# Memoirs Of A Us Marine Sergeant Of World War Ii Korea And Vietnam

**Peter S. Kindsvatter**

## **Memoirs Of A Us Marine Sergeant Of World War II Korea And Vietnam:**

Memories of a U. S. Marine Sergeant of World War II, Korea, and Vietnam Charles E. Gaither, 1992 *The United States Marine Corps in Books and the Performing Arts* Richard L. Hemenez, 2001 This enormous annotated bibliography of the Marine Corps details fiction nonfiction stage poetry music movie and television references to the Marine Corps It covers over 2 500 books 500 plus Hollywood films 80 made for television movies 100 fictional television programs articles parts of books dissertations chronologies dictionaries and oral histories Beginning with an introduction that focuses on the history of the Marine Corps this work serves as research into such subjects as duty stations ships posts heroes and their heroics uniforms boot camp and equipment Listed in the film section are over 100 former Marines who are film and television actors Reflecting the comprehensiveness of the book there are over 15 000 subject headings totaling over 25 000 indexed items The researcher and the research librarian will appreciate the depth and the breadth of the book **United States Marine**

**Reconnaissance in the Vietnam War** Leo J. Daugherty III, 2024-03-19 Tracing the history of U S Marine Force and Battalion Reconnaissance from its formation in 1898 through its operations during the Vietnam War 1963 1971 this book provides insight into Force Recon s selection training and deployment Emphasis on actions with the South Vietnamese ARVN highlights important lessons for today s Special Forces community illustrating the inter service cooperation of Recon operations Firsthand accounts of Marines who served are included along with photographs maps and appendices

**Walking Wounded: Memoir of a Combat Veteran** Fred Tomasello Jr., 2008-11-13 Looking for excitement a patriotic college sophomore joins the Marine Corps completes officer training and experiences combat as an infantry platoon commander Wounded he recovers and joins the Aerial Observer section where he calls in artillery and close air support Wounded again he returns to the United States and makes casualty calls notifying families of Marines wounded or killed in action Using language that is authentic raw and brutally honest Fred Tomasello reveals the adverse effects of war and PTSD on a young man and his family *Air Force Officer's Guide* Col. Stephen E. Wright USAF (Ret.), 2014-07-15 Air Force officers of all ranks from cadets to generals both active duty and reserves will find this revised edition essential reading for a successful career Fully updated with the latest changes to Air Force policy and procedure this military reference guide includes Current guidelines for training conduct pay and benefits decorations and awards and more Extensive updates to uniforms and insignia Information on family services and benefits Revised charts illustrations and sample forms **AB**

**Bookman's Weekly**, 1993 U.S. Marines in the Korean War Charles Richard Smith, 2007 Contains the anthology of publications formerly compiled by the History and Museums Division during the 50th anniversary commemoration of the Korean Conflict 1950 1953 Focus of the articles is to remember those Marines who fought and died in the forgotten war

*Marine Corps Aviation* Edward C. Johnson, 1977 Island Infernos John C. McManus, 2021-11-09 In Fire and Fortitude winner of the Gilder Lehrman Prize for Military History John C McManus presented a riveting account of the US Army s

fledgling fight in the Pacific following Pearl Harbor Now in *Island Infernos* he explores the Army's dogged pursuit of Japanese forces island by island throughout 1944 a year that would bring America ever closer to victory or defeat A feat of prodigious scholarship *The Wall Street Journal* *Wonderful St Louis Post Dispatch* *Outstanding Publishers Weekly* Rich and absorbing Richard Overy author of *Blood and Ruins* A considerable achievement and one that importantly adds much to our understanding of the Pacific War James Holland author of *Normandy 44* After some two years at war the Army in the Pacific held ground across nearly a third of the globe from Alaska's Aleutians to Burma and New Guinea The challenges ahead were enormous supplying a vast number of troops over thousands of miles of ocean surviving in jungles ripe with dysentery malaria and other tropical diseases fighting an enemy prone to ever more desperate and dangerous assaults Yet the Army had proven they could fight Now they had to prove they could win a war Brilliantly researched and written *Island Infernos* moves seamlessly from the highest generals to the lowest foot soldiers and in between capturing the true essence of this horrible conflict A sprawling yet page turning narrative the story spans the battles for Saipan and Guam the appalling carnage of Peleliu General MacArthur's dramatic return to the Philippines and the grinding jungle combat to capture the island of Leyte This masterful history is the second volume of John C McManus's trilogy on the US Army in the Pacific War proving McManus to be one of our finest historians of World War II

