

The Memoir of Marco Parenti

A LIFE IN MEDICAL FLORENCE

MARK PHILLIPS

Memoir Of Marco Parenti A Life In Medici

Christine Shaw

Memoir Of Marco Parenti A Life In Medici:

The Memoir of Marco Parenti Mark Salber Phillips, 2014-07-14 For this vivid description of the world of a Florentine patrician Mark Phillips draws on Marco Parenti's private letters *ricordanze* or diaries and public history or memoir When Cosimo de Medici died in 1464 Parenti foresaw a return to liberty and began to write a history but his political hopes and his literary ambitions foundered when the Medici party won a decisive victory over their patrician enemies in 1466 Despite this setback Parenti's historical Memoir recently rediscovered by Mark Phillips is our best witness to this major crisis in Florentine politics Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The Memoir of Marco Parenti* Mark Phillips, 1989-03-01 Drawing on Marco Parenti's Memoir a public history private letters and *ricordanze* diaries Phillips describes the world of this fifteenth century Florentine patrician *The Memoir of Marco Parenti* Mark Phillips, 1987

Political Memoir George W. Egerton, 1994 The genre of political memoir has a long history from its origins in classical times through its popularity in the age of courts and cabinets to its ubiquity in modern mass cultures where retired politicians increasingly attract large and eager readerships for their revelations Yet there is virtually no scholarly criticism which treats this complex form of literature as a distinct genre fusing autobiographical historical and political elements The essays in this book draw together the collaborative findings of a team of British European American and Canadian scholars to present a pioneering historical and critical study of the genre of political memoir analysing the development of its distinct functions and assessing leading memoirists in European American Canadian Indian and Japanese societies The editor George Egerton introduces the volume and surveys the principal features of the genre over its long history Otto Pflanze analyses the memoirs of Bismarck Robert Young Milton Israel Joshua Mostow and Robert Bothwell study the memoir literature of France India Japan and Canada respectively Barry Gough and Tim Travers look at naval and military memoirists while Zara Steiner B J C McKercher and Valerie Cromwell assess the memoirs of diplomats and their families Leonidas Hill examines the memoirs of leading Nazis John Munro Francis Heller and Robert Ferrell convey inside information on the making of memoirs notably by the Canadian Prime Ministers Diefenbaker and Pearson and the American President Truman Stephen Ambrose assays Nixon as memoirist while Janos Bak portrays the status of memoirists under totalitarian regimes Wesley Wark and John Naylor analyse the proliferation of intelligence memoirs and government efforts to protect official secrets from the revelations of the candid memoirist The principal findings reached by the contributors in their study of this problematic but influential genre are set out by the editor in the concluding chapter *Reason and Experience in Renaissance Italy* Christine

Shaw,2021-11-25 Political life in Renaissance Italy was held together by political principles which underlay or were used to justify political proposals and decisions in practice This wide ranging comparative survey examines these political principles as expressed in sources such as council debates preambles to legislation and official correspondence in the mid fifteenth to the mid sixteenth century Italy Focusing especially on the five republics Florence Venice Genoa Siena and Lucca the book also considers princes and signori and the principles underlying relations between states particularly relations between major and minor powers Many of the ideas articulated by those confronting practical political problems ranged beyond the questions dealt with in formal treatises of political thought and philosophy Drawing on extensive archival research Christine Shaw explores the relationship between reason and experience in the conduct of political affairs in Renaissance Italy and the gap between theory and practice *Selected Letters of Alessandra Strozzi, Bilingual edition* Alessandra Strozzi,2023-04-28

The letters of Alessandra Strozzi provide a vivid and spirited portrayal of life in fifteenth century Florence Among the richest autobiographical materials to survive from the Italian Renaissance the letters reveal a woman who fought stubbornly to preserve her family s property and position in adverse circumstances and who was an acute observer of Medicean society Her letters speak of political and social status of the concept of honor and of the harshness of life including the plague and the loss of children They are also a guide to Alessandra s inner life over a period of twenty three years revealing the pain and sorrow and more rarely the joy and triumph with which she responded to the events unfolding around her This edition includes translations in full or in part of 35 of the 73 extant letters The selections carry forward the story of Alessandra s life and illustrate the range of attitudes concerns and activities which were characteristic of their author The letters of Alessandra Strozzi provide a vivid and spirited portrayal of life in fifteenth century Florence Among the richest autobiographical materials to survive from the Italian Renaissance the letters reveal a woman who fought stubbornly to prese

