Memoirs 1885 1967:

Memoirs Andre Maurois,1817 **André Maurois (1885-1967)** J. Gossman,2014-01-13 Respected by his peers and hugely successful internationally in his own time Andr Maurois is now hardly read Moderate and conciliatory in everything including his literary style he appealed to the educated reader of his time but did those very qualities prevent him from achieving lasting distinction and impact Memoirs, 1885-1967 André Maurois,1970 **Memoirs, 1885-1967.**

Translated From the French by Denver Lindley Andre Maurois,1970 **Memoirs and Proceedings of the Manchester Literary & Philosophical Society** Manchester Literary and Philosophical Society,1913 *End of the Affair* Eleanor M. Gates,2023-04-28 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1981 The Origins of the French Nationalist Movement, 1886-1914 Robert Lynn Fuller,2014-01-10 This narrative history explores the emergence of one of the most influential Nationalist movements of modern Europe It explains how and why the movement united the far right with the far left in a militant campaign to wrest control of France from the moderate republicans who were attempting to stabilize the country after a century of political volatility The agitation groups propaganda machines street fighting gangs and political hustlers who made up the Nationalists all campaigned for one end to overthrow the Third Republic The eruption of the Dreyfus Affair 1894 1899 provided the Nationalists with a convenient target for their assaults the Dreyfusard defenders of a wrongly convicted Jewish army captain Alfred Dreyfus This work based on original archival research in France argues that the Nationalists posed a real and dangerous threat that dissipated only when their goals were adopted by more moderate competing groups **The French Defeat of 1940** Joel Blatt,1997-08-01 Why France the major European continental victor in 1918 suffered total defeat in six weeks at the hands of the vanquished power of 1918 only two decades later remains moot Why the stunning reversal of fortunes In this volume thirteen prominent scholars reexamine the French debacle of 1940 in interwar perspectives utilizing fresh analysis original approaches and new sources Although the tenor of the volume is critical the contributors also suggest that French preparations for war knew successes as well as failures that French defeat was not inevitable and that the Battle of France might have turned out differently if different choices had been made and other paths been followed **The Wisdom of the Lotus Sutra, vol. 4** Daisaku Ikeda,2022-05-01 The Lotus Sutra Shakyamuni Buddha s highest teaching explainsthat all people regardless of gender social status or education canuncover the Buddha nature they inherently possess Based on thisempowering and compassionate sutra Nichiren Daishonin revealedthe supreme practice for the modern world Now in clear down to earth terms SGI President Ikeda and SokaGakkai Study Department leaders Katsuji Saito Takanori Endo andHaruo Suda explore the profound meaning of the Lotus Sutra

twenty eight chapters Basing themselves on Nichiren Daishonin's lectures on the Lotus Sutra The Record of the Orally Transmitted Teachings they explain the concepts that form the foundation of SGI members Buddhist practice Through their discussions the ancient text of the Lotus Sutra comes alive brimming with profound significance and practical advice for living in today's world Volume four covers chapter 16 of the twenty eight chapter Lotus Sutra

Heroes, Villains, and Conflicts Peter Francis Kenny, 2016-02-25 Over many centuries the world has been gripped by warfare and from this chaos there have risen many heroes and villains This book takes a look at various individuals and their deeds including the year and place of birth wherever possible Their ranks range from the lowliest Private soldier to Field Marshals They have been decorated in some cases for their actions and the student of history will be stunned to discover just how they acted Some of these have included ancient leaders such as Emperors and their various campaigns covered most of Europe and also the Middle East

The Regulation and Reform of Music Criticism in Nineteenth-Century England Paul Watt, 2017-11-22 Music criticism in England underwent profound change from the 1880s to the 1920s It gave rise to New criticism that aimed to be rational impartial and intellectually authoritative It was a break from the criticism of old the work of the opinionated journalist who wrote descriptive concert reviews with invective cliché bias and bombast Critics such as Ernest Newman 1868 1959 John F Runciman 1866 1916 and Michel D Calvocoressi 1877 1944 fostered this new school and wrote extensively of their aspirations for musical criticism in their own times and for the future This book charts the genesis of this new wave of musical criticism that sought to regulate and reform the profession of music critic Alongside the establishment of principles training manuals and schools for critics hundreds of journal articles and dozens of books were written that encouraged new criticism which also had a bearing on scholarly writing in biography aesthetics and history The Regulation and Reform of Music Criticism in Nineteenth Century England considers the influence and advocacy of individual critics and the role that institutions such as the Musical Association and the Musical Times played in this period of change The book also explores the impact that French and German writers had on their English counterparts demonstrating the internationalization of critical thought of the period

