVE THEM DO UNTO YOU **The Hollyhock Dolls** NA

Kaiser, 2017-05-07 Following both World War I and II about 6 500 Franco American marriages took place between French mademoiselles and American soldiers be they doughboys or GI's These women who came from different parts of France and diverse background would later cross the Atlantic to join husbands settle in various corners of America suffer culture shock and adapt to marriage in a foreign land of postwar plenty with varying degrees of success Despite these difficulties like many other immigrants they got on with it and survived As the compelling oral histories in this book show most of them did in their own way live the American dream **Fierce Ambition: The Life and Legend of War Correspondent Maggie Higgins**

Jennet Conant, 2023-10-31 Mesmerizing Conant's book has brought Maggie Higgins back to life Andrew Nagorski Wall Street Journal A spirited portrait of twentieth century war correspondent Maggie Higgins and her tenacious fight to the top in a male dominated profession Marguerite Higgins was both the scourge and envy of the journalistic world A longtime reporter for the New York Herald Tribune she first catapulted to fame with her dramatic account of the liberation of Dachau at the end of World War II Brash beautiful ruthlessly competitive and sexually adventurous she forced her way to the front despite being told the combat zone was no place for a woman Her headline making exploits earned her a reputation for bravery bordering on recklessness and accusations of advancing on her back trading sexual favors for scoops While the Herald

Tribune exploited her feminine appeal regularly featuring the photogenic girl reporter on its front pages it was Maggie's dogged determination talent for breaking news and unwavering ambition that brought her success from one war zone to another Her notoriety soared during the Cold War and her daring dispatches from Korea garnered a Pulitzer Prize for foreign correspondence the first granted to a woman for frontline reporting with the citation noting the unusual dangers and difficulties she faced because of her sex A star reporter she became part of the Kennedy brothers Washington circle though her personal alliances and politics provoked bitter feuds with male rivals who vilified her until her untimely death Drawing on new and extensive research including never before published correspondence and interviews with Maggie's colleagues lovers and soldiers and generals who knew her in the field journalist and historian Jennet Conant restores Maggie's rightful place in history as a woman who paved the way for the next generation of journalists and one of the greatest war correspondents of her time

An American Brothel Amanda Boczar, 2022-02-15 In *An American Brothel* Amanda Boczar considers sexual encounters between American servicemen and civilians throughout the Vietnam War and she places those fraught and sometimes violent meetings in the context of the US military and diplomatic campaigns In 1966 US Senator J William Fulbright declared that Saigon has become an American brothel Concerned that as US military involvement in Vietnam increased so too had prostitution black market economies and a drug trade fueled by American dollars Fulbright decried an arrogance of power on the part of Americans and the corrosive effects unchecked immorality could have on Vietnam as well as on the war effort The symbol at home and abroad of the sweeping social and cultural changes was often the so called South Vietnamese bar girl As the war progressed peaking in 1968 with more than half a million troops engaged the behavior of soldiers off the battlefield started to impact affect the conflict more broadly Beyond the brothel shocking revelations of rapes and the increase in marriage applications complicated how the South Vietnamese and American allies cooperated and managed social behavior Strictures on how soldiers conducted themselves during rest and relaxation time away from battle further eroded morale of disaffected servicemen The South Vietnamese were loath to loosen moral restrictions and feared deleterious influence of a permissive Western culture on their society From the consensual to the coerced sexual encounters shaped the Vietnam War Boczar shows that these encounters sometimes facilitated and sometimes banned by the US military command restructured the South Vietnamese economy captivated international attention dictated military policies and hung over diplomatic relations during and after the war
