luminous memoir about how friendship saved one woman's life for anyone who has loved a friend who was sick grieving or lost and for anyone who has struggled to seek or accept help Eva Hagberg spent her lonely youth looking everywhere for connection drugs alcohol therapists boyfriends girlfriends Sometimes she found it but always temporarily Then at age thirty an undiscovered mass in her brain ruptured So did her life A brain surgery marked only the beginning of a long journey and when her illness hit a critical stage it forced her to finally admit the long suppressed truth she was vulnerable she needed help and she longed to grow She needed true friendship for the first time How to Be Loved is the story of how an isolated person's life was ripped apart only to be gently stitched back together through friendship and the recovery of many stripes that came along the way It explores the isolation so many of us feel despite living in an age of constant connectivity how our ambitions sometimes pull us apart more than bring us together and how a simple doughnut delivered by a caring soul can become the essence of what makes a life valuable With gorgeous prose shot through with empathy pain fear and the secret truths inside all of us Eva writes about the friends who taught her to grow up and open her heart and how the relentlessness of suffering can give rise to the greatest joy **Nobody's Cuter than You** Melanie Shankle,2015-04-07 There is nothing as precious in life as a friend who knows you and loves you in spite of yourself Yet over the last couple of decades we've substituted the joy of real friendship with cheap imitations We settle for community on Facebook and Twitter and a series of text messages that allow us to communicate with someone without the commitment We like each other's beautifully filtered

photos on Instagram and delude ourselves into believing we have a community But real friendship requires effort It s showing up laughing loud and crying hard It s forgiving and loving and giving the benefit of the doubt It s making a casserole doing a carpool pickup and making sure she knows those cute shoes are 50 percent off Written in the same comedic style as the New York Times bestsellers Sparkly Green Earrings and The Antelope in the Living Room Nobody s Cuter than You is a laugh out loud look at the special bond that exists between friends and a poignant celebration of all the extraordinary people God had the good sense to bring into our lives at exactly the right moments From the friendships we develop over a lifetime to the ones that wounded us and the ones that taught us to love better Melanie Shankle reveals the influence our friends have on who we were who we are and who we will become And on a day when our jeans feel too tight our chins have decided to embrace hormone related acne reminiscent of our teen years and our kids have tested the limits of our sanity they are the ones who will look at us and say Nobody s cuter than you