Living the Great Illusion Martin Ceadel, 2009-07-16 The first biography of one of the twentieth century's leading internationalists Sir Norman Angell author of The Great Illusion Labour MP and winner of the Nobel Peace Prize which reveals that his life has hitherto been much misrepresented and misunderstood

The Fall of France in the Second World War Richard Carswell, 2019-02-01 This book examines how the fall of France in the Second World War has been recorded by historians and remembered within society It argues that explanations of the fall have usually revolved around the four main themes of decadence failure constraint and contingency It shows that the dominant explanation claimed for many years that the fall was the inevitable consequence of a society grown rotten in the inter war period This view has been largely replaced among academic historians by a consensus which distinguishes between the military defeat and the political demise of the Third Republic It emphasizes the contingent factors that led to the military defeat At the same

time it seeks to understand the constraints within which France's policy makers were required to act and the reasons for their policy making failures in economics defence and diplomacy **You're Not Listening** Kate Murphy, 2020-01-07 When was the last time you listened to someone or someone really listened to you If you're like most people you don't listen as often or as well as you'd like There's no one better qualified than a talented journalist to introduce you to the right mindset and skillset and this book does it with science and humor Adam Grant 1 New York Times bestselling author of *Originals* and *Give and Take* Hand picked by Malcolm Gladwell Adam Grant Susan Cain and Daniel Pink for Next Big Ideas Club An essential book for our times Lori Gottlieb New York Times bestselling author of *Maybe You Should Talk to Someone* At work we're taught to lead the conversation On social media we shape our personal narratives At parties we talk over one another So do our politicians We're not listening And no one is listening to us Despite living in a world where technology allows constant digital communication and opportunities to connect it seems no one is really listening or even knows how And it's making us lonelier more isolated and less tolerant than ever before A listener by trade New York Times contributor Kate Murphy wanted to know how we got here In this always illuminating and often humorous deep dive Murphy explains why we're not listening what it's doing to us and how we can reverse the trend She makes accessible the psychology neuroscience and sociology of listening while also introducing us to some of the best listeners out there including a CIA agent focus group moderator bartender radio producer and top furniture salesman Equal parts cultural observation scientific exploration and rousing call to action that's full of practical advice *You're Not Listening* is to listening what Susan Cain's *Quiet* was to introversion It's time to stop talking and start listening **The Essential Canon of Classical Music** David

Dubal, 2003-10-24 Identifies almost two hundred forty composers whose works are most important to an understanding of classical music with essays on sixty of the most significant Presented in chronological order for the Medieval Renaissance and Elizabethan ages the age of the Baroque the age of Classicism the Romantic age and the age of Modernism France and Britain, 1900-1940 P. M. H. Bell, 2014-05-12 The first of a two volume study which will analyse the complex relationship between Britain and France in the twentieth century a relationship which has been crucial to European politics and to both World Wars This volume fully self contained runs from the period of intense imperial rivalry at the turn of the century to the Fall of France Philip Bell discusses diplomatic economic and military policy combining absorbing narrative with revealing commentary about the two countries **The American Civil War** Steven E. Woodworth, 1996-12-09 The single most

important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work's value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war

camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America's pivotal experience

A Modern Poetics of Biography Zhengrun Yang, 2025-09-02 This book provides a comprehensive study of biography to summarize the standard forms as well as a range of peripheral and expanded forms of auto biography Discussion and analyses to be done at three levels namely ontology typology and writing It is drawn from local and international theories in biography in addition to related disciplines in particular for those of the twentieth century and summarizing the experiences of the writing of classics in both Chinese and Western biographical history the study establishes a theoretical system of biography This book can serve as a useful reference for postgraduate students and professional readers who are interested in biographical research

Dead Sea Level Haim Goren, 2011-02-28 In the nineteenth century The Dead Sea and the Tigris Euphrates river system had great political significance the one as a possible gateway for a Russian invasion of Egypt the other as a potentially faster route to India This is the traditional explanation for the presence of the international powers in the region This important new book questions this view Through a study of two important projects of the time international efforts to determine the exact level of the Dead Sea and Chesney's Euphrates Expedition to find a quicker route to India Professor Goren shows how other forces than the interests of empire were involved He reveals the important role played by private individuals and establishes a wealth of new connections between the key players and he reveals for the first time an important Irish nexus The resulting work adds an important new dimension to our existing understanding of this period
