Memoirs From A Broken Heart One:

Memoirs of a Broken Heart Aline Alzime, 2014-02-22 Ever felt crushed by love Almost lose yourself because of love Ever wonder how you would find yourself again I almost did not feel a thing for a while I had trouble sleeping and all I could think about was the love I lost I found myself in a place I did not recognize I called it rock bottom I struggled with my thoughts and emotions How do you end something that is not over in your heart How do you rebuild you again Start with being completely honest about yourself with yourself Remain honest about your experience with love Do not sugar coat your feelings or where love has taken you Heartbreak allows time for reflection Told in poetic style from the author **Memoir of a Broken Brain**

Kimberly Faye, 2011-11-23 Journey with Kimberly through one crisis that set her up for failure and another life altering experience that remapped her brain for success Had the road sign read Take a sharp right turn here and follow the path to your life altering destiny I would have turned and gone in another direction The path was marked with two color coded shapes the green circle indicated a widely groomed easy trail and the blue square led to an intermediate slope I needed the green trail that led to the lodge at the bottom of the mountain I had taken a hard fall on the catwalk and wasn't feeling so good To get to the trail I needed to take a sharp right turn The only problem was I suddenly didn't know what right meant I could not find my right side Everything right was gone Kimberly fell into her defining role and life's purpose quite literally when she skied over a cliff and sustained a traumatic brain injury TBI One day Kimberly was a vibrant career woman who enjoyed a successful lifestyle and an active social life The next she had to learn basic life skills to survive Kimbely's quest for survival sent her in search of the missing pieces of her past She learned that survival is a multifaceted anvil that shapes our decisions and forges our future Merely existing then becomes a double edged sword you may have managed to keep breathing but are you really living The only way for survival to triumph is to acknowledge the role of fear in the face of crisis affirmed fear liberates coddled fear incapacitates Denial keeps us stuck **Overcoming a Broken Heart** Kimi Y.

Bivins, 2015-10-29 As a babe in Christ author Kimi Y Bivins experienced deep wounds that have taken years to heal In *Overcoming a Broken Heart* she narrates her journey of mending that broken heart throughout the years She shows how she developed faith through wisdom and contemplation In this compilation of memoir poetry and reflections Bivins addresses important issues of the church while at the same time providing insight into what it's like raising a child on one's own *Overcoming a Broken Heart* considers the importance of worship the impact of relationships the role of an active father in a child's life the goal of working toward God's purpose in our life and the responsibility of the church to aid in forgiveness Poetry some of which was given to her by the Holy Spirit offered her a way to overcome her broken heart She hopes that her work can help others undergoing the same pain that she experienced With emotional depth Bivins contemplates her life and those of the church church leaders and other Christians through Scripture poetry and prayer *Memoir and remains of the Rev. ---.