Florence Christopher Hibbert,2004-03-25 This book is as captivating as the city itself Hibbert s gift is weaving political social and art history into an elegantly readable and marvellously lively whole The author s book on Florence will also be at once a history and a guide book and will be enhanced by splendid photographs and illustrations and line drawings which will describe all teh buildings and treasures of the city **The Politics of Culture in Quattrocento Europe** Oren

Margolis,2016-05-06 The poet king without a throne appears here in an entirely new light In *The Politics of Culture in Quattrocento Europe* Ren of Anjou in Italy Oren Margolis explores how this French prince and exiled king of Naples 1409 1480 engaged his Italian network in a programme of cultural politics conducted with an eye towards a return to power in the peninsula Built on a series of original interpretations of humanistic and artistic material chiefly Latin orations and illuminated manuscripts of classical texts this is also a case study for a diplomatic approach to culture It recasts its source base as a form of high level communication for a hyper literate elite of those who could read the works created by humanist and artistic agents for their constituent parts the potent words or phrases and relevant classical allusions the channels

through which a given work was commissioned or transmitted and then the nature of the network gathered around a political agenda This is a volume for all those interested in the politics and culture of later medieval Europe and Renaissance Italy the kings of France and dukes of Burgundy the Medici the Sforza the Venetians and their armies ambassadors and adversaries all appear here so do Giovanni Bellini Andrea Mantegna Guarino of Verona and their respective intellectual and artistic circles Emerging from it is a challenge to conventional interpretations of the politics of humanism and a new vision of the Quattrocento a century in which the Italian Renaissance began its takeover of Europe but in which Renaissance culture was itself shaped by its European political social and diplomatic context

The Origins of the Platonic Academy of Florence

Arthur M. Field, 2014-07-14 Founded by Cosimo de Medici in the early 1460s the Platonic Academy shaped the literary and artistic culture of Florence in the later Renaissance and influenced science religion art and literature throughout Europe in the early modern period This major study of the Academy's beginnings presents a fresh view of the intellectual and cultural life of Florence from the Peace of Lodi of 1454 to the death of Cosimo a decade later Challenging commonly held assumptions about the period Arthur Field insists that the Academy was not a hothouse plant grown and kept alive by the Medici in the splendid isolation of their villas and courts Rather Florentine intellectuals seized on the Platonic truths and propagated them in the heart of Florence creating for the Medici and other Florentines a new ideology Based largely on new or neglected manuscript sources this book includes discussions of the earliest works by the head of the Academy Marsilio Ficino and the first public Platonizing lectures of the humanist and poet Cristoforo Landino The author also examines the contributions both of religious orders and of the Byzantines to the Neoplatonic revival Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Guardians of Republicanism

Mark Jurdjevic, 2008-03-06 Guardians of Republicanism analyses the political and intellectual history of Renaissance Florence republican and princely by focusing on five generations of the Valori family each of which played a dynamic role in the city's political and cultural life The Valori were early and influential supporters of the Medici family but were also crucial participants in the city's periodic republican revivals throughout the Renaissance Mark Jurdjevic examines their political struggles and conflicts against the larger backdrop of their patronage and support of the Neoplatonic philosopher Marsilio Ficino the radical Dominican prophet Girolamo Savonarola and Niccol Machiavelli the premier political philosopher of the Italian Renaissance Each of these three quintessential Renaissance reformers and philosophers relied heavily on the patronage of the Valori who evolved an innovative republicanism based on a hybrid fusion of the classical and Christian languages of Florentine communal politics

Jurdjevic's study thus illuminates how intellectual forces humanist republican and Machiavellian intersected and directed the politics and culture of the Florentine Renaissance