**American Soldiers** Peter S. Kindsvatter, 2003-04-03

Some warriors are drawn to the thrill of combat and find it the defining moment of their lives Others fall victim to fear exhaustion impaired reasoning and despair This was certainly true for twentieth century American ground troops Whether embracing or being demoralized by war these men risked their lives for causes larger than themselves with no promise of safe return This book is the first to synthesize the wartime experiences of American combat soldiers from the doughboys of World War I to the grunts of Vietnam Focusing on both soldiers and marines it draws on histories and memoirs oral histories psychological and sociological studies and even fiction to show that their experiences remain fundamentally the same regardless of the enemy terrain training or weaponry Peter Kindsvatter gets inside the minds of American soldiers to reveal what motivated them to serve and how they were turned into soldiers He recreates the physical and emotional aspects of war to tell how fighting men dealt with danger and hardship and he explores the roles of comradeship leadership and the sustaining beliefs in cause and country He also illuminates soldiers' attitudes toward the enemy toward the rear echelon and toward the home front And he tells why some broke down under fire while others excelled Here are the first tastes of battle as when a green recruit reported that for the first time I realized that the people over the ridge wanted to kill me while another was befuddled by the unfamiliar sound of bullets whizzing overhead Here are soldiers struggling to cope with war's stress by seeking solace from local women or simply smoking cigarettes And here are tales of combat avoidance and fraggings not unique to Vietnam of soldiers in Korea disgruntled over home front indifference and of the unique experiences of African American soldiers in the Jim Crow army By capturing the core band of brothers' experience across several

generations of warfare Kindsvatter celebrates the American soldier while helping us to better understand war's lethal reality and why soldiers persevere in the face of its horrors *God Makes Angels and Navy Corpsmen* Joseph Barna, 2021-07-22 I was knocked down by a shell As I found myself laying on my back the half full flamethrower tank pinning me to the ground a North Korean soldier came at me with his bayonet In his quilted suit he seemed to come out of nowhere I can still see his face and smell the garlic on his breath As he lunged at me I was able to turn but he stabbed my upper left arm with his bayonet I had a double barrel shotgun taped on the arm of my flamethrower and gave him both barrels I think I blew him in half The battle kept going on around me Weapons fire was all around me and I heard other boys being hit and falling I laid there feeling weak as blood from my deep wound seeped out on the Korean dirt I must have been ready to blackout when I heard a familiar voice say Joe if I don't close up that wound you'll die Paragraph italicized From growing up in a small Pennsylvania town through Marine Corps boot camp and training and finally remembering and coping with buried memories decades later Korean War combat veteran Joseph Barna recounts his life events that will put a tear in your eye and a smile on your face Marines Dodging Death Robert A. Simonsen, 2008-12-26 Most Marine and Navy Corpsmen who have seen active combat have at one time or another experienced a close call when they were seconds or perhaps inches from death yet survived because of a quick reaction divine intervention or just plain luck From Pearl Harbor to Baghdad this volume contains the stories of 62 Marines who narrowly escaped death while fighting in America's wars Inspired by the author's own close call in May 1968 it recounts a great variety of harrowing experiences Personal background from before and after the close calls provides a more human facet while additional research adds historical information to these fascinating stories of Marines and Navy Corpsmen **The Leatherneck**, 1996 The Encyclopedia of the Korean War Spencer C. Tucker, Paul G. Pierpaoli Jr., 2010-04-09 A multidimensional multidisciplinary work on one of the least understood but most important conflicts in modern history A cornerstone work in ABC-CLIO's distinguished list of reference works on military history The Encyclopedia of the Korean War A Political Social and Military History is a comprehensive resource on the confrontation that became the first shooting war of the Cold War the first limited conflict of the Atomic Age and the war that led to a dramatic escalation of the national security state while foreshadowing U.S. involvement in Vietnam Encyclopedia of the Korean War offers complete coverage of strategies weapon systems and clashes that marked the course of events on the battlefield But this authoritative multidisciplinary work expands beyond the military perspective to portray the overall culture of the era addressing a variety of political economic social and popular culture topics as well Incorporating a wealth of recent research the new edition adds more than 130 entries and updated coverage throughout plus more bibliographic listings an expanded historiographical essay and a documents volume Congressional Record United States. Congress, 1993 **Four Flags, The Odyssey of a Professional Soldier** Dave Barr, 2015-12-19 Dave Barr had had a penchant for trouble since day one born in the back of a car shooting by the time he was five riding a motorbike at seven Dave regularly got into fights at school The

only reading Dave would do growing up involved motorbikes shooting westerns and the military After reading *Battle Cry* by Leon Uris aged 12 he knew he wanted to be a Marine Following a series of menial jobs working at a barbers and in service stations at 17 he joined the Marines before shipping out to Vietnam This was his dream come true flying as a helicopter gunner he ended the war with an impressive 57 Air Medals After leaving the Marines like many veterans Dave found it hard to hold down a good job and stay out of trouble It was then that he read about Israel Always looking for a rush Dave learnt to skydive before he deciding to take his chances emigrating illegally to Israel He was inducted into the Israeli Army and then the Paratroops where the training was difficult involving long tough marches and learning Hebrew After serving his time he left Israel back in the USA Dave was stuck in a rut and ready for his next adventure This is the first volume in the gripping and action packed memoirs of Dave Barr providing a rich and colorful account of one man s odyssey as a professional soldier seeing war at the sharp end

