Memoirs Of A Polyglot

Maximilien de Béthune duc de Sully

Memoirs Of A Polyglot:

Memoirs of a Polyglot William Gerhardie, 2011-03-24 Written with rare candour this is William Gerhardie's enchanting and entertaining memoir of his early life Gerhardie writes about his grandparents and parents and about his childhood in St Petersburg where his father a British cotton manufacturer settled in the 1890s He joined the Scots Greys in the First World War and was commissioned and posted to the British Embassy at Petrograd where he saw the Russian revolution in various stages At Oxford he wrote *Futility* the first of his novels In the 1920s and 1930s Gerhardie was friends with many of the most interesting people of the era from Lord Beaverbrook to the Sitwells and he writes brilliantly and amusingly about the literary and political scene of that time Michael Holroyd notes in his preface that The narrative which contains so many perceptive pen portraits stops for no man but merely seems to pick them up in its stride *Memoirs of a Polyglot* is illustrated with photographs many of them from Gerhardie's family albums To those of my generation he was the most important new novelist to appear in our young life Graham Greene William Gerhardie is our Gogol's *Overcoat* We all came out of him Olivia Manning In my opinion Gerhardie has genius Arnold Bennett He is a comic writer of genius but his art is profoundly serious C P Snow

Memoirs of a Polyglot William Alexander Gerhardie, 1973 Memoirs of a Polyglot William Alexander Gerhardt (Schriftsteller), 1973 **Memoirs of a Polyglot** William Alexander Gerhardie, 1931 **Memoirs of a Polyglot** William Alexander Gerhardie, 1973 *Memoirs of a Polyglot* William Alexander Gerhardie, 1973 *Memoirs of a Polyglot: the Autobiography of William Gerhardie. Preface by Michael Holroyd* William Alexander Gerhardie, **Russomania**

Rebecca Beasley, 2020-03-31 *Russomania* Russian Culture and the Creation of British Modernism provides a new account of modernist literature's emergence in Britain British writers played a central role in the dissemination of Russian literature and culture during the early twentieth century and their writing was transformed by the encounter This study restores the thick history of that moment by analyzing networks of dissemination and reception to recover the role of neglected as well as canonical figures and institutions as well as individuals The dominant account of British modernism privileges a Francophile genealogy but the turn of the century debate about the future of British writing was a triangular debate a debate not only between French and English models but between French English and Russian models Francophile modernists associated Russian literature especially the Tolstoyan novel with an uncritical immersion in life at the expense of a mastery of style and while individual works might be admired Russian literature as a whole was represented as a dangerous model for British writing This supposed danger was closely bound up with the politics of the period and this book investigates how Russian culture was deployed in the close relationships between writers editors and politicians who made up the early twentieth century intellectual class the British intelligentsia *Russomania* argues that the most significant impact of Russian culture is not to be found in stylistic borrowings between canonical authors but in the shaping of the major intellectual questions of the period the relation between language and action writer and audience and the work of art and lived experience The resulting

account brings an occluded genealogy of early modernism to the fore with a different arrangement of protagonists different critical values and stronger lines of connection to the realist experiments of the Victorian past and the anti formalism and revived romanticism of the 1930s and 1940s future

A Nasty Little War Anna Reid, 2024-02-06 The first comprehensive history of the failed Allied Intervention in the Russian Civil War a decisive turning point in the relationship between Russia and the West Named a Best Book of 2024 by Foreign Affairs Overlapping with and overshadowed by the First World War the Allied Intervention in the Russian Civil War was one of the most ambitious military ventures of the twentieth century Launched in the summer of 1918 it drew in 180 000 troops from fifteen different countries in theaters ranging from the Caspian Sea to the Arctic and from Poland to the Pacific Though little remembered today its consequences stoked global political turmoil for decades to come In *A Nasty Little War* top Russia historian Anna Reid offers a sweeping and deeply researched account of the conflict Initially launched to prevent Germany from exploiting the power vacuum in Eastern Europe left by the Russian Revolution the Intervention morphed into a bid to destroy the Bolsheviks on the battlefield But Allied armaments supplies and loans could not prevent Russia's anti Bolshevik armies from collapsing and the Allies were forced to retreat in defeat The humiliation sapped British imperial swagger chastened American idealism and stoked militarism and nationalism in France and Germany Combining immersive storytelling with deep research *A Nasty Little War* reveals how the Allied Intervention reshaped the West's relations with Russia and set a pattern for other interventions to come

