her totem to construct her family's totem pole: protective Bear, defiant Salmon, compassionate Hummingbird, and perched on top, Raven. As she pieces together their stories, Myers weaves in tribal folktales, the history of the Native genocide, and Native mythology. Throughout, she tells the larger story of how, as she puts it, her culture is being bleached out, offering sharp vignettes of her own life between White and Native worlds: her naive childhood love for Pocahontas, her struggles with the Klamath language, the violence she faced at the hands of a close White friend as a teenager, Crisp, and powerful Thinning Blood. It is at once a bold reclamation of one woman's identity and a searingly honest meditation on heritage, family, and what it means to belong. Waiting for the Apocalypse: A Memoir of Faith and Family Veronica Chater, 2009-02-02

Growing up Catholic in a family where the reforms of Vatican II are seen as the work of Satan. It is 1972 and Veronica Chater's parents believe that Vatican II's liberalization has corrupted the Catholic Church, inviting the Holy Chastisement, an apocalypse prophesied by three shepherds in Fatima, Portugal. To spare his family this horror, Veronica's father quits the highway patrol, sells everything, and moves the family of eight from California to an isolated village near Fatima. But Portugal is no Catholic utopia, and the family schleps home penniless to join the nascent Catholic counterrevolution, attending the Latin Mass in truck garages and abandoned buildings, serving meals to religious soldiers, breeding a new member of the faithful every year. As Veronica comes of age on the fringes of the American Dream, she rebels against a fanaticism that forbids anything modern: clothes, movies, or music. This is the story, both sad and funny, of a family torn apart by religion and brought back together in spite of the injuries it inflicted on itself. **Family Memoirs** Sir Oswald Mosley, 1849