**The Truth of War** Doctor Tom Lewis,2023-11-01 *The Truth of War* unveils a penetrating exploration of the most contentious facets of military combat delving into the necessity of killing the complex decisions surrounding the taking or sparing of prisoners and the intricate dilemmas concerning the targeting of civilians With a profound analysis of seven significant conflicts this book challenges conventional beliefs arguing that war possesses its own set of rules that often diverge from society s established laws and values At its core the book confronts the harsh reality that soldiers engaged in close quarter combat must swiftly adapt to become efficient killers in order to survive emphasising the stark choice they face hone their lethal skills or meet a perilous demise The author contends that the requirements of war demand an unflinching acceptance of this disturbing truth By drawing from history encompassing conflicts such as the Boer War World Wars I and II the wars in Korea Vietnam the Falklands Iraq and Afghanistan the author presents a comprehensive examination of the ethical dilemmas embedded within each episode Through meticulous research and vivid storytelling *The Truth of War* peels back the layers of sanitised perceptions exposing the gritty realities that within the realm of warfare In unveiling the hidden truths and complexities of war this brilliant and thought provoking book shines a blazing light on the multifaceted nature of combat challenging readers to reevaluate their preconceived notions and confront the uncomfortable truths that lie at the heart of humanity s most enduring and controversial endeavour war

*Vietnam Rough Riders* Frank McAdams,2013-03-12 Black smoke drifted about the scene The first thing I noticed was the huge crater yawning next to the damaged truck In the Vietnam War American rough riders drove trucks through hostile territory delivering supplies equipment ammunition weapons fuel and reinforcements to troops fighting on the war s ever shifting front lines But all too often the convoys themselves became the front lines Frank McAdams a Marine Corps lieutenant learned that the hard way during a tour of duty that began right after the 1968 Tet Offensive and the siege at Khe Sanh In this compelling memoir he recounts his personal battles not only with a dangerous enemy but also with an incompetent superior and a sometimes indifferent military bureaucracy A decidedly different take on the Vietnam experience his chronicle focuses on the ambush

prone truck convoys that snaked their way through dangerous terrain in narrow mountain passes and overgrown jungles. When an ambush occurred, strong leadership and quick thinking were required of officers like McAdams to protect both the convoy's mission and the lives of its men. McAdams describes convoys he led through hot zones like the notorious Ambush Alley stretching from Danang through Hai Van Pass to Phu Bai in the north and the provincial area in the south known as the Arizona that surrounded the villages of Phu Loc and An Hoa. He also highlights the fierce three-day firefight that ensnared him and his men near the Song Cau Du River at Hoa Vang and provides a particularly gripping account of the fighting at Thuong Duc. McAdams deals frankly with his fraught dealings with a commanding officer whose ineptness and treatment of his troops made the CO fear for his own life. And he writes movingly of his wife's love and encouragement in the face of an emotionally tough separation and also of his difficulty in re-engaging with life stateside. Fast-paced and compulsively readable, his book offers an insightful look at a largely neglected aspect of the Vietnam War while reminding us of how frequently the crucible of war reveals one's true character.

**In the Shadow of the Greatest Generation** Melinda L. Pash, 2012-11-11

Largely overshadowed by World War II's greatest generation and the more vocal veterans of the Vietnam era, Korean War veterans remain relatively invisible in the narratives of both war and its aftermath. Yet just as the beaches of Normandy and the jungles of Vietnam worked profound changes on conflict participants, the Korean Peninsula chipped away at the beliefs, physical and mental well-being, and fortitude of Americans completing wartime tours of duty there. Upon returning home, Korean War veterans struggled with home-front attitudes toward the war, faced employment and family dilemmas, and wrestled with readjustment. Not unlike other wars, Korea proved a formative and defining influence on the men and women stationed in theater, on their loved ones, and in some measure on American culture. *In the Shadow of the Greatest Generation* not only gives voice to those Americans who served in the forgotten war but chronicles the larger personal and collective consequences of waging war the American way.

**Tell it to the Dead** Donald Kirk, 2016-09-16

This work reports on the Vietnam War as seen by the GI in the jungles. It discusses current attitudes, views from Saigon, Hanoi, and Phnom Penh, and other locales in the countryside.

Recognizing the pretension ways to get this books **Memoirs Of A Us Marine Sergeant Of World War Ii Korea And Vietnam** is additionally useful.