Strategy and Supply (RLE The First World War) Keith Neilson, 2014-04-24 Based on a wide range of primary sources this book shows the way in which diplomacy economics finance and strategy became intertwined during the First World War The author examines the diplomatic economic financial and military relations between Britain and Russia and argues that the key to understanding the alliance is the British determination to win the war and the role Russia played in achieving this aim British strategy is shown to be more the result of her relations with her allies especially during the first years of the war than a quarrel between East and West This revision of the accepted interpretation of the strategy leads to a reassessment of the views of Lloyd George Kitchener and Grey The author concludes that in 1917 the British interest in Russia remained as it was earlier in the war the maintenance of a powerful ally on the eastern front

A Bibliography of Bertrand Russell: Separate publications, 1896-1990 Kenneth Blackwell, Harry Ruja, 1994 Provides for the first time a full descriptive bibliography of Russell's writings Textually orientated it will guide the scholar collector and the general reader to the authoritative editions of Russell's works

Love and Russian Literature Ira Nadel, 2023-11-30 Russia haunted the British cultural imagination throughout the 20th century whether as a romantic source of literary and political inspiration or as a warning of creeping totalitarianism In this new book Ira Nadel charts the story of that influence through the work of some of the key figures in British literature across the century including Joseph Conrad Somerset Maugham Jane Harrison Virginia Woolf and H G Wells Framed by the story of two romantic encounters between Walter Benjamin and the actress Asja

Lacis in Moscow in 1926 and between Isaiah Berlin and Anna Akhmatova in 1945 Love and Russian Literature casts a vivid new light on the ways in which responses to Russia shaped the history of British modernism **Mediating Criticism** Roger D. Sell, 2001 In the twentieth century literature was under threat Not only was there the challenge of new forms of oral and visual culture Even literary education and literary criticism could sometimes actually distance novels poems and plays from their potential audience This is the trend which Roger D Sell now seeks to reverse Arguing that literature can still be a significant and democratic channel of human interactivity he sees the most helpful role of teachers and critics as one of mediation Through their own example they can encourage readers to empathize with otherness to recognize the historical achievement of significant acts of writing and to respond to literary authors own faith in communication itself By way of illustration he offers major re assessments of five canonical figures Vaughan Fielding Dickens T S Eliot and Frost and of two fascinating twentieth century writers who were somewhat misunderstood the novelist William Gerhardie and the poet Andrew Young

Lenin on the Train Catherine Merridale, 2017-03-28 A gripping meticulously researched account of Lenin s fateful 1917 rail journey from Zurich to Petrograd where he ignited the Russian Revolution One of The Economist s Best Books of the Year In April 1917 as the Russian Tsar Nicholas II s abdication sent shockwaves across war torn Europe the future leader of the Bolshevik revolution Vladimir Lenin was far away exiled in Zurich When the news reached him Lenin immediately resolved to return to Petrograd and lead the revolt But to get there he would have to cross Germany which meant accepting help from the deadliest of Russia s adversaries Now in Lenin on the Train drawing on a dazzling array of sources and never before seen archival material renowned historian Catherine Merridale provides a riveting nuanced account of this enormously consequential journey the train ride that changed the world as well as the underground conspiracy and subterfuge that went into making it happen Writing with the same insight and formidable intelligence that distinguished her earlier works she brings to life a world of counter espionage and intrigue wartime desperation illicit finance and misguided utopianism When Lenin arrived in Petrograd s now famous Finland Station he delivered an explosive address to the impassioned crowds Simple and extreme the text of this speech has been compared to such momentous documents as Constantine s edict of Milan and Martin Luther s ninety five theses It was the moment when the Russian revolution became Soviet the genesis of a system of tyranny and faith that changed the course of Russia s history forever and transformed the international political climate Drenched in atmosphere her account has all the stuff of a spy thriller Newsday

An Eye on the Modern Century Henry McBride, Steven Watson, 2000-01-01 Philippe Sands has extensively revised this leading textbook to include all new developments since 1994 including all the international case law ICJ ITLOS WTO human rights etc and new international legislation genetically modified organisms the Kyoto Protocol oil pollution chemicals etc It is the most comprehensive account of the principles and rules relating to the protection of the environment and the conservation of natural resources It incorporates all the key material from the 1992 Rio Declaration and subsequent

developments Topics include the legal and institutional framework the field s historic development standards for general application in addition to the protection of the atmosphere oceans etc the techniques available for implementation such as the environmental impact assessment and liability compensation for environmental damage It will be used on its own as an academic course text as well as a reference text for practitioners *Katherine Mansfield and Russia* Galya Diment,2018-11-30 Reveals diverse notions of distributed cognition in the early Greek and Roman worlds **Memoirs of the Duke of Sully** Maximilien de Béthune duc de Sully,1877 *Memoirs of the Asiatic Society of Bengal* ,1907 *Memoirs of the Court of Charles II.* Anthony Hamilton (Count),1891 *Memoirs of the Royal Asiatic Society of Bengal* Asiatic Society (Calcutta, India),1911