Age, Marriage, and Politics in Fifteenth-century Ragusa David Rheubottom, 2000 This book combines the interdisciplinary insights of history anthropology and computing to examine the interrelationships between politics kinship and marriage in a late medieval city state At the heart of the study is a reconsideration of office and the ways in which ties of kinship and marriage were mobilized to build electoral success In fifteenth century Ragusa present day Dubrovnik membership of the Great Council which nominated and elected office holders was restricted to the legitimate male offspring of patrician brides and grooms The patrician class was highly endogamous and the relationship between endogamy and electoral support is an important theme running through this book A related theme concerns the age differences between spouses which are shown to have important structural implications for the organization of the *casata* kinship relations and marriage ties These implications are investigated using a variety of innovative methods including cohort analysis and computer simulation

Giorgio Vasari Patricia Lee Rubin, Maurice Rubin, 1995-01-01 Vasari's *Lives of the Painters Sculptors and Architects* are and always have been central texts for the study of the Italian Renaissance They can and should be read in many ways Since their publication in the mid sixteenth century they have been a source of both information and pleasure Their immediacy after more than four hundred years is a measure of Vasari's success He wished the artists of his day himself included to be famous He made the association of artistry and genius of renaissance and the arts so familiar that they now seem inevitable In this book Patricia Rubin argues that both the inevitability and the immediacy should be questioned To read Vasari without historical perspective results in a limited and distorted view of *The Lives* Rubin shows that Vasari had distinct ideas about the nature of his task as a biographer about the importance of interpretation judgment and example about the historian's art Vasari's principles and practices as a writer are examined here as are their sources in Vasari's experiences as an artist

Cultures of Darkness Bryan D. Palmer, 2019-02-15 Peasants religious heretics witches pirates runaway slaves prostitutes and pornographers frequenters of taverns and fraternal society lodge rooms revolutionaries blues and jazz musicians beats and contemporary youth gangs those who defied authority choosing to live outside the defining cultural dominions of early insurgent and later dominant capitalism are what Bryan D Palmer calls people of the night These lives of opposition or otherness were seen by the powerful as deviant rejecting authority and consequently threatening to the established order Constructing a rich historical tapestry of example and experience spanning eight centuries Palmer details lives of exclusion and challenge as the night travels of the transgressors clash repeatedly with the powerful conventions of their times Nights of liberation and exhilarating desire sexual and social are at the heart of this study But so too are the dangers of darkness as marginality is coerced into corners of pressured confinement or the night is used as a cover for brutalizing terror as was the case in Nazi Germany or the lynching of African Americans Making extensive use of the interdisciplinary literature of marginality found in scholarly work

in history sociology cultural studies literature anthropology and politics Palmer takes an unflinching look at the rise and transformation of capitalism as it was lived by the dispossessed and those stamped with the mark of otherness **Bricks & Mortals** Tom Wilkinson, 2014-07-22 We don't just look at buildings their facades beautiful or ugly conceal the spaces where we live We are born work love and die in architecture We buy and sell it rent and squat it create and destroy it All of these aspects of buildings economic erotic political and psychological are crucial if we are to understand architecture properly And because architecture molds us just as much as we mold it understanding architecture helps us to understand our lives and our world In this book ten buildings from across the globe tell stories of architecture from the beginning of civilization to the present day From the remains of the Tower of Babel to the Summer Palace in Beijing built and destroyed by Europeans to the Ford car plant where the production line was born Tom Wilkinson unpicks these structures to reveal the lives of the people who built and used them Architecture has always had a powerful and intimate relationship with society and the lives of those who build and live with it It has often been used to try and improve society But can architecture change our lives for the better The buildings are the Tower of Babel Babylon Nero's Golden House Rome Djinguereber Mosque Timbuktu Palazzo Rucellai Florence the Garden of Perfect Brightness Beijing the Festival Theatre Beyreuth E 1027 Cap Martin Highland Park Ford Plant Detroit and the Finsbury Health Centre London **Women and Men in Renaissance Venice** Stanley Chojnacki, 2000-04-03 Because limited family resources favored some daughters marriage prospects at the expense of their sisters the family and marriage practices of the Venetian nobles led to a range of vocations for women as well as for men

The Italian Renaissance Harold Bloom, 2004 Analyzes the literary trends of the Italian renaissance period

Provincial Families of the Renaissance James S. Grubb, 2019-12-01 Grubb's comprehensive analysis of his subjects compelling if inconspicuous lives investigates every significant aspect of private experience during the Renaissance marriage birth death household relations work land social status and spirituality Winner of the Society for Italian Historical Studies's Howard R Marraro Prize Originally published in 1996 Historical writing on the Renaissance has usually focused on the social extremes that co-existed in the great metropolitan centers on either elites or the underclass As a result the world of the middling families and provincial societies remains largely unexplored Daily experiences in the lesser cities are however no less rich and revealing than those of Florence Venice and Milan In addition writes historian James Grubb these experiences offer new perspectives from which to reassess familiar assumptions about domestic life in the fifteenth century Based on memoirs and other records left by thirteen merchant families from the Veneto cities of Verona and Vincenza Provincial Families of the Renaissance is an engrossing study of daily lives that have until now been overlooked by scholars Grubb examines the attitudes and experiences of families undistinguished in their modest means and local ambitions from the majority of their compatriots uncovering a detailed historical landscape rich in social obligations commercial activities and religious beliefs Grubb's comprehensive analysis of his subjects compelling if inconspicuous lives investigates every

significant aspect of private experience during the Renaissance marriage birth death household relations work land social status and spirituality In reconstructing provincial life in the Veneto Grubb discovers in his subjects an independence of mind that mediated their reception of metropolitan ideologies far more than the historiography of the Renaissance might suggest These unremarkable provincials were agents of their own destiny influenced in equal measures by prevailing attitudes local customs and personal convictions James Grubb is exploring new terrain in this book Distinguished by its clarity and eloquence this is a superior work of historical writing and analysis that merits comparison with the best monographs on the social history of Renaissance Italy Gene Brucker University of California at Berkeley **Art and Miracle in Renaissance**

Tuscany Robert Maniura, 2018-10-18 Miraculous images are the focus for an exploration of art and devotion in Renaissance Italy A Short History of the Italian Renaissance Kenneth R. Bartlett, 2013-07-17 Award winning lecturer Kenneth R. Bartlett applies his decades of experience teaching the Italian Renaissance to this beautifully illustrated overview In his introductory Note to the Reader Bartlett first explains why he chose Jacob Burckhardt's classic narrative to guide students through the complex history of the Renaissance and then provides his own contemporary interpretation of that narrative Over seventy color illustrations genealogies of important Renaissance families eight maps a list of popes a timeline of events a bibliography and an index are included *Uncommon Dominion* Sally McKee, 2010-11-24 From 1211 until its loss to the Ottomans in 1669 the Greek island we know as Crete was the Venetian colony of Candia Ruled by a paid civil service fully accountable to the Venetian Senate Candia was distinct from nearly every other colony of the medieval period for the unprecedented degree to which the colonial power was involved in its governance Yet for Sally McKee the importance of the Cretan colony only begins with the anomalous manner of the Venetian state's rule *Uncommon Dominion* tells the story of Venetian Crete the home of two recognizably distinct ethnic communities the Latins and the Greeks The application of Venetian law to the colony made it possible for the colonial power to create and maintain a fiction of ethnic distinctness The Greeks were subordinate to the Latins economically politically and juridically yet within a century of Venetian colonization the ethnic differences between Latin and Greek Cretans in daily material life were significantly blurred Members of the groups intermarried many of them learned each other's language and some even chose to worship by the rites of the other's church Holding up ample evidence of acculturation and miscegenation by the colony's inhabitants McKee uncovers the colonial forces that promoted the persistence of ethnic labeling despite the lack of any clear demarcation between the two predominant communities As McKee argues the concept of ethnic identity was largely determined by gender religion and social status especially by the Latin and Greek elites in their complex and frequently antagonistic social relationships Drawing expertly from notarial and court records as well as legislative and literary sources *Uncommon Dominion* offers a unique study of ethnicity in the medieval and early modern periods Students and scholars in medieval colonial and postcolonial studies will find much of use in studying this remarkable colonial experiment

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Memoir Of Marco Parenti A Life In Medici full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Memoir Of Marco Parenti A Life In Medici eBooks, including some popular titles.

FAQs About Memoir Of Marco Parenti A Life In Medici Books

What is a Memoir Of Marco Parenti A Life In Medici PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Memoir Of Marco Parenti A Life In Medici PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Memoir Of Marco Parenti A Life In Medici PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Memoir Of Marco Parenti A Life In Medici PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Memoir Of Marco Parenti A Life In Medici PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
